## DISTRICT SUPERINTENDENT'S REPORT

To L. W. Sturk, our beloved First Assistant General Superintendent, and Twenty-Fourth Annual Assembly of the Kansas District Pilgrim Holiness Church.

Another milestone has been passed; another year's activities recorded, and we are being hurried on to meet Him Who has said, "Behold I come quickly and my reward is with me to give to every man according as his work shall be."

A more serious hour I never felt when a year ago you elected me to serve as your District Superintendent. I recognize greater accomplishments could have been obtained, yet in all our ministerial labors we have never been more conscious of God's presence and seal upon our humble efforts. I am sure that we, as a Pilgrim Holiness Church, have a very vital and important place to fill. The preaching and living this Gospel of full Salvation was never more needed than today. There have been a number of blessed God given revivals. Thank God our people are still earnestly contending for the faith which was once delivered unto the saints.

On the account of sickness, dust storms and other difficulties we have had more changes in our pastorates than any previous time in our history. Definitely and distinctly has God answered prayer again and again.

Since it became necessary as well as providential for Mrs. Beecher to take the Lincoln pastorate, I called a special session of the District Council on the First day of October, 1936, at which meeting I conceded \$450.00 of my year's salary to be applied on Home Missionary work. A great deal of my time and travels have been in the interest of frontier meetings. Much effort has been launched along these lines. A short meeting was conducted in Allen by Brothers Philpot and Busby. After all their resources were exhausted to get the people of Allen to attend the meeting (but to no avail) they went to Osage City and conducted a five weeks campaign which resulted in the organizing of a small class. Brother and Sister Ray Jellison were placed there as pastors. They were loyal and real sacrificing. Later in the Spring Brother Busby and Misses Lois Cork and Julia Mikesell earnestly battled away for three weeks here in Beloit,

then was added to the party Brother Philpot and Sister Vera Carter continuing two weeks longer. A number of souls were at the altar and some very profitable Gospel interest established. Another two weeks meeting was held in Hartford by Rev. Busby as evangelist and Sisters Lois Cork and Julia Mikesell as singers. Then a second Home Missionary Campaign in Osage City by Rev. J. Orvan Keller and wife as the workers. Some good interest was shown in this meeting and it should have gone on longer. Also Sister Mabel Rathburn and family conducted a two and a half weeks meeting in Lyndon, Kansas. A lot of good, I believe, was accomplished in these meetings and attention should be given to conserve and preserve what seed has been sown.

As your District Superintendent I do enjoy the blessed experience of entire sanctification or heart purity. I have conducted two revivals in the District and attended two Bible School Board Meetings at Colorado Springs. I have cried and prayed and preached and counseled with our pastors and people and answered many letters and tried to solve many incidental problems. Only by the Grace of God, your patience, prayers, and cooperation have the problems been solved as they have. I have visited all the churches of the District three times (excepting two only twice) and many of the churches four or five times.

Miles traveled in the interest of District and Home Missions: more than 18,000; sermons preached, 168; calls, 202.

Have had some seekers both for pardon and purity which the pastors will report.

Conducted all the annual business meetings and at least 30 Board Meetings. Also helped the wife hang out a few washings, but most of all God answered prayer in enabling us to lift an over \$1300.00 church indebtedness from the Lincoln church.

District Salary paid in full .....	\$750.00
Love Offerings from Churches .....	70.00
District paid on mileage .....	180.39

Respectfully submitted,

Howard J. Beecher.
