First Sitting

The first sitting of the 60th Annual Michigan Conference of the Pilgrim Holiness Church convened at 9:00 a. m., August 4, 1960 at the District Camp Grounds, Hopkins, Michigan.

District Superintendent Report To Conference

To our General Superintendent, Dr. R. G. Flexon, fellow ministers, delegates and friends. We give praise to the God of all mercies who has enabled us to gather together in this 60th Conference of this great District.

While we are enjoying Christian fellowship with each other, the news of the world is constantly reminding us of the devastating and tragic night of sin that is pressing in upon us. It is true we cannot deal with nor settle the affairs of the world in this Conference, but we can and we must deal with such things that will enhance our efforts and inspire us in winning souls for God.

In our work for the Master, as we face the powers of darkness, it may seem at times as if the words of Christ are literally fulfilled, when He said, "I send you forth as lambs among wolves." It is therefore not only necessary for us in this conference to set new goals, but if we are to successfully carry forth our commission in the face of the world's turmoil and the world's fears, we must bend every effort to be fully cemented together in Unity of Purpose, Unity of Effort, and Unity in Scriptural Standards Any thing less than this will only tend to bring confusion in our ranks, and nullify our efforts to win souls for Christ.

In these days when we hear so much about compromising and worldliness, and I know we stand in no small danger of both, I am more afraid of becoming legalistic and staid and drifting into a complacent attitude in the midst of the needy souls around us and the many opportunities we have to work for Christ. We need not fear of being set adrift on the sea of confusion, midst clammering voices and contrary winds, if we adhere to and faithfully execute the Great Motto of our Church, "In Essentials Unity, In Non-Essentials Liberty, and In All Things Charity."

Midst the versatile business that will be placed before this Conference, which will demand our full attention and clear thinking, may it all tend to keep before us the eternal value of a soul, and to hear more specifically the words of the Master, "Go ye into all the world and preach the Gospel", reminding us afresh of our great responsibility to this generation, even in the face of a darkening world.

Improvements Among The Churches

It is with pleasure I bring to you the report of the building and remodeling program made by the churches.

Owosso finished and dedicated their large new educational unit.

Grand Rapids, now Berkley Hills, built and are occupying their fine new church in a residential community.

Lansing First is occupying and have dedicated their new church located in a beautiful residential district. They have also purchased a lot 80 x 186 feet adjacent to the church for parking facilities.

The fine new church at Burnips is in use. They dismantled the old one and used much of the material in their educational unit, which is as yet not fully finished on the inside.

Kalamazoo is making good progress in their new location having purchased a church building in Parchment.

Battle Creek First is completing the large educational unit added to its church.

The Church at Frankfort burned, and they are building a new church which is nearly finished.

Lansing Emmanuel built a new parsonage, and dug the basement for a new church.

After long planning the good people at Hastings have started to build their new church.

Merrill remodeled and dedicated their Youth Activity Center.

Lansing Grace moved in a parsonage, and added a new unit to their church.

Almira is planning to add a new addition to their parsonage.

Midland Grace added a large room on their parsonage and also built a garage.

Scottville has made improvements on their church.

Our new church at Wyoming City has had a constant growth both in Sunday School attendance and Church membership. They are now worshipping in a new school building but they are making plans to build.

These many improvements and buildings have increased the valuation of property in our district several hundred thousands dollars.

District Achievements

This report is not in the spectacular but we thank God that for years we have had a steady growth in membership, Sunday school attendance, and in every department of the church. The report reveals the membership gain of 6% and the Sunday School gain of 6.3%. A full report will be received from the statistician and the respective secretaries. Two branch Sunday Schools have been started, one in Polaski and the other in Mason. The one in Polaski closed for the lack of community co-operation. The one at Mason has developed into a Pilgrim Mission. Several other places seem to have possibilities for a Pilgrim Church. I trust the Church Extension Committee will make a survey of these as soon as possible after the conference.

Youth Society

The Michigan Youth purchased two hundred dollars, (\$200.00) worth of mattresses for the youth dorms. I am sure the youth camping on the grounds will appreciate this gift. We as a council deeply appreciate it. The Youth also had the largest and best organized youth camp we have had. Their great need is for two or more one week camps, divided in age limits, so better instruction and supervision can be given. As the number of youth increase in the district the demands for larger and better facilities will increase.

Missionary Society

The Missionary societies have continued to make fine contributions to help fill some of the needs of the camp. They supplied silverware and chairs for the dining hall, curtains and shades for the dorms, dining hall and workers cottage, carpet runners for the alter in the tabernacle, and paint for the workers cottage. Thanks to the societies, and to the committee for directing this work.

Pastoral Changes

It might be a note of interest to you to have this report. Rev. Kessor moved to Jackson, and Rev. Kraatz to Breckenridge. Rev. Ford accepted Lansing Grace, and Rev. Randall accepted Elmira. Rev. Watkins moved to Cheboygan and Rev. Ranson to Lutz Corners. Rev. Mitchell is at Midland Grace, Rev. Jackson at Crystal and Rev. Estle Engle has accepted Newberry. We bid each one God's best as they take up their work in their new fields of labor.

A Note Of Encouragement

While the salary of some of our pastors is still small and some pitifully small, it will be encouraging to you to know that thirteen pastors have received increases in salary the past Conference year. May God hasten the day when every pastor will have a good livable wage.

A Few Suggestions

Since much of the advance we have made as a church today is among the youth. In our planning with them and for them, I suggest that the youth hold their conference before, instead of after the District Conference. This would make it possible for them to immediately place before the District Conference any thing on which they desired the district's approval.

I further suggest that since we must do all we can to tie our youth to our district, we make provisions to enlarge the needed facilities so proper supervision can be given the young people during the camp—via more housing, a recreational field, and a center recreational pavilion. It may just be possible that some delegate here would like to pledge his church for one of the projects, or two churches unite to see that this great need is supplied for the youth. If so the project could be named after the church or churches.

I would like to further suggest that a committee be appointed to make a survey of all our smaller churches to see if assistance can be given them to expedite their growth, in organizing or re-organizing the program of their church, or even in some financial aid if necessary. I feel it is as important for our smaller churches to grow and become strengthened, as it is to start new churches.

In my visits to the churches I discovered a need for having blue prints or pencil sketches of parsonages and churches in the medium price range available. This is true especially among the churches with limited finance. I suggest that we as a conference petition the general church to make such available, or if they cannot, then we as a district proceed to fill this need.

A Word Of Appreciation

I deeply appreciate the help and counsel I received from my good assistant Rev. Kotesky, and the loyal assistance from the district council. It is a pleasure, even in the midst of difficult problems, to work with men who love God and have a deep interest in every phase of the district. We also say "Thank You" to every pastor and his wife and the members of the churches for showing us every kindness and bestowing upon us every consideration possible. May God supply you with His rich grace and His presence in every hour of need.

A. C. Doebling,

District Superintendent

Report Of The District Sunday School Secretary

To our honored General Superintendent, Dr. R. G. Flexon, and our District Superintendent, Rev. A. C. Doehring, and to the members of this 60th Annual Conference of the Michigan District.

I am very grateful to have a little part in this great Sunday School work that is being carried on by the entire church. I love our church and appreciate its doctrines and standards. I appreciate the leadership of our superintendents and all of our general officers. It has been a great pleasure to work with Brother Doehring, our District Superintendent, these three years. He has been a great blessings to me and we have had wonderful fellowship these years as we have worked together. It has also been a pleasure to work with our entire Sunday School Committee. They have each one co-operated in carrying on the Sunday School work. All have been ready and willing at all times to accept any assignment they have been asked to perform. Each of our five zone chairman have co-operated with the district committee.

Our tour this year was one of the best we have had in these three years. The district committee presented this program in all five zones:

1. Promotion of attendance.
2. Promotion of publicity.
3. Promotion of finance.

This was well attended in all zones. The comments of pastors, Sunday school superintendents, teachers, and Sunday school workers, were: "Wonderful," "This is what we need," "There is something here for every Sunday school," "This is what we have been waiting for." God has blessed the district Sunday school work this year. The Capitol zone has started a branch Sunday School in the lovely city of Mason, twelve miles south of Lansing. At this time they are having Sunday School in the home of Brother and Sister Vern Walker. Rev. T. H. Meyers, who is a member of my church in Lansing, is over-seeing this work. The prospects are good and they are looking for a place to rent or buy. Pray much for them.

Let us not forget the resolutions no. 1 - 2, that were passed in our 1958 conference. The primary objective of this Sunday school organization plan is four-fold:

1. To bring about a closer relationship between the local Sunday School and the district Sunday School program.
2. To promote growth in the local Sunday School.
3. To promote closer co-operation of the Sunday School in the zones.
4. To encourage zone participation in starting branch Sunday Schools.

The co-operation of the Sunday Schools has been wonderful. All forty-one schools have complete reports (except Fayette, no report since June 1957). Twenty-two Sunday schools showed gains, eighteen schools showed losses, one was even. Numerical gain per Sunday was 275. Percentage gain per Sunday was 6.3%. Our average weekly attendance this year was 4,169 over last years average of 3,894. Sunday schools of the year:

Largest school	Battle Creek First	435
Highest numerical gain	Owosso	58
Highest percentage gain	Munising	35.2%
The following is my personal report:		
Sunday School Committee Meetings		3

Sunday School Institutes	5
Branch Sunday Schools	5
Sunday School Workers Briefing (Indianapolis, Indd.)	1
Miles Traveled	2,181

I submit the following suggestions for the district Sunday Schools:

1. That each Sunday School co-operate with General Church Sunday school program of actually participating in the Standard of Excellency.

2. That each school make a gain of at least 25 per cent in total enrollment this year.

3. That a cradle roll be maintained in each school equal to at least 15 per cent of the total enrollment.

4. To win more families — secure or renew pledges from at least 50 per cent of the active enrollment to try to win a family this year.

5. To evangelize with D.V.B.S. and each Sunday school promote one in its church this year.

6. To reach more through visitation — make calls equal to ten times the total enrollment.

7. That specific places be found where efforts could be made to organize a branch Sunday school.

8. That all Sunday schools supply each teacher and officer with an individual copy of the Sunday School Advance.

9. That all Sunday schools conduct regular workers meetings.

10. That each Sunday School send their school Superintendent and a delegation to the District Sunday School Rally each year at the Pilgrim Holiness Camp at Hopkins.

11. That pastors, and Superintendents of each zone meet once every three months to discuss problems and new ideas for Sunday Schools.

12. That each church, wherever possible, sponsor at least one branch. Sunday school during the year taking into consideration both colored and white people.

Respectfully submitted,

Cebert L. Walker

Michigan Conference Resolutions

1. Whereas the ministers of the Michigan District of the Pilgrim Holiness Church are the spiritual leaders of the flock, and whereas all ministers should be examples of spirituality and prayfulness during the camp meeting, and whereas the prayerful and faithful cooperation of the ministers adds much to the spiritual success of the Camp Meeting, therefore be it resolved that all actively engaged ministers of the Michigan District of the Pilgrim Holiness Church be urged to sit on the platform during the evening services only. Be it further resolved that a time and place be designated in the camp schedule for a daily ministers prayer

meeting in addition to the regular morning prayer service and that all ministers of the Michigan District of the Pilgrim Holiness Church be expected to attend this prayer service.

2. Inasmuch as the Annual Ministerial Convention is primarily for the benefit of the ministers of our district, and whereas the problems of ministers and laymen are very diversified and should be discussed privately, therefore be it resolved that all morning and afternoon sessions will be closed to the public and open only to the ministerial family. Be it further resolved that all evening services shall be open to the public.

3. Inasmuch as there is so much work to do in the preparation and maintenance of the camp ground be it resolved that each church be responsible for five days work per year to the Conference at the call of the District Council. Be it further resolved that any work that is not taken care of during work week be taken care of by help hired by the Camp Board at \$1.25 an hour. This Resolution to become a Standing Rule.

4. Whereas open and public debate is the democratic method of attaining united action in all conference issues, and whereas the burdened expression of opinion presented by speakers on the Conference floor have a definite bearing on the results of the election of officers, be it therefore resolved that the elections of officers be the last item of business in the conference. Be it further resolved that this resolution replace standing rule no. 16 on page 30 of the conference minutes.

5. Lost

6. Lost.

8. Ruled out of order.

7. Lost

9. Lost

10. Inasmuch as we are opposed to the apparent aggression of the Roman Catholic Church into the political arena of our nation with its consequent threat to religious freedom in particular. Be it resolved that this conference go on record as opposing the election of a Roman Catholic to the presidency of the United States. Be it further resolved that this resolution be mimeographed and sent to each pastor by Sept. 1, 1960 and he be urged to read it to his congregation.

1. Whereas a clear understanding is needed in our district concerning the course of study requirements for ordination;

Be it resolved that the course of study requirements as presented in the 1960-61 catalogue of Owosso College be printed in the conference minutes, and that this resolution be made a standing rule.

12. Whereas there has, for a considerable period of time, been a marked difference of opinion among the members of the Michigan District concerning the advisability of continuing the purchase, maintenance, and development of our present camp ground at Hopkins, Michigan, and whereas it appears that this marked difference of opinion has resulted in indecision, lack of proper planning, and inefficient operation of many of the material aspects in camp and conference, and, whereas all the above mentioned things taken together is definitely producing a dilatory effect upon the greatly needed and united support of the entire Michigan District for the interests and needs of our camp ground, and, whereas these

conditions cannot and must not be charged to any one individual, or any group of individuals, but are the responsibility of every member of the Michigan District: Be it therefore resolved that clear and definite action be taken by this conference specifically aimed at clarifying our purposes, dissolving our differences, and delegating authority for the continued purchase, maintenance, and development of our camp ground at Hopkins, Michigan. Be it further resolved that a rising vote be taken in this conference ratifying the previous council action in the purchasing of the Hopkins Holiness Camp.

13. In order that the Hopkins Camp might have a progressive and orderly development, be it resolved that a camp planning and promotion committee be elected by this conference. It shall be the duty of this committee to present to the 1961 annual conference for consideration an illustrated camp development plan. This plan shall include a five-year program with a specified project as a goal for each year. Plans for financing the projects shall also be presented by this committee. This committee shall have the duty of advertising the camp and its services. The committee, through its chairman, shall annually report the progress of the development program to the district conference with recommendations and suggestions for the ensuing year. It is recommended that the committee consult the district council and the camp board for any recommendations they might have. This committee shall consist of six members. This conference shall elect six members: Two members for 3-year terms, two members with 2-year terms, two members with 1-year terms. Ten names shall be presented by the district council from which these six members shall be elected. The order of election shall retermine the term of office. Hereafter the district conference shall elect two members annually from at least four nominations from the district council. The chairman of the committee shall be chosen annually by the committee.

14. Lost.

15. Be it resolved that standing rule no. 27 (page 32, 1959 journal), read as follows: The morning service of the last day of the ministerial convention shall be the concluding service of the convention. The ministerial convention shall begin on the 4th Tuesday evening of April.

16. Lost.

17. Whereas some churches appear to have a potential for greater growth and whereas there seems to be a need for better organization in many of the smaller congregations, and inasmuch as the Conference Superintendent has recommended a "Planning Committee" in his annual report; Be it resolved that the council be authorized to set up a Church Organizational Planning Committee of three, the purpose of which is to assist smaller churches with such organizational plans as would tend to encourage more rapid growth. The services of this committee shall be available at the call of the pastors.

18. We do hereby recognize and approve the stationing of the following ordained ministers to serve in the ministry of Owosso College for the year 1960-1961: Dr. Floyd McCallum, Dr. Paul Elliott, Dr. Clifford Thomas, Rev. Ronald Evans, Rev. Bertha Kienbaum, Rev. Donald Warren, and Rev. Joshua Stauffer.

19. An amendment was made to Standing Rule No. 9, page 29, 1959-1960 Conference Journal. Furthermore, that the secretary of the committee provide the conference chairman, conference secretary, and district superintendent with copies of the resolutions as read to the conference.

20. Whereas there is a definite need of a more efficient supervision of the grounds, buildings and other facilities of our camp ground, be it therefore resolved: that the district council be authorized to hire a full time caretaker to accomplish the care and maintenance of Hopkins, Pilgrim Holiness Camp Ground.

21. Be it resolved that a standing vote of thanks be given to our General Superintendent, Dr. R. G. Flexon, for his fine leadership in our conference.

22. Be it resolved that a vote of thanks be given to the camp board for their splendid work.

23. Be it resolved that the district secretary be instructed to send greetings to those absent members of the conference, such as missionaries, retired ministers, those who may be ill, and officials engaged in other areas of the church.

Resolutions Of Ways And Means Committee

Church Extension

No. 6 — CHURCH EXTENSION FELLOWSHIP

Inasmuch as the present church extension department of our conference is not producing the number of new churches that we are capable of producing, and whereas, the establishing of new churches is necessary for a steady and healthy growth for any conference, and whereas there appears to be a definite weakness in our present policy of raising funds for church extensions work, the Michigan Conference adopted a Church Extension Fellowship which reads as follows:

CHURCH EXTENSION FELLOWSHIP OF THE

PILGRIM HOLINESS CHURCH, MICHIGAN CONFERENCE

Holding the conviction that God would have us further the cause of Christ by establishing new churches within our conference borders, I subscribe to the following:

(a) I will pray for the leading of the Lord in the work of the Church Extension Board.

(b) I will be alert for any possibilities of new churches and will inform the Board.

(c) I recognize that the first financial obligations in the opening of a new work are the most difficult to meet, and will therefore be responsible for two units, (\$5. per unit), to total \$10.00 for the Church Extension Fellowship.

(d) I assume this obligation for not more than two new works in any one conference year. Said works to be approved by the Church Extension Board.

(e) I will try to secure other members for the Fellowship.

(f) I understand this agreement may be terminated any time I deem it necessary by notifying the Church Extension Board.

Date _____ 19____

Address _____

Members are to be instructed that their original pledge does not bind them to this payment, but that it shall be in a voluntary basis of giving.

District Youth President's Annual Report

Mr. Chairman, members of the Sixth Annual Youth Conference of Michigan District Pilgrim Holiness Church.

Greetings in Jesus' Name!

There is a consolation in knowing that I accepted Christ as my personal Saviour some years ago — but for my salvation I am not depending on a religion of memory, but on the daily refreshing showers coming from the presence of the Lord.

Life presents a tremendous challenge to youth. Never before in the history of civilization has there been such great opportunities. The fact remains that God wants to use human instrumentality to promote the work of His Kingdom. Our religion must cease to be something which continually gathers to ourselves, and become something that reaches out to others. May the youth of our church accept the challenge!

I wish to express my deep appreciation to our District Superintendent, Rev. A. C. Doehring, and the Youth Council, for their cooperation in the youth program.

It has been a pleasure to work with each person. All have cooperated and this past year was a year of spiritual progress for many. I have visited all of our zones. The leadership of the zone presidents is very commendable. I call to your attention the unusual progress of the Northern Light Zone. With large attendances and outstanding altar services in their rallies, this zone of four churches is serving notice that they are moving forward. I feel that one of the notable points of this year's program is the participation of this zone in all the district youth activities. Throughout the district there are reports of good youth services.

In September I was privileged to attend the General Youth Leader's Conference in Indianapolis, Indiana. Under the leadership of Dr. Paul Elliott, plans were laid for the general youth program. This program was launched in our district during National Youth Week.

The great "Michigan Youth in Action Day" at Owosso College replaced the district rally. The attendance and special services will not soon be forgotten. I feel this effort was a great success.

In June I attended the National Youth Convention at Winona Lake, Indiana. During the Convention I was the director of the National Scripture Contest. Our own young adult team (Burnips) and teen-age team (Bellaire) are to be commended for a job well done. Although they were not the final winners, they gained valuable knowledge and represented the Michigan District well. The inspiring music, singing, and ministry of this convention was deeply appreciated.

With the splendid help of the Youth Council and consecrated workers, God gave us an outstanding Youth Camp at Cadillac, Michigan. There were 152 young people present from 21 different churches. 124

souls sought help at an altar of prayer. To God be the glory for all that was accomplished. I firmly believe the youth camp is a vital part of the district youth program.

Again I appreciate each one who has helped in any part of the youth program. May God bless our young people as they labor and fulfill a place in the realities of life.
