MINUTES

of the

FOURTEENTH ANNUAL ASSEMBLY

of the

PILGRIM HOLINESS CHURCH

Kentucky District

Convened at
Soldier, Kentucky
October 9-12, 1923

Rev. J. Thos. Johnson, Superintendent
The Annual Assembly of the Pilgrim Holiness Church, of the Kentucky District, held at Soldier, Ky., October 9-12, 1923, has come and gone. It was my privilege to preside at this Assembly and aid in the transactions of the business of this Assembly.

I can truthfully say that it went beyond my expectations in attendance, interest and vision. I felt the spirit of evangelism, which characterized the early days of Methodism in this great State, and the preachers and delegates seemed to have the same conquistive spirit "which looketh forth as the morning," while they laid plans and devised means to go forward with the work of the Pilgrim Holiness Church in this growing district.

The blessed harmony and Christian fellowship which accompanied the whole convention was characteristic of true godliness. The election of officers was accompanied by the earnest desire for God to have His way, and the men chosen to fill the places of official duty, give evidence of capability and we predict a prosperous and fruitful year for them.

The Kentucky District did not fail to take its share of expenses of the general church work and prove its interest in our having a church of which our people should not be ashamed. I am glad to announce that all the other districts in our church connection will have to move if they keep up with the growth and spiritual life of this district. These Minutes will give the reasons of this prediction and every household should have a copy and read them through.

WINFRED R. COX, Gen. Supt. P. H. C.
Kingswood, Kentucky, October 19, 1923

The remarkable assembly of the Kentucky District can not be described by words. These are vehicles too limited to even describe the location, with its lovely scenery, sounds and odors. Rolling country verging on mountains, with the C. & O. R. R. winding its way between hills, then straight through one to get out of one of the prettiest places one can imagine. Across from where we stopped and on the same hillside with the P. H. Church, where the assembly met, is a stretch of wild woodland with forest trees praising God with millions of all colored leaves, while the cow bells remind us we are in a land where pasture is free, and plenty of it. The odor of pasture land and woods lured us to slip away and stroll up a ravine once or twice, while three times a day a better odor met us at the dining room, where the splendid families of Soldier surely spread a long table with food fit for kings.

It seemed to me there was more business transacted in the few pleasant days at Soldier, in face of the fact that we never knew when a motion would be passed to have a song from some of the song evangelists. Time was taken for worship. In fact, it was like a revival in Ezras time every time the Assembly went to her knees. It seemed like every one made a bee line for God's heart. No time wasted in getting started. At times, the praying, singing, shouting and jumping made the more timid feel a bit like hunting a safe place; however, no one was even bumped or scratched that we knew of, but surely fire flew and joy, both speakable and unspeakable, filled the place.

Brother Cox presided well, and the Assembly surely want him back next year. Brother Wm. Beirnes has surely been blessed of God in building up the district. The State Secretary deserves much credit for the growth in the Kentucky District. He gives no one a chance to lay down on his oars. I would rather see a man too lively than lazy. Give us more hustlers who will be on their job like Brother Waters.

Brother Johnson was elected District Superintendent, and we expect him to make a good one; however, it will be impossible unless we all make good in whatever place we are called by God and placed to fill.

Together we stand, divided we fall. Let's go together and refuse discouragement, doubts or defeat this coming year.

All for Jesus,

R. G. FINCH,
General Supt. of Foreign Missions.

Resolution No. 2
Resolved: That each church and Sunday school in the district, on the first Sunday in each month, lift an offering for Foreign Missions.

Resolution No. 3
Resolved: That we, as a district, raise $1700.00 for the support of our District Superintendent, to be raised as follows: each licensed and ordained minister in the district to be assessed $12.00 per annum. The balance to be raised according to the membership of each church on a basis of $1.00 per member per annum. Should there be a failure on either the part of the ministers or churches to pay their assessments, the deficiency shall be raised on the Assembly floor. We further recommend that each church raise a free-will offering for the Superintendent on his quarterly visit to the churches. All moneys raised for the Superintendent to be forwarded to the District Treasurer.

Resolution No. 4
Resolved that we raise a Home Mission Fund to finance the State work. Said fund to be raised by apportioning each church on a basis of $1.00 per member per annum.

Resolution No. 5

Resolution No. 10

Resolved: That the chair appoint a committee to draft report blanks covering the work of our district.

Special Resolution

Resolved: That we appeal to the General Assembly to adopt a rule, that no district superintendent be allowed to hold office longer than four years.

On Wednesday evening we were privileged to not only witness, but to participate in the largest and best ordination service that we ever saw. The ordination sermon was delivered by our General Superintendent, W. R. Cox, and was soul stirring and heart searching. After the ordination service, Brother Elmer Hanna, the Superintendent of the General Church Orphanage, at Kingswood, gave a lecture on the orphanage, and although the large hall was crowded to capacity, there was not a single person but what felt the need of supporting the orphanage work at Kingswood. And the Kentucky District has still more to be glad for in that over $1000.00 was given in cash and pledges, thus making the largest offering given at one time and place. To God be all the glory.

District Superintendent’s Report

Although we do not have a very glowing report for this year, we are glad to be able to say that the State work has gone steadily forward. Many of our churches have grown stronger spiritually, numerically and financially.

There have been two churches organized. One at Cynthiana, with a membership of 88. Brother and Sister Waddell and Brother and Sister Keller were the instruments God used to bring about this work. A church at Bells Trace, near Rush, was organized with a membership of 12. Brother John McNurlin held the revival and organized the church. Two missions have been started under the control of the P. H. C. One at Carrollton; the work was started through the Morgan party. The future of this work looks bright. The other mission was started in Louisville, under the leadership of Brother Lew Standley, who is in charge of this mission. $100.00 of State money was used here in getting the mission started. There has also been foundations laid for other organizations. We visited the churches quarterly, with few exceptions. These were not reached through sickness, death and weather conditions. We made 67 quarterly visits. Preached 122 times. Professions of regenerations and sanctifications 75. Held one revival and assisted in 5 others.

We believe there is a big future in the growth of the work in the district, providing all the members of the conference with the churches will feel their responsibility and systematically push the work for God.
