JOURNAL OF PRECEEDINGS

With the singing of "Glory To His Name," the Forty-Seventh Conference of the North Carolina District of the Pilgrim Holiness Church, joyfully joined in praise to Him who has graciously brought us together again.

District Superintendent Page called the conference to order at 10:00 a.m. August 14, 1957. He welcomed all ministers and delegates, then expressed our joy at having our beloved General Superintendent, Dr. Wm. H. Neff, with us. Mr. Neff will preside at the conference.

We were led in prayer by our reverend and greatly loved former General Church Secretary, Rev. S. M. Stikeleather.

General Superintendent Neff brought greetings from the general church, and also from his own heart. He mentioned how this conference should be a time of genuine blessedness and spiritual refreshing as we share our mutual victories of the past year, and plan for greater things in the year to come. The thrill that we experience in being able to speak of the Pilgrim church as "My Church" is not to be overlooked.

He further mentioned how that there are and should be, discussion and debates on various business matters in order that the best may be secured. Such differences are to be carried on in the spirit of Christian love and courtesy.

He further stated that his prayer is that God's Spirit will vouchsafe unto us His directing and welding of us together in Christian love, and His will, will be done in all the deliberations of the conference.

As to the conference bar, a motion carried that it include the first fifteen rows of seats in the tabernacle, excepting the section at the right which shall be reserved for visitors. The time of the sittings shall be 9:00 a.m. - 11:45 a.m., 2:00 p.m. - 4:45 p.m., and 7:00 p.m. - 9:30 p.m.

The secretary called the roll of ministers and lay delegates to the conference. Honorary seats within the bar were granted to Rev. and Mrs. S. M. Stikeleather, and Rev. Mrs. Wm. H. Neff.

A motion carried that we only recess the sessions rather than adjourning.

A motion carried that we accept the transfer of Rev. Edward Houston as an ordained minister from the Pennsylvania - New Jersey Conference.

A motion carried that Prof. Gordon E. Miller be declared a member of the conference, due to his position as President of Southern Pilgrim College.

It was the joyful privilege of the session to receive into our conference a new church from Archdale, N. C. Rev. James Denny is the pastor, and Mrs. Allen Farlow the delegate.

The District Superintendent appointed Rev. Clyde Parker to take the place of Rev. Fred Sumwalt who has left this conference.

The District Superintendent, Rev. Page, read his report of his work in the district and the general condition of our work. Said report was accepted.

The Assistant District Superintendent, Rev. Wray J. Smith, read his report of work done for the district and was accepted.

President Gordon E. Miller gave a splendid report of Southern Pilgrim College and of its outlook; said report was accepted.

The Statistician gave the report of the work of our District numerically and financially, and was accepted.

The session was dismissed with prayer by Rev. J. W. Covington.

THE SECOND SITTING

The second sitting opened at 2:00 p.m. with the singing of "Leaning On The Everlasting Arms." Prayer was offered by Rev. Edward Houston.

General Superintendent Neff urged that the goal of our churches should above all be that of the deepening of the spiritual life of our churches.

The Auditors report was given by Rev. F. W. Henry, and was accepted.

The Treasurer, Mr. L. B. Gallimore, read his well prepared and printed report of the financial work, and was received with thanksgiving.

The District Secretary of Missions, Mrs. W. F. Page, read the fine report of the work accomplished and the money raised through the societies, and was accepted.

The Sunday School Promotional Secretary, Rev. Charles Apple, read the report of the fine gain made and work accomplished, and was accepted.

The Secretary-Treasurer of the Camp Meeting, Rev. U. N. Freeman, reported on the 1956 camp and was accepted.

The Young People's Executive Secretary, Rev. McCray Holmes, read the report of the State and Youth Rallies conducted during the year, and was accepted.

The Forward Movement Committee's report was given orally by Rev. R. J. Hobbs and was accepted.

After announcements, the session was dismissed by Rev. C. W. Hartman.

THIRD SITTING

The first order of this sitting was a very sacred hour in which four men were ordained to the ministry. They were Rev. J. B. Stutts, Rev. H. M. Carroll, Rev. William Walker, and Rev. Floyd Miller

The General Superintendent Neff delivered the ordination charge, basing his remarks from Col. 1:23, I Tim. 6:11, I Cor. 9:19, and I Cor. 9:27.

Paul said, "I am to be a man of God." As a man of God he is a holy man. Outwardly he is righteous and inwardly is holy. Such must ever be your aim as a minister.

Again he said Paul said "I am to be a minister unto all." A minister is not to live unto himself, but unto the Christ who died for him. The proof of Paul's Apostleship was his being a servant of all. As one gives himself in servanthood to others, God will care for his every need. As a minister you are called to be a servant. Any concept of the ministry to exalt itself to lordship over the flock is entirely out of the will of God.

Paul further said "I must keep my body under." One must keep the drives of his body, soul and spirit under strict discipline and hold them in line.

In concluding his remarks, he charged the ministers to be true to the God who has called you; to the church who is ordaining you; to the people whom you serve. You are to be the best possible representative of the Gospel of Grace that God can make you.

Following the ordination, the precious presence of the Holy Spirit settled over the entire conference in waves of spiritual refreshing. Many glowing testimonies of praise to God and appreciation for the church and one another were given.

The Resolutions committee presented four resolutions. Number one carried. Number two was referred to the council. Number three was referred back to the resolutions committee. Number four was tabled.

The sitting adjourned by expiration of time. The session was dismissed with prayer by Rev. W. L. Cockman.

REPORTS TO CONFERENCE

REPORT OF DISTRICT SUPERINTENDENT

Through the battles and victories of another year we have swiftly come. God in His infinite love, mercy and grace has permitted us to be present for the opening session of this forty-seventh annual conference of the North Carolina District of the Pilgrim Holiness Church.

We can say with the inspired writer of old "Hitherto hath the Lord helped us." For each victory and success we have enjoyed the past year we give God and the faithful of the District thanks. For each failure and short coming we have suffered, we beg for tolerance and mercy from God and you dear people.

I have enjoyed working with our good Assistant District Superintendent, Rev. Wray J. Smith, the District Council and all other boards and committees of the District.

TEMPORAL PROGRESS

In this connection God has wonderfully blessed our district again this year.

Albemarle has installed a furnace in church and parsonage, along with other improvements.

Beulah has had a lovely pulpit stand donated to them by a friend.

Bethel did several improvements jobs.

Bethlehem has put water in the parsonage and installed a water heater.

Browsers has done some landscaping of their church grounds and a friend has given them a little more than an acre of land on which to build a parsonage.

Brown's Chapel has put down a well and installed a heating plant.

Denton has done a nice job of redecorating their church.

Draper has made some much needed improvements on their church and parsonage.

Eureka has installed bath fixtures in parsonage.

Forest City has added beautiful Sunday School rooms to their church.

Guilford has purchased a new piano, installed new pews, along with other improvements.

Gold Hill has put new roof on church and finished upstairs in parsonage.

Harkers Island added three fine new Sunday School rooms.

Hillsboro has purchased a nice brick parsonage.

High Point has completed a lovely parsonage.

Kernersville has installed an organ in their church.

Kildee will soon complete their lovely new parsonage.

Liberty has made several improvements on the interior of the parsonage and church.

Mebane is putting the finishing touches on a beautiful new church.

Mt. Olivet is in the process of erecting a nice brick parsonage.

Mt. Zion, Moore County has built and dedicated a beautiful new church.

Midway Chapel has installed a furnace and new pews. They have also done a nice job of landscaping their church grounds.

Salisbury has built a large brick garage and one nice Sunday School room.

Siler City has erected a beautiful and adequate educational building.

Staley liquidated their old debt, installed two baths complete with septic tank, fixed Sunday School rooms in the basement which has given the Sunday School a great boost.

St. Paul has put water in parsonage and done some landscaping of their property.

For all these wonderful improvements we are indeed grateful.

SPIRITUAL

I think generally speaking our district is in very good spiritual condition, however, there is much room for improvement. Some of our churches have experienced wonderful seasons of revival and refreshings from the presence of the Lord during the year. I should like to recommend and urge that each pastor and church pray and strive for a deep spiritual awakening and mighty ingathering of souls the coming conference year.

FINANCIALLY AND NUMERICALLY

We have made small gains financially and numerically this year, as our statistician's figures will show. I am thankful for the gains we have made, but I am not satisfied. Let us work harder for greater increases next year.

NEW WORK

I regret very much that we have not reached the goal of three new churches allocated to us by the General Forward Movement Committee. However we are

thankful to God for the one good church organized at Archdale with 16 charter members. Let us put our shoulder to the wheel and endeavor to bring in more new churches by next conference.

SOUTHERN PILGRIM COLLEGE

Our school has had a difficult time the past year, due to the enrollment being down and other things which have militated against us. I believe there are wonderful possibilities and victories for S. P. C. if all will support it as we should. My prayer is, that each pastor and church will get solidly behind the school program. President Miller will be giving a full report to the conference.

SUNDAY SCHOOL AND YOUTH WORK

We appreciate deeply the fine work which has been done by Brother Charles Apple and Brother McCray Holmes with their respective boards in their departments. They will be making a full report to the conference.

REPORT OF THE ASSISTANT DISTRICT SUPERINTENDENT

To the North Carolina Conference of the Pilgrim Holiness Church:

Greetings in the name of the Lord. For another year I have enjoyed Christian fellowship with our good and faithful District Superintendent, Rev. W. F. Page. My assistance to him and my service to the District have been very small, but I have endeavored to fill the office of Assistant District Superintendent to the best of my ability.

I humbly submit the following report. I have traveled with Brother Page on several church related business trips. Besides this I have traveled in my own car 160 miles, and held two business meetings. I have received for traveling expenses \$9.60, for business meetings \$10.00, and for phone calls \$3.20, making a total of \$22.80.

Respectfully submitted,
WRAY J. SMITH

REPORT OF SOUTHERN PILGRIM COLLEGE

Greetings to the forty-seventh annual conference of the North Carolina District. I consider it a great privilege to bring you this report of your Bible College. First, I wish to commend my predecessor, the Reverend John S. Dean and his wife for the contribution they have made to Southern Pilgrim College during their term of office.

This report will cover the work accomplished by Brother Dean during the past conference year.

Last year's enrollment opened with 66 full time students. The total enrollment for the first semester was 88 counting 14 in night classes and 8 specials. Our prospects for this coming year are looking better. We are hoping to see an increase in our enrollment.

Improvements

During the year several of the churches and individuals contributed money for the remodeling of rooms in our girls' and boys' dormitories. The exterior of the president's home and the teacherage have been painted. New screens have been installed at the teacherage through gifts of our faculty members, also new screens have been installed on the girls' dormitory through the efforts of our North Carolina Missionary societies. This is one project that has certainly improved the appearance of our campus. The music department was able to purchase a grand piano through contributions given by interested friends. The graduating class of 1956 gave a water cooler that has been installed in the girls' dormitory.

Recommendations

1. That we continue to pray and plan for a new administration building.
2. That every family of our Pilgrim Church become a member of our Living Endowment Club.
3. If possible some group sponsor the renovation of the hallway in the girls' dormitory, another group raise funds for a grand piano for our chapel, this is a great need as our music department is growing.
4. A continued cooperation between District and College. Southern Pilgrim College must ever go forward. Its program in the future depends upon what is done today. That puts a tremendous responsibility on every one of us. I trust that the Spirit of Christ will control our hearts and our thinking. I also trust that we will seek the will of God in every detail of our lives as we endeavor to do business for His great kingdom.

Respectively submitted,
GORDON E. MILLER
President

REPORT OF MISSIONARY SOCIETY

To the forty-seventh annual conference of the North Carolina District of the Pilgrim Holiness Church, Greetings.

We say "Thanks" and a big God bless you to the members of the missionary societies of the District. Let me encourage you to continue to thrust in the sickle while the door of opportunity is still open. "And let us not be weary in well doing: for in due season we shall reap if we faint not."

A year ago our societies decided to sponsor a district project, namely screening the girls' dormitory of the Bible College. I am happy to tell you that this project has become a reality. The screens are on the building and paid for, for which we give praise to God. A total of \$305.00 was received. The cost including shipping charges was \$240.92. This leaves a balance of \$64.08. The societies agreed that any balance would be applied to screens for the boys' dormitory. We are praying that our societies this year will see fit to complete this worthy project.

The following is a report of the work done by the societies:

Number of Meetings Held	376

May we keep our vision clarified and do His bidding until He shall say "It is enough."

REPORT OF THE SUNDAY SCHOOL PROMOTIONAL SECRETARY

To the forty-seventh annual conference of the North Carolina District of the Pilgrim Holiness Church, Greetings!

It is with pleasure and a sense of appreciation that I report the activities of the Sunday School work for the past year.

I want to thank the members of the Sunday School Board, the pastors of the district, the superintendents of each school and the teachers of each class who have been co-workers in making this report possible.

The Sunday School Board members have served faithfully in leadership. They have planned and promoted good wide awake Sunday School rallies in each zone. I can report that each zone rally had good attendance, fine interest and the Sunday School programs were a real challenge.

While there are some schools which show a loss in average attendance, there are several schools that have reported excellent gain. Let us sympathize with those who have suffered loss and rejoice with those that have made gain.

According to the record:

REPORT OF DISTRICT YOUTH EXECUTIVE SECRETARY

To the forty-seventh annual Conference of the North Carolina Pilgrim Holiness Church:

Following is the report of the district youth work for the past year.

We are thankful for the way God has blessed our efforts in the different fields of endeavor encompassed by the youth department. However, we are conscious of the need of more interest and greater participation in youth activities over the district. The youth work in this district is divided into four different phases of activity: (1) Zone Rallies, (2) Youth Camp, (3) District Convention, and (4) District Youth Project.

1. Zone Rallies. Our goal for the past several years has been set at four youth rallies in each zone. These rallies are supposed to serve for inspiration and instruction and challenge to the youth of our churches. We feel that a good rally can do a great deal to promote the interest of our youth work in particular, and the interest of the Pilgrim Holiness Church in general. I regret that we did not reach our goal as a district this year. The Asheboro Zone was the only zone to have four rallies. The other zones for various reasons did not reach their goals. The zone chairmen reported ten rallies conducted in the district this year. I attended eight of these.

2. Youth Camp. The Youth Camp this year did not have as large enrollment as that of last year, but in many respects, we feel that it was one of the best camps to date. We enrolled approximately 150 campers. The time spent in class and on the recreation field, as well as that spent in the services, was very profitable. The evangelistic services found more than eighty-five (85) campers weeping through to victory around the altar. A number of young people prayed through in their rooms and in dormitory prayer meetings. Our Youth Camp is certainly worth all the effort put forth. The teachers and camp workers discharged their duties faithfully, and I wish to express my appreciation to them for their cooperation and help.

3). District Convention. Our Annual District Youth Convention last year was well-attended. Each year the district youth department has been sponsoring this convention by furnishing free room and board for the first two days of the camp meeting for all young people age 10-25 who register and pay a fee of \$1.00 before the first Friday night service. We are happy with the response we have had thus far. Each year the interest in the business session of the convention has increased, and some good legislative work has been done.

4. District Youth Project. For the past year the District Youth Project was the sponsoring of the new church in Archdale. The Youth Board worked with Rev. James Denny, and were in the process of getting a loan with which to purchase the property in Archdale when the High Point Church came through with their gift of \$2,500 for the property. Our portable chapel was placed on the property, and the department sent regular support of \$50.00 per month to the pastor of the church. We are happy, and not vainly so, that we were the first to pledge support to this fine new church. We are also happy for the help of the High Point Church, for they certainly made our load much lighter than it would have been had we been forced to secure the loan as first intended.

I have traveled over 900 miles in the interest of the district youth work. I made a trip to Indianapolis to the Youth Leaders' Conference, and it was my privilege to travel to the British West Indies as a member of an "OPERATION MISSIO" gospel team sent out by the Pilgrim Youth of America during National Youth Week. It has been a privilege to work with the wonderful Pilgrim Youth of North Carolina another year, and I only regret that my service has not been better. My sincere appreciation to the men who worked with me on the Youth Board, and to the pastors and young people over the district who have supported us with their prayers and regular offerings to the Youth treasury.

Respectfully submitted,
McCRA Y HOLMES

IN MEMORIAM

"They rest from their labors." Rev. 14:13.

Some of our Battle-scarred Pilgrims have gone to their Eternal Rest this past year. They had struggled long, and toiled faithfully in their efforts to advance the Kingdom of Christ and the interests of their beloved church.

Their labors were many and varied, but now they have forgotten the toils of the way in the joy of seeing Him "who suffered without the gate". Others were afflicted in body, being patient sufferers, but today by the "healing of His wings", they are enjoying radiant health in the celestial city where sickness is unknown.

These dear ones are resting from "their labors, and their works do follow them."

*"Rest from the toiling hand,
Rest from the anxious brow;
Rest for the weary, wayworn feet,
Rest from all labor now."*

Four of our faithful ministers who were pioneers in their various fields have gone to the Glory.

Rev. C. A. Lain, Rev. W. C. Kirkman, and Rev. R. A. Wagoner helped to establish some of the older churches of our district. Their works continue as these churches grow.

Rev. P. H. Greeson pioneered in the field of Religious Education, and taught in three of our Pilgrim Bible Schools. Many of our ministers received instruction from this godly man, that has enriched their ministry and blest their lives.

Those who have ceased from their early labors are:

Rev. C. A. Lain (charter member)	High Point, N. C.

RESOLUTIONS

1. Whereas the method of calling pastors, adopted last year, has proved very unsatisfactory in several cases, therefore be it resolved that this conference rescind the former resolution of 1956, page 30, paragraph 7.

2. Resolved that the district council appoint a Campus Planning Committee, and that they, with the help of a competent engineer, be empowered to supervise future landscaping; allocate lots for camp meeting cottages; form a building code for such cottages; locate future buildings, and relocate present buildings at such time as the district council deems advisable.

WAYS AND MEANS

1. Whereas we have \$156.00 in our delegate fund, and whereas it takes approximately \$1,500.00 to cover our proportion, therefore be it resolved that our District Superintendent insist that all churches raise their assessment during the early part of this conference year.

MEMORIALS TO GENERAL CONFERENCE

1. In order that we may achieve a more equitable pastoral relationship, and to secure a greater degree of satisfaction relative to the installation of pastors, Be it therefore resolved that a stationing committee be created; and be it further resolved that the District Council, with it's chairman, the District Superintendent, be the stationing committee.

The Stationing Committee shall meet not later than one month before the Annual Conference. The problems and needs of each church shall be carefully studied and analyzed. The minister deemed most capable and fit for each situation shall there-upon be assigned as pastor.

To aid the Stationing Committee in reaching its decision, the pulse of the local church shall be determined by a secret ballot. All the members of the local church of voting age shall be instructed to write the name of the minister preferred. This ballot shall be immediately impounded and sent to the Stationing Committee. The results of this ballot shall not be divulged to the local congregation. This ballot shall be reviewed by the Stationing Committee.

Each local church shall have also the privilege of sending a duly elected pulpit committee to confer with and advise the Stationing Committee.

Be it further resolved, that the Stationing Committee shall be empowered to remove a pastor when it is deemed best for the interests of the local church.

2. As singing and music plays an important part in our regular services and revival meetings, and since there are approved song evangelists in the Pilgrim Holiness church, therefore be it resolved, that all licensed song evangelists be declared a member of their conference with voting privileges.

3. Whereas many of our people are continually moving into new areas, and many times lose contact with the church; Be it resolved, that the General Conference compile a church directory giving names and addresses of churches and ministers; said directory to be published annually and made available to all pastors for the purpose of aiding people in church transfers.

4. Whereas our present manual forbids the using of divorced individuals in any official capacity, and whereas we believe there are innocent parties involved and that they do have scriptural grounds for divorce, and whereas our present system creates a double standard because we allow such person to be members of our church, believing they are members of the body of Christ, therefore be it resolved that we rescind that part of our manual which forbids use of such individuals, and permit such individuals to hold offices in our church, and that divorced and remarried ministers be allowed to hold their credentials.

1. Churches are asked to give pastors a two week vacation with pay. (1941)

MINUTES OF THE ANNUAL YOUTH CONVENTION

The business session of the eleventh Annual Youth Convention was held at 2:30 p.m., August 17, 1957 at the tabernacle on the District grounds.

The convention opened with the Executive Secretary, Rev. McCray Holmes, leading the group in singing "Pilgrim Youth Keep Marching On."

Our District Superintendent, Rev. W. F. Page, gave an enlightening exhortation on "Things Necessary To Be A Successful Christian."

Rev. Charles Apple, Executive Sunday School Secretary, led in prayer.

Rev. Holmes gave a very interesting report for the past year.

Youth Treasurer, Rev. James Smith, also gave an enlightening financial report consisting of reports from individual churches. These reports were well accepted.

Rev. James Denny gave a summary of the progress of the District Youth Project at Archdale, N. C.

The Resolutions Committee presented four resolutions.

1. Whereas we need to strengthen our Youth Organization on the local level, be it resolved that the Youth Board plan a district youth leader's conference. This conference shall serve to train and help the leaders of our societies to do a better and more efficient job in their respective duties. Such conference will feature workshops along the lines of program planning and youth promotion in the local churches. Be it further resolved, that the local church society pay the mileage expenses of the society president, vice-president, secretary-treasurer, and pastor to this conference.

2. Whereas district youth project for the past year has been the supporting of the new Archdale church, and whereas, they are ready to start a church building, Be it resolved, that we take as our project this year the buying of the windows and doors for the basement church soon to be constructed: said contribution not to exceed \$650.00.

3. Since there is a feeling that the convention held during the first two days of the camp meeting does not meet all the needs of a good annual youth convention, be it resolved, that this convention instruct the Youth Board to plan another time for the annual convention when the emphasis and all activities could be beamed directly and exclusively to the interests and needs of our youth. Furthermore, the board should consider the last week end of our Youth Camp.

The Ways and Means Committee submitted the following:
