## REPORT TO CONFERENCE - 1949

To the forty-ninth annual conference of the Michigan District of the Pilgrim Holiness Church:

Greetings to you in the name of him who lifted us from the pit of despair and sin, to an honored place in the company of the redeemed. At the close of a glorious and fruitful camp-meeting, all of us have gratitude and praise springing heavenward from our hearts. With each

passing year this annual gathering becomes more sacred to us. During this conference, we not only want to do business, but also we want to keep an attitude of heart and mind that will be conducive to times of blessing. Furthermore, of all times when we need the direction of the Spirit, we need it now. May none of us allow our prejudices or pre-conceived notions hinder or spoil the operation of the Holy Spirit in our midst.

May I take this opportunity to commend the ministry and membership of our Conference. Your fellowship is reflective of the real spirit of Christ, your sacrifices have made it possible for us to go beyond the normal, your prayers have solved impossible problems, and your devotion to Christ and the church stands out gloriously in a skeptical generation.

We live in an unspiritual age, when all that is in the world, is against Godliness and deep piety. However our church is recognized as a spiritual church. Let us not only strive to keep it so, but do all we can to advance in things spiritual. We must not tolerate in our midst the things that have brought on the downfall of others. Rather—let us keep our church clean from sin, purged from worldly idealisms, separated from the cursed materialism of our times, with a burning passion for a lost world and a deep devotion to Christ that is totally untinged by sham or hypocrisy.

The year that has so rapidly passed has had its problems, but has been fraught with the blessings of God. The church at Sault Ste. Marie suffered a major loss by fire. However, Reverend E. C. Swanson and his people are "digging out" of the ruins and will soon have a better building than before. For the third straight year we have made gains in every department of our Conference. Forty of our Sunday Schools have made gains in attendance. Outstanding among these again this year is the Muskegon Sunday School, Reverend D. F. Price the Pastor. Their gains have been consistent and large. The young people's department has shown a good gain again this year. Also, forty of our churches have shown a gain in membership. May God bless these churches and Pastors. Let us all strive to gain in every segment of our church next year.

The following material gains have been made this year:

Detroit First—G. E. Stace, Pastor; Practically completed construction of a forty by eighty church building.

Battle Creek—W. N. Miller, Pastor; Began construction of a church building that is fifty-eight by one hundred.

Monroe—Reverend J. A. Hiatt, Pastor; Began construction of a large new church building. These three churches are large, fire-proof structures that should more or less set the pattern for many of our churches.

Clio—Reverend W. L. Silvers, Pastor; Completed erection of a church building and converted original building into a parsonage.

Frankfort—Reverend J. L. Cliff; Completed a lovely new church building.

Flint Second—Reverend R. K. Ballard, Pastor; Began construction of a new parsonage.

Flint Pasadena Avenue—Reverend Russell Barkman, Pastor; Purchased an excellently located, corner lot for the purpose of erecting a church building.

Hope—Reverend A. W. Lacey, Pastor; Constructing a nice parsonage. Iron Mountain—F. L. Fairchild, Pastor; Re-modeled present building, into a nice auditorium as well as living quarters.

Newberry—Reverend Lloyd Walker, Pastor; Modernizing the parsonage.

Traverse Heights—Reverend C. B. Greenman, Pastor; Erecting a beautiful new parsonage.

Kingston—Reverend H. C. Rickner, Pastor; Constructing a Sunday School unit in church basement.

Wayne—Reverend C. G. Denniston, Pastor; Purchased a well-located church building.

In our church extension department we have launched a total of six new projects in practically every section of the state. It is hoped that

those who have not already done so, will soon become full-fledged Pilgrim Holiness churches. There have been four new churches organized this year as follows: Early last fall the people in the Baptist church at Kingston, voted unanimously to unite with the Pilgrim Holiness Church. They were subsequently organized with twenty-four charter members. The Rickner brothers have successfully labored in this field. Reverend C. G. Denniston has blasted out a new church in Wayne, Michigan, which has been organized with eight charter members. The District made a small loan to these people and it was re-paid within a matter of months. The church at Houghton Heights has developed to a place where it was organized with sixteen charter members. This great field presents a challenge to its Pastor, Reverend John Maes, who is successfully laboring there. Just a few weeks ago the Pasadena Avenue church in Flint was organized with eleven charter members. Reverend Russell Barkman has led the way here and is working long and hard to successfully meet this challenge. All of these churches are well located and composed of good, clean spiritual people that are a credit to our church. The Pastors and delegates are ready to respond to the call of the chair, to have these churches received into our Conference.

Many of our churches have had good revivals this year. Showers of blessings still fall on Pilgrims and good progress is being made. The church at Newberry is going forward on every line in an unprecedented way. Reverend Lloyd Walker is leading the way in an aggressive movement that promises much for the future of that church. Under the leadership of the Reverend W. D. Phillips, the church at Alma is making substantial progress. The same could be said of the church at North Branch, where Reverend A. F. Osborn labors effectually. Honorable mention could be made of most of our churches and Pastors for their courageous efforts in seeking the lost. May God richly bless you one and all.

This Conference should not only be a time to report our various successes, but also it should be a time to look squarely at our problems and pass legislation that will aid us to solve them, making it possible for us to go forward as we have never done before. With this in mind your attention is now being called to the fifteen point program that I presented to the Ministerial Convention. It is my earnest desire that this Conference will enact the legislation that is needed in order for us to better meet the challenge of our day.

That which follows is my personal report:
