Journal of Proceedings

Hopkins, Michigan

August 2-4, 1962

The first sitting of the 62nd Annual Michigan Conference of the Pilgrim Holiness Church convened at 9:00 A.M., August 2, 1962, at the District Camp Grounds, Hopkins, Michigan.

Rev. A. C. Doehring, District Superintendent, called the Conference to order with a moment of silent prayer.

Rev. Philip Mitchell opened the song service with the singing of, "I Know Whom I Have Believed". Mrs. Philip Mitchell was at the piano. The Conference continued with the singing of "Hiding in Thee" and "Love Divine".

Rev. J. H. Koteskey, Assistant Conference Superintendent, led in prayer.

A copy of the Conference Treasurer's Annual Report was given to each delegate and pastor.

Rev. Doehring then presented General Superintendent and Presiding Officer, Dr. M. H. Snyder. Dr. Snyder addressed the Conference from the Scripture, Matthew 8:5-13, using as his theme "The Miracle of the Centurion". He stressed the thought of faith and read from Hebrews 11:1,2. He introduced the subject by referring to the fact that we should have a good report of faith and that our work takes on another dimension, namely, the spiritual. Brother Snyder stressed that faith should be exercised in profound humility, that faith should be exercised in profound love, that faith recognized constituted authority, that faith exercised constituted authority, and in conclusion he stressed that Jesus said to the Centurion, "Go thy way; and as thou hast believed, so be it done unto thee. And his servant was healed the selfsame hour."

The roll was called and approved.

The Conference bar was set as the first eight rows of the three center sections and the platform.

The General Superintendent spoke briefly concerning churches which have not paid their United Stewardship Fund and informed the Conference that the Manual requires each pastor to give an abbreviated report to the District Conference, and that this will be put into effect next year.

Rev. Edwin Woirol and delegate Mrs. Shaw from the newly organized church in Ithaca were presented to Dr. Snyder by Rev. Doehring. A motion was made to receive this new church into the Conference. The Conference approved by a rising vote of appreciation.

A recommendation from the District Council brought the following ordained ministerial transfers:

Rev. Theodore Neely, from East Michigan

Rev. Fred W. Gibbs, from Northern Indiana

Rev. G. E. Stace, from Western Ohio

Rev. Walter Thomas, from Oklahoma

It was moved and carried to receive these brethren into our Conference and fellowship. It was suggested that they come forward and be introduced to our Conference. Each gave his testimony.

Rev. C. M. Marshall read the report of the Educational and Examining Board.

District Superintendent's Report to the Michigan Conference

To Dr. Melvin Snyder, General Superintendent, co-ministers and laborers of the Michigan District, delegates and friends, greetings.

I wish first of all to give due recognition and praise to the God of all grace, and our Lord and Savior, Jesus Christ, for His love and providential care he has had over us throughout another year, thus enabling us to gather together in this Sixty-Second Conference of the Michigan District.

Statistics show that the moral and spiritual ebb of the nation were never at a lower tide than now. According to the Word of God this reveals that the Rapture is near at hand. It is also a voice crying unto us and telling us that, "What we do we must do quickly", and urging us to go all out for God and the salvation of souls.

When we read the great and urgent commission Christ gave us, yea gave you and me, individually as well as collectively, to go and make disciples, it brings a certain fear to our hearts, and we wonder if we are fulfilling our mission as sincerely and wholeheartedly as we ought.

In the midst of the fulfillment of the latter day prophecy, when wicked men and seducers are waxing worse, and men are lovers of pleasure more than lovers of God, and in the midst of the lukewarm, unconcerned spiritual atmosphere we are encountering, our concern must be for the needs of humanity. We must be concerned primarily with their spiritual needs, but we must not forget their physical needs. If the Gospel we are commissioned to carry and preach is accepted, it not only presents an antidote for the creep-

ing paralysis of spiritual indifference, but it also provides for the mental, physical and spiritual needs of man. It is not enough for us as a church to try to bring the derelict, the great sinner, or the outcast from society to Christ, we must get the Gospel to them before they become great sinners and outcasts. This must be our prime concern. To this we must expend our greatest effort.

I have been praying, and I trust you have too, that back of every resolution that will be presented to this conference, there was a heartcry, a passion for souls, to help us find better ways and means to extend our efforts more successfully in spreading the Gospel and bringing men to Christ. Methods and techniques will amount to but little unless this is true. If every pastor and delegate can go home from this conference with a greater VISION, a greater PASSION, and a greater PRAYER for souls, this conference will go down in history as a great conference. If this does not take place, we will go home to read the minutes, and then wonder why we passed some legislation.

May the presence of the Holy Spirit fill us with a new vision of our responsibility to this generation. And as we go to our fields of labor we will work twice as hard for souls, and half as much for self.

THE DISTRICT AT A GLANCE

As in previous years the district has been making progress. Alma, Battle Creek North Side, Lansing Emmanuel, and Jackson built new churches this year. Wyoming City built a Church-Parsonage, a church that will be converted into a parsonage when they build their church building. Burnips and Hastings finished their churches this year with wall-to-wall carpet and new furniture. Burnips also finished the upper floor of their educational unit. Alma, Burnips, Lansing Emmanuel and Hastings were dedicated within the conference year. Battle Creek North Side and Wyoming City were dedicated in July. Scottville purchased a different church building, giving them the room they needed so badly, and placing them in a much better location in the city. Midland Grace is in the process of building the upper structure on their basement church. Ithaca, our newly organized church, purchased grounds for a new church. They will build as soon as possible. Coleman purchased a different parsonage. The old one will be used for Sunday School rooms. Traverse City Heights remodeled their parsonage and basement. The basement will be used for fellowship gatherings. Houghton Lake refaced their parsonage with a brick effect. Chesaning bought different pews and put stained-glass windows in the church. Newberry improved their heating system in the parsonage. Ashley also remodeled the basement of their church. I sincerely trust I have not overlooked any church that has made material progress or improvements.

The International Conference revealed that the Michigan District made a 28.8% gain in Sunday School attendance during the past quadrennium, placing first among organized districts. Ontario and Arizona were the two unorganized districts with greater gains. We need to give due credit for this to our District Sunday School Committee for their splendid programs they presented to us.

The membership gain for the past year is small. These gains reveal what can be done. Our efforts in this field must be increased.

OUR CHURCH EXTENSION AND BRANCH SUNDAY SCHOOLS

During the past year several Branch Sunday Schools were promoted by our District Sunday School Committee, but because of lack of local interests some of these were discontinued. Nevertheless, the work started at Gaylord is making progress. Rev. Silvers, who has been taking the responsibility of this work reports. "We are making progress, and there is a good opportunity for a Pilgrim Church at Gaylord." They need to change their time for services, and have them in the morning and evening. This presents a problem. I would suggest that the Church Extension Board give this their serious consideration as soon as possible after this conference and camp. Muskegon North Side is also making a splendid gain. They need a new building and a full time pastor. This, too, will be work for the Church Extension Committee in helping to plan for their future.

YOUTH AND MISSIONARY SOCIETIES

As we all know, the youth, in their conference last year, voted to have their District Youth Camp here. They had their first youth camp here in July, and what a wonderful camp they had. I wish everyone could have been here to see the youth and their wonderful response to the altar call. I am greatly encouraged with their spritual vision and how they stand ready to further the Kingtom through the avenues of the church and district. They have sold their Higgins Lake property and are using the money to enlarge their facilities here. A full report of their activities will be given to the youth conference by the Youth President.

We wish to say "Thank you" to the Missionary Society for the splendid work they have done. The project they have undertaken and the aid they have given the camp by purchasing the needed articles, will be appreciated for years to come. Mrs. Penny has been doing a splendid job in outlining and presenting projects to the local societies.

OUR CAMP

To see the four new squad units on the hill is indeed encouraging. This is the result of the youth moving their District Youth Camp to these grounds. Willing hands from throughout the district donated their labor to make this possible. These units will help alleviate the room shortage during camp. The leasing of most of the available lots to individuals for cottages is also encouraging. Some planned on having their cottage built by this camp time. No doubt by next camp you will see several up and in use. The special offering taken by the churches throughout the district to build the conference approved project this past year fell far short of its goal. So you will find the project only partly finished. I hope the Resolutions Committee will present something to this conference that will meet tthe financial needs, so conference approved projects, when started, can be finished by the next conference time.

PASTORAL CHANGES

Rev. Marshall is going to Lansing Emmanuel, Rev. Petterson to Rockford, Rev. Rummage to Coleman, Rev. Dean to Luther, Rev. Draggoo to Hastings, Rev. Downey to Eaton Rapids, Rev. Silvers to Muskegon, Rev. Manker to Traverse City Heights, Rev. Gibbs to Ellsworth, Rev. Johnson to Chesaning, and Rev. Brugger to Crystal.

A WORD OF APPRECIATION

I would be unfair if I would not let you know how much I appreciated the willing help given me by our good assistant district superintendent and the help received from the entire District Council. Their kind consideration and counsel will not soon be forgotten. I also wish to say "Thank you" to all the pastors and churches for their willing co-operation in all the district projects. With co-operation like this you are certain to make progress this coming year.

Report of the District Sunday School Secretary

To the 62nd Annual District Conference of the Michigan District, to our honored General Superintendent, Dr. Melvin H. Snyder, District Superintendent Rev. A. C. Doehring, and to all pastors, Sunday School Superintendents, delegates, and visitors.

Greetings, in the name of Jesus, our Chief Corner Stone, and the foundation upon which the True Church school is built.

I am happy to testify that my lot has fallen in pleasant places by having the privilege of serving as the District Sunday School Secretary. I can say this work has been a source of great enjoyment. I have performed these duties to the best of my ability. It has been a pleasure to work with the fine Sunday School Committee. We have tried to encourage the Sunday Schools of the District to continue in the work of increasing their attendance through a district-wide contest such as "Gushers for God," Sunday School workshops, and institutes. Yet, with all of the encouragement and the work performed the district shows a loss of 53 (1.2%) each Sunday.

This has been a busy year for me. I have traveled many miles and mailed over 2,000 pieces of mail. One branch Sunday School has been started at Gaylord, Michigan. W. L. Silvers, zone chairman and pastor at Ellsworth, and Dean Fiedler, Sunday School Superintendent, have been the leaders of this work. They have had an average attendance of 12 each Sunday for the last six months. I feel quite sure we are developing a good work at Gaylord. Let us make Gaylord a subject of prayer.

The International Conference report of the last quadrennium declares the Michigan District Sunday Schools to have had the highest numerical gain (996) of all the districts in the Pilgrim Holiness denomination and the highest percentage gain (28.8%) of all organized districts in the Pilgrim Holiness denomination. This speaks well for our district. This gives our report a positive note.

I have been your Sunday School Secretary for the past five years. These have been some of the best years of my life. The ministers and laymen are of the very highest caliber and finest spirit that you could ever find with whom to work. I have always been interested in this district since they adopted me as one of their sons. I have endeavored to be faithful in whatsoever capacity I was placed. While I have not seen the progress that I would like to have seen, yet, I am deeply grateful to God and to all of you who have co-operated with me so faithfully. I want to say a big thank you from the depths of my heart. I have requested of my district superintendent and the District Council that my name should not be considered for this office this year. I have had a feeling this past year, that there is a need for a new personality with new ideas and methods, and a deep and abiding love for this work, to be placed in this office. I feel sure that God has great things ahead for the Pilgrim Holiness Sunday Schools in the Michigan District. I am not making any recommendations for the coming year, but I pledge my prayers and co-operation to the new Sunday School Secretary and to the great work of Sunday Schools in the Michigan District.

Report of the Resolution Committee

1. Be it resolved that Standing Rule No. 16 on Page 33 be deleted from Standing Rules of Conference Minutes.

2. Be it resolved that Standing Rule No. 20 on Page 35 be changed to read as follows:

The election of officers shall be in the first item of business on Friday morning of Conference.

3. Ruled out of order.

4. Inasmuch as the resolutions presented to the Conference tend to affect the progress and government of the entire district;

And inasmuch as the manner of presenting the resolutions to the Conference (by reading only) does not give this body time to study and properly evaluate them;

And inasmuch as waiting until Conference time to formulate resolutions has contributed to poor and hasty legislation on which has proven, in some instances, to be in direct opposition to the desires and for the good of the Conference;

Therefore be it resolved that hereafter the Resolutions Committee, the Ways and Means Committee, the Camp Planning Committee, and all other committees appointed by the Conference for the purpose of presenting a resolution to the next Conference meet at least sixty days before Conference time for the purpose of preparing resolutions for the annual district conference.

Be it further resolved that all resolutions be in the hands of the respective committees by May 15th., and any resolutions received after this date shall not be considered by the committees.

Be it further recommended that the above named committees mail copies of the resolutions as they are to be presented to the Conference to the ministers and lay delegates by July 1.

5. Referred to Ways and Means Committee.

6. Referred to the General Board for interpretation.

7. Whereas it was on an interim agreement in the Ministerial Convention, that the termination of the pastor's duties be the week following the last Sunday of Camp-Meeting,

Be it resolved that Standing Rule No. 38, Page 37, of the Conference Journal be deleted, and that future pastoral changes and moves be done according to the provisions in the Manual that covers same.

8. Lost.

9. Be it resolved that a standing vote of thanks be given to the General Superintendent, Dr. Melvin Snyder, for his splendid leadership in our Conference.

Be it resolved that a vote of thanks be given to the camp board for their work.

Camp Planning and Promotional Committee Resolutions

1. Be it resolved that the Hopkins Campgrounds be developed according to the following plan:

The map presented by the planning committee shall be accepted as the master plan for camp development.

Lots shall be made available immediately to persons and churches for the purpose of building cottages. Lots in the trailer area shall be available for lease as soon as developed. A lease agreement formulated by the planning committee and approved by the District Council shall be used in leasing lots. Lots shall be leased at \$25.00 each.

Each annual Conference shall decide the development project for the ensuing year. Recommendations shall be made to the Conference annually by the planning committee.

2. This year's project shall be the continued construction of rest room and facilities.

A special offering and pledges for this project shall be received during one of the camp services this year. We also suggest that a special offering for this project be received in each church this year.

We encourage the ministers and churches who are interested in building motel units on a united plan to contact the chairman of the planning committee.

Resolutions of the Ways and Means Committee

1. Lost.

2. Lost.

3. Lost.

4. Ruled out of order because it invades the local church board province.

5. Whereas, direct contact between the District and local church boards would be instrumental in making local churches more conscious of District activities and needs, and

Whereas, in many instances a direct contract would encourage local churches in the raising of the United Stewardship Fund and District Budget and in caring for the needs of the Pastor in accordance with the provisions of the Manual and our District Conference Minutes,

Be it therefore resolved;

That the District Superintendent shall meet with each local board at least once annually, to discuss specifically the importance of the United Stewardship Fund and the District Budget. He also shall discuss the needs of the Pastor, relative to salary, along with the provisions specified in our Manual

and District Conference Minutes concerning Parsonage and Utilities, Hospitalization, Pension Plan and Car Allowance.

This meeting shall be arranged only with the knowledge of and full concurrence of the Pastor.

Be it Further Resolved:

That the District Treasurer write two letters annually, one in the first quarter of the year and one in the fourth, to the Secretary of each local church, relative to the payment of the United Stewardship Fund and Conference Budget and indicating the status of that Church.

6. Inasmuch as the annual financial report indicates deficits in two Conference funds, namely Camp and Conference Fund and General Conference Fund, and,

Inasmuch as the reports for the past several years show need in both of these funds,

Be it therefore resolved; that the following action be taken by this Conference:

In order to take care of the deficit in the Camp and Conference Fund, which, including specified funds, amounts to approximately \$3,000, a Camp and Conference deficit fund shall be included in the Conference Budget. The amount shall be \$.50 per member. This fund shall continue until the deficit is eliminated.

The General Conference portion of the budget shall be increased to \$.40 per member.

7. Be it resolved; that Standing Rule No. 37 on Page 37 of the Conference Minutes be amended to read as follows:

The Pilgrim Holiness Churches of the Michigan District shall enroll their pastors and families in the group hospitalization plan that is in effect in the Michigan Conference.

Failure to pay premiums for a period of two months shall cancel Insurance Coverage. A letter shall be sent to the pastor before the insurance expires.

8. Whereas the last General Conference has removed the world Mission Department from participation in the United Stewardship Fund, and as a consequence a more extensive program of deputational work and solicitation will be inaugurated,

And whereas the Manual provides for the departments, namely World Missions, Educational and Sunday Schools to come annually to our camp and churches to represent their interests, and whereas the Church Extension Department can come to a church upon invitation,

And whereas we as a Conference have no stated policy as to how these funds shall be raised in our Camp and Churches,

Therefore be it resolved that the manner of receiving this offering shall be left to the discretion of the Church Board.

9. Whereas the month of May has been set aside throughout the Pilgrim Holiness Church as Education Month with a special educational issue of the Pilgrim Holiness Advocate and additional publicity and promotion by our Pilgrim Colleges designating a certain Sunday in May as College Sunday, and,

Whereas in the state of Michigan many of our Pilgrim Holiness Churches did not contribute in an offering for Owosso College during the past year, therefore, be it resolved, that the Sunday following Mother's Day in the

Michigan District be designated as Owosso College Day, and on this day a special offering will be taken for the College with a goal set for a dollar a member.

10. Whereas a pastor's car expense constitutes one of his major financial burdens, and is often not provided for in his regular salary, and, Whereas a pastor's car is a necessity to the efficiency of his ministry,

Be it resolved: that this Conference recommend to the Churches of our District that each Church provide a car allowance for its Pastor.

11. Inasmuch as the Conference adopted Resolution No. 5 of the Ways and Means Committee, which will result in a large percentage of the Budget and Administrative Fund being paid, if its purpose is realized, and,

Inasmuch as the payment of the present Conference Budget as given in Standing Rule No. 23, and the Administrative Fund as given in Paragraph 1 of Standing Rule No. 25, would provide adequate finances for the Administration Fund, and,

Whereas payment of the tithes of all ministers, licensed and ordained, into their own local church treasuries would aid the local churches in paying their budgets and Administrative Fund, and would also help the ministers to be a good example in obeying the Biblical instruction in Malachi 3:10 to "Bring ye all the tithes into the store-house,"

Therefore be it resolved: that Paragraph No. 2 and No. 3 of Standing Rule No. 25 on Page 35 of the Conference Minutes be deleted.

**CHURCH EXTENSION FELLOWSHIP OF THE
PILGRIM HOLINESS CHURCH, MICHIGAN CONFERENCE**

Holding the conviction that God would have us further the cause of Christ by establishing new churches within our conference borders, I subscribe to the following:

(a) I will pray for the leading of the Lord in the work of the Church Extension Board.

(b) I will be alert for any possibilities of new churches and will inform the Board.

(c) I recognize that the first financial obligations in the opening of a new work are the most difficult to meet, and will therefore be responsible for two units, (\$5. per unit), to total \$10.00 for the Church Extension Fellowship.

(d) I assume this obligation for not more than two new works in any one conference year. Said works to be approved by the Church Extension Board.

The Pilgrim Holiness Church
Michigan Conference

I have examined the cash receipts and disbursements of the following books of the Michigan Conference of the Pilgrim Holiness Church:

The Michigan Conference
The Michigan Conference Sunday Schools
The Michigan District Missionary Societies

My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion the accompanying reports present fairly the cash receipts and disbursements and cash position of the above listed books at dates shown on the individual reports.

Youth President's Report

Reverend Marshall and delegates of the Eighth Annual Youth Conference of the Michigan District of the Pilgrim Holiness Church:
Greetings in the name of Christ !

This year has so rapidly passed, and we find ourselves gathered again in this conference to do business for God and the Youth of our District. How wonderful it has been to work together in this great branch of our church. Our young people are among the finest to be found anywhere, and it has given me a great deal of satisfaction to work with and represent them through out our District.

I wish to express my deep appreciation to, Rev. A. C. Doehring, and the District Council, for their whole hearted support of the Youth program.

It has been a pleasure to work with the very able Youth Council. They have done a very fine job and have assisted me in every way. To each of you, our youth leaders and pastors, you have made my job much easier by your fine cooperation.

In September I was privileged to attend the General Youth Leader's Conference in Allentown, Penn. Under the leadership of Rev. Abbott plans were laid for the general Youth program. This program was launched in our district during National Youth Week.

The great "Michigan Youth in Action Day" at Owosso College again had several hundred in attendance. This rally has proven to be an outstanding event in the program of our Church College. Many of our youth who were guests of the college are now enrolled as students.

Our Youth Camp was a wonderful experience to me and all who worked with the Youth in this camp. There was a harmony between the counselors and campers that was commendable. Every one of the Youth came forward on the last evening showing they had received spiritual help in the camp. We believe that about "75" of the Young people received a definite experience with the Lord in this Camp. Praise God !

Our age limit was reduced to 11 years which worked out very well. Many

from this age group attended and adjusted with the group as well if not better than some of our older Youth. We thank our Heavenly Father for His protection and blessings which were ours during this wonderful week of camp.

Our District Youth Project was to erect four squad units on the hill. This was a great undertaking for one year but God has blessed our labors together. They have all been completed and are ready for camp. We were in great need of these units to help in our Youth Program at the Annual Camp Meeting.

We have sold Higgins Lake property for \$5,000 cash thanks to Bro. Silvers and his committee.

I have felt a tremendous challenge to serve our church in the office of District Youth Director this past year, and believe that Pilgrim Youth have the energy, strength, and holy optimism that is needed to move our Church forward in the coming years.
