In Memoriam

Mrs. Cora (Van Gelderen) Polmonteer was born April 5, 1888. She was married to Iwen N. Polmonteer on April 5, 1916. Having accepted Christ as her Saviour in February of 1928 she served him until her homegoing, February 1st, 1946. She lived a life of deep piety, and desiring the will of God, she was a faithful co-laborer with her husband who pastored our church at Rockford, Michigan for six years.

During her last three weeks of illness she was very patient, resting quietly in God and abiding His time. Her testimonies rang true. She would say, "Christ means so much to me", "He is so wonderful".

Shortly before slipping away, her husband heard her say, "Jesus, I am going to keep on loving you."

Her departure is keenly felt by all who knew her.

Truly we may say with Charles Wesley,

"Servant of God, well done;
Thy glorious warfare's past;
The battle is fought, the race is won,
And thou art crowned at last."

DISTRICT SUPERINTENDENT'S REPORT

To the Forty-sixth Annual Conference of the Michigan
District of the Pilgrim Holiness Church

Greetings:

Shall we pause this morning to magnify the God of our salvation, exalt the name of His dear Son, Jesus Christ, and honor the blessed Holy Spirit. We shall do well to join with the Psalmist and declare, "I will bless the Lord at all times: his praise shall continually be in my mouth. Rejoice in the Lord, O ye righteous: for praise is comely for the upright. O clap your hands, all ye people; shout unto God with the voice of triumph. Great is the Lord, and greatly to be praised in the city of our God, in the mountain of His Holiness. God is our refuge and strength, a very present help in trouble." It is through His grave and divine providence that we have met this morning to confer on business in the interest of God's Kingdom and the Church. As certainly as we have had the help of God in the past we can expect to have his aid and blessing in this conference.

The past year has been a time of blessing and divine leadership in the midst of battles and problems, and for these blessings we all rejoice. It is true that the war ended as far as shot and shell is concerned, but this did not silence the devil and his forces of evil; they are still arrayed against the people of God, but by the grace of God our people have overcome and are forging ahead.

We regret the loss of the wife of Rev. I. N. Polmonteer. Mrs. Polmonteer was a patient sufferer and after months of suffering God saw best to take her to everlasting bliss where there is no suffering.

Our Churches: It is interesting to note the spirit of progress the churches are manifesting. It is clear there is a spirit of earnestness demonstrated by the laity over the entire district. Some may be dropping out, but others are coming to our ranks filling this gap, and are helping push the work of the Lord. Despite the decline in religious activities in many sections, the work in this district is showing a growing interest in every department. The interest in the Sunday School activities has grown until the work in this department is of outstanding note in the state and with this growing interest we have not yet reached the top.

Improvements have been made on much of the church property over the district. The church at Bellaire, under the leadership of Rev. G. V. Skinner, saw the need for a new parsonage and as a result of their interest and labor have a beautiful parsonage. Rev. Miss Ila Bruce and her noble people at Traverse City, with a vision and a mind to work have launched a new project at Traverse Heights and are now in the work of constructing a new church building in this new subdivision of the city. Rev. L. R. Neff of the Elm Park Church, Flint, and his good people, would have constructed a new church building if materials had been available. The church in Owosso have purchased a new location and they are planning to build a new church in the near future. Honorable mention could be made of all churches if time would permit. One outstanding thing is evident—the churches of the district are on the move forward.

Our Ministers: I am happy to say that my personal feeling of our ministers is that they rank high in the ministerial field. The messages given out by the pastors and evangelists of the Michigan district give evidence of an intelligent effort to make their ministry and message effective. Our pastors are not only proving their sterling worth by their scriptural and intelligent messages given from time to time, but they are also proving their worth by their able leadership in every problem which faces the church. The Michigan district is blessed and favored with ministers of merit that have the courage of Joshua and the faith of Paul. With a staff of leaders as we have, the future is promising.

Our Newly Organized Churches: God has favored the district with eight newly organized churches this year. All these were not started

this year, but this year they developed to the place where they were ready to enter the church. Iron Mountain which was opened as a new project two years ago, organized with twenty-two members, of which seventeen were charter members. This field is a very promising field and opens an entirely new section to the Pilgrim Holiness Church. They have just closed a very gracious meeting lately where God wonderfully blessed in giving salvation to many. The closing service of this meeting was a time of salvation with fourteen seekers at the altar of prayer. We are praying that out of this meeting will come the establishing of a Camp meeting for this northern section. The work at Frankfort was organized this year into a promising church. Charles Jones is the pastor and is doing a good work. Luther, a new section to our church, was opened this year by Rev. Clifford Morgan moving into this community. This work was organized into a Pilgrim Holiness Church with a goodly number of members and this place like the others holds a promising future for our church. These people owned a neat church building and a comfortable parsonage. This is the second church Rev. Morgan has brought to our district in five years. Hope, a lovely rural section in the northern end of Midland county, invited the Pilgrims into their community and expressed a desire to be affiliated with us. On our first visit there we found a very creditable group of people who really loved God. They were ready to organize soon after our first meeting with them, and in August, 1945 they organized with a group that is a credit to any district. These people constructed a beautiful cinder block church which is attractive and they have plans to build a parsonage as soon as material is available. Rev. A. W. Lacey is the pastor and is doing a work which will stand until Jesus comes. Saginaw was organized this year. Saginaw is an industrial city and is large enough for several strong Holiness churches. Our work is located on Mershan street in a good residential district. Rev. John Bare, formerly of Flint, is the pastor and is doing a splendid work. This is a good field and the church should be self-supporting in a short time. Willow Run was organized this year. We suffered some reverses there when the bomber plant closed, due to the ending of the war, but conditions are looking brighter and our work ought soon to be in a stronger condition. Rev. and Mrs. Diller have been pastoring here for some time but feel they should move this year. Morrice is another work opened to the church. Mr. Guy Jones opened the work there and soon had a group large enough to organize a Pilgrim Holiness Church. Mr. Jones had to leave the work here due to the illness and death of his wife. Clio, a new work to the district, also organized into a Pilgrim Holiness Church, with fourteen charter members. This work is as promising as any that ever came to the church. These people are leaders and have their hearts and interest in a good spiritual work. At present they are in the process of erecting a portable tabernacle to worship in. After Rev. Doehring of Flint held several prayer meetings there, the Home Missionary Department of Bible Holiness Seminary took the work over as a project of the school, and placed it under the supervision of Rev. Cockman. It soon grew and developed to the place of organization. This church is already self-supporting and they are planning a strong program for the future.

Our Future: Michigan is a great state! With her network of beautiful highways the most remote places can easily be reached by automobile. With her winding streams, wooded acres, towering hills studded with evergreens, with her more than seven thousand inland lakes, plus the Great Lakes, which all but surround her; the loping deer, the shining black bear and the roving wolves all add to her natural beauty. Her people are noble, thrifty and aggressive. The people of this state have opened and developed her natural resources until she has become one of the leading industrial sections of this great United States of America. With all of this she affords one of the greatest opportunities to the expansion of the church. We thank God today for sixty organized churches in Michigan but there is room

for five times that many. Whole sections of agricultural importance, of mining interest, and resort developments are places where new work could be established. The state is planning to develop waste sections of the Upper Peninsula, which will mean that thousands of people will move into these areas. Many of these people are unchurched but can be reached if the proper effort was to be made. A business man wrote one of our ministers saying he did not understand why the church neglected the Upper Peninsula with her open door. Shall we step in while the door is open? It is a challenge. Shall we meet it? I say we can, and I believe we will by the leadership of the Holy Spirit. It will mean sacrifice and a very laborious effort, but we have ministers who are interested and anxious to move forward for God, laymen who have a vision and willingness to labor for God till the sun sets for the last time at the close of life's day. What greater satisfaction could the people of the Michigan district have than to hear the shouts of victory from new converts as a result of a little extra effort to reach these neglected people? What we own here will end with life but what we do for God is everlasting. Let us seek to gain that which is everlasting; "Let us draw near with a true heart in full assurance of faith."

My Personal Appreciation: Having felt for several months that God would permit me to do so, I am closing my work as district superintendent at this conference. I wish to express my deep appreciation to my ministerial brethren and laymen for their kind support and cooperation in the work of the Lord during these seven years of labor in the district work. When I was elected superintendent I followed a man of strong Christian character, a man whose life was an example, I had nothing to fear in following this man, no wounds to heal, no trouble to straighten out. The district was ready to move forward. I have had great kindness shown me and in many cases the load was made lighter by kind words or a helping hand from my brethren of the district. I have been surrounded by a Council which has bent every effort to aid me in my work. The men of this Council have been kind and very charitable and I have always felt secure when I turned to them for help. The committee on church extension work has always been ready to cooperate and every time we met I had a deeper appreciation for them. It has also been a pleasure to be affiliated in a small way with the Seminary. I have found the instructors ready to cooperate in every project of the district and the students always showed a willingness to do their part. When the church took me in thirty-three years ago I had a deep feeling of appreciation and it has been a pleasure to labor for the church these years. I have a heart feeling of gratitude to the Michigan District of the Pilgrim Holiness Church. The church does not owe me any thing but I have debts to pay to the church of my choice, the Pilgrim Holiness Church, for the favors given me in these thirty-three years. I am stepping down but I shall always be found ready to do any work I am asked to do—however small. My prayer is that God will bless you and advance the work of the district in every department. Sincerely yours in the deepest interest, I submit the following report:
