The following report was read by the District Superintendent: To the 36th District Assembly convening at Owosso, August 17th, 1936: Greetings:

Dear Brethren: We have many reasons to praise God as we assemble together once more. God's blessings have been multiplied and all have been happy recipients of His grace With David of old we may well say "His praise shall be continually in my mouth." Our lives have been spared, we enjoy a reasonable degree of health, we have witnessed His keeping power and as a "Father pitieth his children" so He has pitied us. Amen!

During the past year we have suffered the loss of our esteemed District Superintendent, Brother Frink, who has given the district several years of service as Superintendent and pastor. How we miss the good soldiers from our ranks. His kindly face and council is missed by us all.

Also during the past year the hand of affliction has rested upon two of our pastors, but the Lord has had pity and we hope for a speedy and complete recovery for them. How we need to pray for each other. We would not forget the patient endurance of several of our pastors' wives who have been ill, nor the lay members' homes where death has come. Several good and prominent pilgrims have gone home to be "robed in white" during the past year. This joy and sorrow, health and sickness, blessing and adversity has been our lot, and in the midst of all this God has been with us; has helped us and sustained the faith of His children. What a glorious Savior we have.

When the district burdens were so suddenly thrust upon your servant we felt like a little boy in a small boat without oars in the midst of a troubled sea. We scarcely knew what to do nor how to do the work but our brethren have been patient and kind, and this co-operation and council has been much appreciated by me. We surely have a noble company of preachers. It is a delight to labor with them

During the past few months many needs have presented themselves to us while traveling the district. Of course it is much easier to see the ills than to cure them. Circumstances and the wills of people do not easily bend to new methods and as "cure alls" have so often failed one hesitates to give counsel. Nevertheless, we would like to call attention to a few things I think worthy of careful consideration by the Assembly.

We have discovered so many small and weak churches in the district, which, unless given some help will eventually "dwindle" to a mere nothing. They are living, said one, "at a dying rate." We have put in time and money. Some places the property is ours, yet the class so small, progress is nil. Could not an Evangelistic party of, say, three young people, be sent there for revivals, and thus lend help and inspiration?

Then also, we need stricter supervision in building churches. Too many are built below par as far as appearance is concerned. Could not a more satisfactory way be found of transferring preachers in the district who wish to move?

We believe our Sunday School work would improve by having a day in connection with our Ministerial Convention for the purpose of discussion and plans to perfect this department of our church activities.

Also since our District Council are the only ones closely connected with district financial affairs, would it not be wise that the three advisory members of the same be a permanent Ways and Means Committee?

May the Lord add his blegsings to our efforts to glorify our Savior and advance His Kingdom.

Yours in Christ, W. H. Joppie.

It was moved and seconded that the report of the District Superintendent be accepted and spread on the records of this assembly.

The following resolution was submitted by the Resolutions Committee: "Inasmuch as Michigan District has two tents fully paid for: Be it resolved that this district through our District Council select two evangelists for each tent and place them in new or needy fields. These evangelists to be paid from home missionary funds." It was moved and supported that the resolution be adopted. An amending motion prevailed to provide that these tents and furniture be at the Camp Grounds of Bible Holiness Seminary during the time of the Annual Camp meeting and Assembly.

MISSIONARY

Loew, Mary J. Rees Memorial Mission Station, Pemba, Northern Rhodesia, Africa. (Report for 2 years from Feb., 1934 to Feb., 1936). Services held 258. Sermons preached 242. Seekers 453. Average attendance at meetings 71. School taught 14 months.

"Wait on the Lord, and keep his way, and he shall exalt thee to inherit the land" were God's words of promise and were fulfilled a little over two years ago.

Today, located in the bush country of Northern Rhodesia, stands Rees Memorial Mission Station, the beginning of what we trust will be a continual Spirit filled light house.

This past year the new brick church was completed and dedicated to God. Souls have been won for Christ. The native training school has had a good start.

By the grace of God we push forward, eager to win darkened hearts to the glorious liberty in Christ Jesus. —M. J. L.
