## **DISTRICT SUPERINTENDENT'S REPORT**

**To the 36th Annual District Conference of the Kansas District of the Pilgrim Holiness Church now in session, Greetings!**

The Lord delays His return, and thus, through His mercy, we are allowed to meet in another annual conference. While it is impossible for you to see the work as we do, it is our desire in this brief report, to give you some of the facts concerning some of our activities and the high lights of District progress during the past twelve months.

In some respects it has been an eventful year for us. Records will likely show more improvements of church property, acquiring buildings, etc., than any previous year.

We were compelled to vacate our property at Sylvan Grove as the location was needed for a new school building. The brethren were able to find a splendid site for a church and have their new building and other improvements made. Sharon Springs goes forward and has a church which stands on their corner lots. This is a fine building for our need and plans are under way for a new parsonage. The Keystone Church has undergone extensive repair. The Syracuse Church filled to the capacity, and with a growing Sunday School faced a real challenge. Equal to this they began a real overhauling and enlarging of the church plant. They have made real progress. Goodland too has a splendid pro-

ject underway which will increase their seating capacity and give them a better opportunity to serve. I feel that a real need has been met at Bird City, where both church and parsonage have been moved into town. A full basement has been prepared for each building. Hutchinson has made extensive improvements on their Church with more soon to follow. Mention should be made of our infant church at Garden City, where the Irelands are laboring. For nearly two years they have lived under conditions that no other Kansas pastor knows today. They are engaged in building a fine parsonage at this time, which will soon be ready to occupy. Fredonia has improved their basement for Sunday School rooms. Sabetha has taken forward steps in this line also, and Lincoln has raised hundreds of dollars for Sunday School rooms. Colby has received much needed repair and Winona is glad for a new basement under their church.

Many other worthy things have been accomplished across the District and at the same time we have kept wonderfully free from debt. Much of this work, has been done by prayer, faith, sweat, and tears. My hat's off to God's children such as you, who have taken these forward steps!

Many of our churches have had a battle holding up their attendance. It is likely we have had the worst winter we have known for our work, stormy, bad week ends were the order of the day for months it seems. In spite of this, reports will show that some of our churches have done exceedingly well and that we have a District gain in membership as well as Sunday School attendance.

When Sharon Springs was able to release the portable tabernacle in the spring, all plans were laid for moving into a new territory for the Pilgrim Holiness Church. Plans for the new work had to be abandoned, when workers failed us, almost on the eve of launching the project.

Plans for the Ministerial Convention were stalled, when no church in central Kansas, extended us an invitation.

I have preached 190 times during the year, attended all meetings of the General Board, and have met with the brethren at Colorado Springs as a member of the Bible School board. Other activities include work at the Camp Grounds, two visits or more to each of the churches, except two, (something interfered with our plans in these cases) and conducting all the annual meetings except one. I have held two revivals and one camp outside the District, and four meeting in the District.

My salary has been met and I have received about \$1,000.00 from Evangelist offerings, beside expense. At my request no house rent money was paid me. My records show the churches have remembered me with a little more than \$400.00 in love offerings.

For prayers answered and victories given, much praise is due God. A look to the future reveals a real challenge to the Pilgrim Holiness Church, and her people. My prayer is that God may help us meet this challenge and prove ourselves worthy of the trust He has placed in us.

Respectively Submitted, Howard K. Busby, Dist. Supt.

**REPORT OF THE FOREIGN MISSIONARY COMMITTEE**

1. We recommend that by a rising vote of thanks, we express our appreciation to Rev. J. Maxey Walton and Bro. and Sister Vega for their faithful representation of the missionary work in our Camp .
2. We recommend that the first Sunday afternoon of the 1950 Camp Meeting be devoted to the interests of Foreign Missions.
3. We recommend that the first Sunday of each month be designated as missionary Sunday by our local churches, that special prayer be offered and that an offering be taken for foreign missions.
4. Because of the cost of carrying on our foreign missionary work, we recommend that our churches raise as much as possible above the regular foreign missionary budget.
5. We recommend that our pastors encourage those who feel the call of God to special service, and that the church assist them in their preparation as much as possible.

S. A. Gillum, H. H. Wolcott, J. E. Pottenger

**MEMORIALS FOR GENERAL CONFERENCE**

1. Members of a church, who over a period of one year, willfully fail to attend services or who fail to support it financially as they are able, shall be dropped from the rolls, provided a letter has been mailed to them notifying them of intention to drop them from the roll.
2. Since the wearing of rings is not expedient to deep spirituality, and is an incentive to worldliness; therefore be it resolved that this General Conference go on record as opposed to the wearing of rings.
3. Be it resolved that all Sunday School classes of school age and older vote by secret ballot to make nominations for teachers, after being duly considered by the local church board and approved by them, two or more of these names shall be presented to the class for election.

A. I. Wise, Wayne R. Plummer, M. M. Conard, Ray L. Jellison

## REPORT OF DISTRICT SUNDAY SCHOOL BOARD

The Sunday School Board met three times through the Conference year. We put out nine Sunday School Bulletins and held five Sunday School Conventions over the district.

During the Conference year the Sunday School made a net gain of forty one over last year. There were sixteen churches that made gains; seven that showed loss. The remaining churches show no loss or gain.

Roy Glendening, Ray L. Jellison, O. R. Hofen
