48. Resolved: that all who disregard the following rules be answerable to the District Council:

a. All pastors shall instruct their church and young people that all who come to Camp shall abide by its rules.

b. Everyone shall retire, or be quiet after 10:30 p. m.

c. A dean shall be appointed over each dormitory, when necessary.

d. No single young people shall be allowed off the grounds after 7:00 p. m.

e. No article shall be taken from the dining room or kitchen without permission from the one in charge, and shall be returned in good condition.

51. Whereas our Camp expense is much greater than the registration fees provide for, and taking offerings require a pull, therefore, be

it resolved: that our registration fee be \$1.50 and that we ask our Council to plan a way by which the congregation can be contacted otherwise than the public auction method of taking offerings.

MINUTES

52. Resolved: that all resolutions be retained from year to year unless revoked or revised by special act of the Assembly.

53. Resolved: that we have five hundred copies of our District Minutes printed, said Minutes to sell for 15c per copy.

L. Houston, and also to our district officials, our laboring help and donors, and to all who have served so faithfully to make this Camp and Assembly a blessing.

RECOMMENDATIONS OF THE WAYS AND MEANS COMMITTEE

1. We recommend: that each Sunday School of our District pay 10c per week for a Tent Fund. We further recommend that each Sunday School adopt the Birthday Offering plan, said offering to go toward the Tent and Home Missionary Fund.

2. We recommend: that each church pay not less than \$5.00 on the expenses of the pastor and delegate to the District Assembly to be raised by the District Superintendent at the annual meeting. We further recommend: that the amount raised be equally divided, provided the pastor and delegate do not go to the Assembly together.

3. We recommend: that each church take a free-will offering for the District Superintendent on his regular visits, same to be sent in by the local treasurer as District Budget.

4. Inasmuch as this State is included in the Owosso, Michigan, Bible School Zone, we therefore strongly recommend: that our people patronize our own Bible School.

5. Whereas there is a pressing need for funds to erect buildings to house our people, we recommend that we as an Assembly, make strenuous efforts this year to raise such funds. The same to be used at the discretion of the District Council.

6. We recommend: that we adopt the system of raising foreign Missionary money requested by the General Church Board as follows: that each church have a Weekly Prayer Service and that a Missionary Rally be held monthly on the Lord's Day, and at this service an offering be taken for Foreign Missions, same to be forwarded to the District Treasurer.

7. We recommend: that all active pastors and evangelists pay $\frac{3}{4}$ of their ministerial tithes and $\frac{1}{2}$ of their tithes from secular labor, to the District Superintendent. All other licensed and ordained ministers

to be assessed \$12.00 per year, same to be paid monthly. Failure to do so will call for the action of the District Council.

8. We recommend: that the Superintendent and the Treasurer be vested with power to purchase bond, or insurance, as required to securely cover the Treasurer and all District monies.

9. We recommend: that the District Treasurer shall send out to each local church, quarterly statements showing amounts due in each department. We further recommend: that a quarterly statement be sent to each minister showing amount due on assessment.

10. We recommend: that the District Treasurer be paid \$125.00 per year and the District Secretary be paid \$50.00, same to be paid in equal monthly payments.

11. We recommend: that the District Superintendent's salary be \$1,500.00 per year, and that he be granted two weeks of vacation with pay; also, that he be paid \$300.00 for traveling expenses.

12. We recommend: that the Assistant Superintendent be allowed 25c per meal for meals bought while working in the district work.

13. We recommend: that where it is possible, every church with twenty members of voting age pay their pastor \$10.00 or more, and that every church with thirty members of voting age pay \$15.00 as a minimum. Churches having forty members of voting age pay \$20.00 per week minimum. Churches with fifty members of voting age pay what church and pastor agree upon in harmony with this scale.

14. We recommend: that the District Treasurer prepare a chart for the District Assembly giving a gold star to the churches paid up in full to District and General interests, and giving honorable mention to the churches paying the most according to their membership.

15. We recommend: that we strictly adhere to the ruling of the Manual, section 127, paragraph 121, in regard to General Funds. "To set a yearly budget of expense of not more than \$3.00 per member for the General church both at home and abroad, namely: Foreign Missions, Home Missions and Administrative Expense. The General Assembly of 1938 instructed the General Board to make the divisions of such General church funds as follows: (a) for the fiscal years 1939-42, \$1.90 for Foreign Missions, 60c for Home Missions, 50c for General Administrative Expenses." The action of the General Board: "Be it resolved: that when a local church raises its general budget allotments monthly, such church shall be granted the privilege of specifying surplus funds. In the event the local church treasurer does not allot General Budget Funds according to the Manual, section 127, paragraph 12, that the General Board authorize the District Treasurer to make the proper allotment."

16. We recommend: that District Budget, Camp Budget, Home Missions, and Bible School and General Assembly expense be combined under the head District Budget. We further recommend: that 50% of the District Budget go to the Sinking Fund, which shall be a preferred claim, 20% to Home Missions, 20% Camp Budget, 5% to Bible School, and 5% to General Assembly Expense. We recommend: that 75% of said Camp Budget be applied on Camp Debt, same to be a preferred claim, 25% to go for the general operating expense of the camp.

17. We recommend: that each church be requested to raise for District Budget at least the amount equivalent to \$3.00 per member of voting age reported to the Assembly. Also, that a chart appear in the minutes stating the amount that each church will be expected to raise by the month and year according to the above assessment.

DISTRICT SUPERINTENDENT'S REPORT

To the Thirty-first Annual Assembly of the Pilgrim Holiness Church, Kentucky District, now in session, greetings in the name of Him who loved us and gave Himself for us:

Another leaf of life's calendar has been turned which brings us up to the close of this Assembly year. As we stand today looking backward we can truly say with the Psalmist, "Great is our God and greatly to be praised." This past year has been a very busy year indeed, and we must admit there have been many battles, but we are happy to report that there have also been many blessed victories. Praise His name! I have never loved the Lord better than I do today, neither have I ever had a more burning zeal in my soul to keep busy for my Master and be all that He would have me to be. Only for His glory today would we endeavor to bring the following report.

The Ashland Second Church and parsonage have been painted, hard wood floors have been laid in the church auditorium, and new seats are now being placed therein; Boit Fork Church has been painted inside; Burris Chapel has been ceiled; Covington First Church has been painted both inside and out, and God has marvelously helped them in paying on their debt; Central City Church has been ceiled, and they are hoping to build a parsonage soon; Cottageville Church has installed electric lights; the faithful Pilgrims at Frankfort are now enjoying a beautiful new church and parsonage, modernly equipped; Hitchens Church has

been able by the help of the Lord to pay off their debt on the parsonage; Kingswood has added four new Sunday School rooms to their church; Latonia Pilgrim Chapel has painted their church inside and out with some remodeling; our splendid new church at Louisville has been completed and dedicated; a goodly amount has also been paid on their indebtedness; a lot has been purchased at McAndrews and a foundation has been laid for a new church and parsonage there; Prestonsburg has painted their church and parsonage; Salem has constructed a beautiful 6 room parsonage, which was dedicated July 21; Soldier has roofed their church and painted it on the outside; my last report from Toler they were planning to paint their church; Willard church has been painted inside; the Lord has helped us to organize two Pilgrim Missions, one being at Greenup, a county seat, where we are beautifully located in a Methodist Church, and are hoping to purchase same in the near future, the other at Denton.

There have been four new cottages erected on the camp ground with new seats in the Tabernacle, plus six hundred dollars (\$600.00) paid on the camp debt.

The Lord has blessed in giving a number of good revivals in the district this year. He has helped us in conducting three gracious revivals which resulted in nearly one hundred souls finding God. It has also been our privilege to preach two hundred and twenty-seven times, to conduct one hundred and fifteen business meetings, fifteen quarterly meetings, one ministerial convention. We have dedicated one parsonage and participated in the dedication of two churches; dedicated ten children, attended one General Board Meeting, traveled 18,850 miles, received for traveling expenses three hundred dollars (\$300.00) and my salary in full.

The fellowship which has existed between us and the district has been most blessed. We have enjoyed the best as we have traveled from place to place. We are indeed grateful to God for the cooperation on the part of the brethren throughout the year. With the many experiences that this year has brought our life has been so enriched until we feel that we can never be the same, yet, we would say with the Apostle Paul, "Brethren, I count not myself to have apprehended; but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus."

Happy in His Service,

L. S. HOUSTON.

REPORT OF DISTRICT SUNDAY SCHOOL BOOSTER

I visited every organized Sunday School in the District, holding one service at each place, except for one church, when the weather was too cold and where there was so much sickness. I traveled 2,124 miles, kept account of the number of the members of each Sunday School attending these services. The total number attending services (including visitors from other Sunday Schools) 965; expenses \$37.75; offerings \$44.75.

MESSAGE DELIVERED BY OUR DISTRICT SUPERINTENDENT, REV. L. S. HOUSTON

I indeed count it a great privilege this evening in bringing the message to this splendid class for ordination. I am conscious of the fact that there are many calls, but the greatest is a call to the ministry. I was sitting here rejoicing as I looked at this beautiful class to-night.

One reason for my happiness is that there is such a goodly number being ordained to the ministry. Then again I feel a peculiar blessing upon my soul because it falls my privilege to ordain one young man who has been saved under my ministry. While the years have come and gone by rapidly, to me they bring great joy when I think that if Jesus tarries, this individual who is being ordained under my ministry, my big, strong, broad-shouldered son Timothy in the faith, will succeed me after I cross the great divide. So I say it affords me great pleasure to bring the message at this time.

Out of the Scriptures the brethren have read I wish to call your attention to these words "Make full proof of thy ministry." When we stop to think of the call of God, as our text would suggest, we see the Apostle Paul was speaking to his young son in the faith, Timothy. It infers that he is speaking to a man who has heard the call of God.

Well do I remember a few years ago while working one afternoon in the shoe factory, while the sun shone bright, there came like a bolt of lightning or the sound of thunders from a clear sky, the call of God to my heart—"Preach the Word!" Beloved, there was a revolution that

took place in my soul that has caused me to be different from that day to this.

It seems to me that the apostle in speaking to Timothy was looking out upon the ripened harvest field and in his exhortation or sacred message he wanted him to see the great need that lay out before him. When we stop to think what it means to be a minister of the Gospel, when we look out upon the ripened harvest field and see the perishing grain and the weeping, lost multitudes, then we can begin to realize certainly the holy solemnity this sacred charge "Make full proof of thy ministry" brought into the life of Timothy.

I like to think of this young man as I look into the faces of this splendid class and of the words of the apostle just preceeding this text, where he said, "Preach the Word."

A call to preach is, first of all, a call to preparation. As I look at this class I am conscious of the fact that in the background of your ministry there has been preparation. There seems to be a prevalent thought in the world today that we can open our mouth and God will fill it. He will—with air. A soldier is not placed out to meet the foe in the front ranks of the battle for service until he has received previous military training and instruction. In my estimation a man that does not feel a call to preparation certainly must have received a call to something aside from preaching the Gospel. In this gain saying, pleasure-seeking, God-rejecting world, with the powers of darkness and sin that confront us, we are not fit for the fight, we are not equal to the occasion until we have put on the whole armor of God, until we have studied that we might show ourselves approved unto God, workmen that need not be ashamed, rightly dividing the word of truth.

As I see it, to fail in our opportunity of preparation, means that we are limiting ourselves in our usefulness in the extension and promotion, if you please of the kingdom of God. This world is in sin, the powers of darkness are overshadowing our way tonight, sin is prevalent on every hand, the enemy is building up fortress after fortress, barricade after barricade that he may succeed in carrying out his plans to defeat the plan of God, to rob heaven of precious souls and to populate hell.

The call to the ministry is not only a call to preparation but it is a call to sacrifice. I am wondering, as I think of that word sacrifice. It would be well for us to take Jesus for our example. There are not many of us, at least not for a few years, who will be so fortunate as to get perhaps a high steepled church and a well paid salary. Consequently it is going to call for sacrifice. When we take Jesus for our example, we find that He went far beyond what He would ever expect us to go. I like to think of Him there in the garden in prayer, when He took Peter, James and John apart and said, you can pray here, but I will go out yonder a little farther. The Son of God is Great Example. The Great Father, the Great Teacher and the Great Preacher presented Himself as an Example. The individual who is unable to sacrifice, who fails to see the need of it and is unwilling to do it will be like the one who fails

to study, limit himself in his usefulness in the Kingdom of God and of our Lord and Savior Jesus Christ.

The ministry is a call to opposition. As certainly as God lives if we take the straight path and preach the Gospel as the power of God unto salvation, we are not going to have a bouquet put on our lapel at all times. God will see to it when the way seems hard and the powers of darkness are against us, perhaps the enemy of our souls saying, "you are not accomplishing anything," that some one comes along to give us a word of encouragement and a little bouquet to our heart. At other times and in other places, there may be brick bats if we take the middle of the road and dare to preach Jesus and Him crucified.

There are yet multitudes that want the Gospel, if not from the pulpit, from the street corner. The call to the ministry is a call to opposition. There will be times, my friends, when our loved ones may turn against us. Perhaps some of you know what I am speaking about. Those of your own household may turn to be as Job's comforters and companions, but remember, if we will dare to carry out the charge that Paul gives to Timothy, in spite of the praise of man, the applause of the world and the beckoning hand of wealth, we will dare to carry out God's charge. While the way at times may be dark and hard, we can say there is joy that cometh in the morning. When the Gospel train has pulled into the depot of heaven, those that have been true to the charge given, will at least have a little bundle of trophies on His Gospel express. God will see that we have to our credit then, our part of the inheritance, our reward, in the souls that He has helped us to win unto Himself.

Let us accept every kind of opposition as a stepping stone that will elevate us and put a determination in our soul that the more the enemy tries us, the more we will prove to the world that God's grace is sufficient. I have said a number of times and on various occasions that it is always an encouragement to me when I can obey Him with opposition. I have never felt that I could ask to be delivered from that which my Savior had to endure, to cry at opposition. Beloved, it will develop Christian character and will give you a stability that will enable you to face the foe, not as a mere soldier, but as one under the Captain of the Host, as a little officer under the supervision of the great Colonel of the skies. He will enable us to have so buckled on the armor of God that we can meet the foe on his own territory and be more than conquerors.

A call to the ministry is a call to suffer. There will be and there have been, times in some of your lives during your ministry, when you have been called upon to suffer for the sake and cause of Jesus Christ, a call to suffer, not for your sake, not for the church's sake, but for Jesus sake. I have never felt that I could take courage enough to ask the One Who suffered for me to allow me to be excluded from my portion of suffering for His sake. I like to think of the words of the apostle, when he said, "If we suffer with Him, we shall also reign with Him."

If Jesus should tarry a number of years it will be like tomorrow until our ministry will be finished. If you had come early to the camp

you would have seen us rustling and hustling around getting everything ready to begin at service time, but here tonight it is almost over. So that is the way with our life. Beloved, the call to the ministry is a call to a busy life. If you have any idea of it being anything but busy, I am afraid you are in the wrong pew. I am afraid you are starting out in the wrong direction, if you are expecting the ministry to be a life of ease. It will never be that. If we discharge our and perform our duties it will be said of us as I have heard it said of ministers, that they are the busiest men in town and it could be said of those in the country.

There will be times when all others are sleeping sound and resting their bodies and minds that the man and woman who has been called to preach the Gospel may be isolated in the study alone with God, getting hold of the horns of the altar, crying to God for His mind and thought—perhaps with his eyes shut and at the same time looking out upon the flock, wondering about that one who seems to be drifting far from the shore—waiting on God that he or she might get a message of encouragement, that might serve as a drawing card to bring the wayward one back into the fold of God.

A call to the ministry is a call that exceeds all other calls. A man goes out to the farm, working from sun to sun. The housewife goes to the kitchen and her work is never done. If their work is neglected it may mean suffering or loss but it is only in material things. The individual that is called to the ministry deals with the souls of men, the masterpiece of God's handiwork and creation. Failing to make full proof of our ministry, it will take eternity to reveal what has been lost. Should we fail God in these last days, letting down the standard of the truth, which is a savour of life unto life, and of death unto death, someone will miss the portal and fail to hear the blessed words of Jesus, "Come ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world." Failing to declare the whole counsel of God and to make full proof of our ministry may mean, beloved, that multiplied thousands will miss Heaven. I say that, because one soul won for Christ under your ministry may mean that multitudes will receive the call through that one.

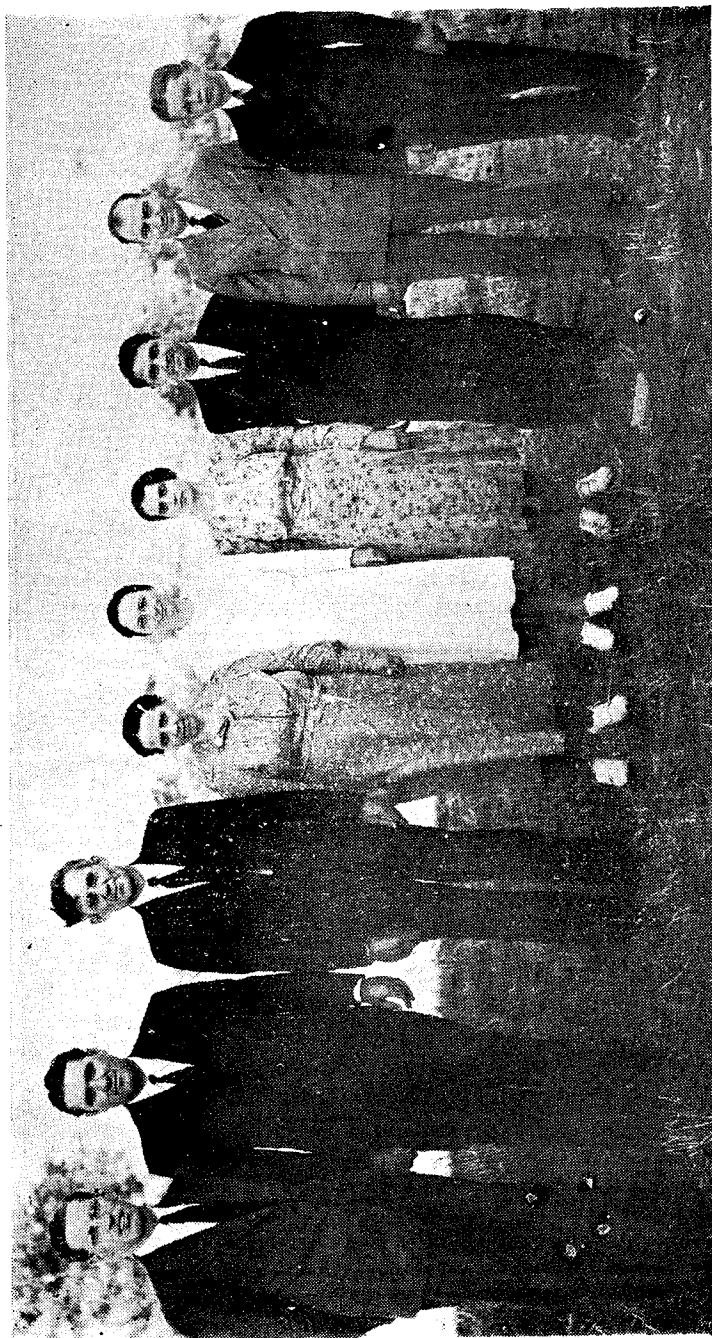

I might use Bro. Holland for a minute or two to illustrate what I am about to say. Well do I remember when he, with eleven others, came down the aisle weeping and knelt at the altar of prayer in that theatre building. I had no idea that night that ten years later I would be ordaining that boy to the ministry. I am expecting him to hold high the blood-stained banner of the old book and it's cross. I am expecting that the others of this class will be true to the souls of men, that ere you pillow your head each night, you can say with the poet: "One more day's work for Jesus; one less of life for me." It will not be all rest nor will it be all thorns, thank God. When the hard, dark and rough places come, you will find there the Christ that said, "I will never leave thee nor forsake thee." When it seems that everything is against you, remember you will find Him there. When it seems discouraging you will find Him there, blessed be God! "Make full proof of thy min-

istry." Regardless of place, congregation or the doors of opportunity that may open, always know the mind of God. Every door that opens is not always God's door. The big paying salary is not always a sign of God's call for you. I remember a few years ago (and I say this to the glory of God) I was pastoring in a certain place and not receiving over \$2 or \$3 a week, when I received word to go to a certain church to preach. A little further down in the letter it said, "this is a trial sermon." I drove into the city on Saturday afternoon and was entertained in the parsonage over night. I preached the next morning and God bless us and also at night when He gave us three souls. Folks came around and said, "I suppose we are going to have you for our pastor." God came first and spoke to my heart and said, "this is not your church." I told those dear people, "I do not wish you to think that I am coming here, for God does not lead this way." It would have meant eight times the money I was getting, and then some, but I said, "Lord, I will stay where you put me until you say go."

To God's man there is a call more definite, clear and holy than the call that comes through the offering plate. To be in the will of God and preach what God says means more than a high steepled church with a big salary. Nothing is so sweet as the will of God. The apostle said, "Make full proof of thy ministry." I would say to you, brethren and sisters, since God has been so mindful of you and has conferred such great honor upon you, in calling you from secular work, some from the office, from here and yonder, to stand in the breach and to give to the world a Gospel that is the power of God unto salvation, may God help you to be true to your calling, never to compromise, ever to count the souls of men worth more than the praise or money of men!

If we keep the vision of a lost world with our hearts filled with a passion for the lost, ready to fill our place of service for God and be as faithful to the souls of men as we would want God to be to our souls, some day our earthly ministry will be ended and we will have preached our last message. Some day we will have had the privilege and opportunity of leading the last soul to the altar of prayer. I have thought so many times of the words of the apostle Paul as martyrdom stood at his door when he said, "I am now ready to be offered and the time of my departure is at hand." But he did not stop there. He said I have fought this life as a battle. Our ministry is a battle. "I have fought a good fight, I have finished." When we close the old Book for the last time and have delivered our last message from its sacred pages, can we say we have finished our course, kept the faith and fought a good fight? May God bless you tonight!
