REPORT OF THE DISTRICT SUPERINTENDENT

I have spent the year in the service of the Lord and for the Church. I have visited all the churches in the district except one. I have held fifteen quarterly meetings. I have held thirteen revivals: six of these being churches in poor circumstances. I have preached 306 sermons; made 308 pastoral calls; seen eighty-eight profess regeneration and thirty-six sanctification. I have written 526 letters in the 2nd, 3rd, and 4th quarters. Three churches have been organized for whites and one for colored. Six lots have been secured in N. W. Roanoke for a church and campground. These lots are worth \$1,650. A church is under construction at Christo, Va., and one at Bagley's Swamp, N. C. The Beulah Bible School with a good dormitory and twenty-two acres of land was fin-

ished in being transferred to the Church this year and a school opened the 4th of October.

I have traveled about 7,000 miles by rail and many miles, both day and night by buggy, automobile and foot.

I have received from ministers \$302.42. From evangelistic work \$247.61. Other offerings \$138.63. Total offerings from all sources \$688.63. I have spent for conveyance \$161.85. For rent \$120.00.

In the first quarter 29 per cent. of ministers reported. In second, 88 per cent.. In third, 100 per cent.

Though the gains in numbers and finances have not been large this year, yet the gains have surpassed those of any other year, it has been a year of gains in some of the weak charges.

The field is ripe in this district for workers who are Spirit-filled and are possessed with common sense, wisdom and energy.

Humbly submitted,

S. S. Nelson, Dist. Supt.
