REPORT OF DISTRICT SUPERINTENDENT

To my General Superintendent, Rev. R. G. Flexon, Pastors, Evangelists, Delegates and Friends of the Ninth Annual Northern Indiana Conference, now in session at Frankfort, Indiana.

Greetings in the name of Jesus!

It is with a deep sense of heart-felt gratitude and thanksgiving to our Heavenly Father who enables us to bring this report to you. We have been grateful throughout this Conference year for the help of the Holy Spirit. We feel the churches of this great District are interested in Kingdom building, and the spreading of scriptural Holiness. We wish to thank each pastor

and church for the fine spirit of cooperation. Through this combined effort we feel every department has been helped.

Our report this year does not include a full 12 months. We were elected in August and moved to the district parsonage September 16. I have endeavored to do my best by the help of the Lord to give whatever assistance I could to each church and pastor as time and circumstances would allow while praying for guidance and wisdom from above. May God be praised for all of His goodness unto us.

New Churches

It was our happy privilege to organize and receive into our fellowship a fine group of folk at Hammond, Indiana. They had been looking our way for some time, and on September 11, 1958, we organized with 13 members, and as to date they have received 26 more members giving a total of 39 in membership. They are now in the process of remodeling the church building. Rev. William Stone is the pastor.

It was another bright day, when another group in Indianapolis, Indiana, on East 23rd Street, decided to unite with our district. Rev. Raymond Dodd and his people organized December 14, with 11 members. They have also taken in a number of new folk. They have a large building with several Sunday School rooms.

Let us pray that God will richly bless both of these new churches.

Improvements

Since last Conference there has been considerable work by the various churches, for which we wish to thank the good folk and praise the Lord.

Gas City. Purchased new church furniture, piano and new pews.

Delphi. Completed the exterior of the church with Bedford stone.

Lafayette. Remodeled the basement and finished the much needed Sunday School rooms.

Marion, First. Recarpeted the Auditorium, and finished decorating the new Annex.

Marion, Grant. Moved a long way toward finishing their new Bedford stone church.

Muncie, 18th St. Added a new auditorium to their plant and God is blessing.

North Judson. Is still hopeful and the steel is to arrive soon to complete the roof structure.

Indianapolis, 2nd. Completely remodeled the inside of the church, re-decorated, and bought new pews. One would hardly recognize it now.

Frankton. Remodeled basement into Sunday School rooms and installed a new heating plant.

Windfall. Fire destroyed much of the present parsonage, however they have been able to repair and remodel it into a very serviceable home.

Knightstown. The folk have purchased a parsonage about a square away from the church on the same street.

Indianapolis, Brookside. Along with the completion of the beautiful church, purchased new pews which added much to the church.

Mortgage Burning

This has been a year of rejoicing along financial lines also. The church at Wabash burned the mortgage upon their church Sunday, May 17.

The church at LaGrange, burned the mortgage upon church and parsonage Sunday, May 24.

May God bless these folk and all others that are going forward under the banner of holiness.

Tabernacle

The council felt that it would be fine to pay off the mortgage on the Tabernacle and stop paying interest. Feeling that from various interests we could pay off the debt of their beautiful Tabernacle, did so. Now we are free from borrowed money, except from our own interests. PRAISE GOD!

Personal Report

Personal report for said portion of Conference year. I have made 158 visits to churches. Preached 136 times, held 19 Annual meetings, made 23 business trips, held 45 board meetings, conducted 4 Council meetings and 2 Camp Board meetings. Attended 10 Executive and School Board meetings, 5 funerals, 1 wedding and 13 Zone meetings. I dedicated new equipment in 2 churches, had mortgage burning services for 2 parsonages and 1 church. Traveled and attended 7 Zone meetings with our General Superintendent, Rev. R. G. Flexon. I was present for our District Youth Convention and the Boys and Girls Camps. Attended several Committee meetings in behalf of Kingdom building. Have received my salary and mileage in full .

I have appreciated the kind help of my good assistant, Rev. D. W. Lacy. Also the advice and help of the District Council and all other Committees.

Respectfully,

R. E. Nibarger

REPORT OF ASSISTANT SUPERINTENDENT

To the Ninth Annual Conference of the Northern Indiana District of the Pilgrim Holiness Church.

It is a privilege today to greet this conference in the wonderful Name of our Lord and Saviour Jesus Christ. His abiding presence during these past twelve months has meant more to my soul than all beside. Nor do we minimize the wonderful fellowship of the saints of the Lord. His people are my people. This has been so for thirty-one years. The enrichment of our own life through fellowship with the Saints and the Spirit of the Lord will perhaps never be fully known.

The highest honor that has ever come to my life is that of being counted worthy to work in the harvest of the Lord. Our fellowship with the District Council has been the very best. I feel that these are among the finest men that can be found in the Pilgrim Holiness Church. Especially have I appreciated the fine supervision, untiring labors, and unselfish leadership of our newly elected District leader, Rev. R. Nibarger. I have striven to be of service to him wherever possible. I have been present for all of the District council meetings, and Bible School Board meetings with the possible exception of those held during our vacation. God has given times of tearful consideration for the work of the Lord as these bodies of conscientious men have weighed the issues confronting us on the occasions that have brought us together from time to time. We feel that greater things lie ahead for us as we move forward under the Lord, and with those who carry the heavy loads of administrative responsibility.

Respectfully submitted,

D. W. Lacy

REPORT OF AUDITING COMMITTEE

We, your auditing committee, have examined the report of a certified public accountant of the District Treasurer and the Camp Meeting Treasurer's books. These records are in good order and we believe them to be correct. We have also examined the books and report of the Young People's Treasurer and have found them to be correct.

NOTE: By way of information, we would like to call attention to the fact that there is an indebtedness now of only \$594.13 on the purchase of the Shoemaker Memorial Home, as of July 1, 1959.

Also, we have now received a temporary license from the State of Indiana to operate our Home for the Aged. This license is contingent on certain additions and improvements. However, the balance in the treasury is sufficient to cover the cost.

REPORT OF THE CONFERENCE SUNDAY SCHOOL BOARD

The Conference Sunday School Board submits the following report to the Ninth Annual Conference of the Northern Indiana District of the Pilgrim Holiness Church.

At the outset of the year the Sunday School Board decided to launch a Family Crusade for the seven weeks of the Sunday School Revival which continued from Easter to Mother's Day, with the emphasis on enrolling new families for our Sunday School and Church.

The results of this campaign were very gratifying both numerically and spiritually, as many new families were enrolled in our Sunday Schools, and Church.

The spiritual tone of our Sunday School is very encouraging with many schools reporting visitations of God's Spirit upon their assemblies throughout the year, resulting in conversions and gains in church membership.

The whole world before us "lieth in wickedness," but the resurrected Saviour has promised us an open door. REPORT OF THE RESOLUTIONS COMMITTEE

Church Government

1.

The pastor shall meet with his church at the earliest date after the close of conference, for the purpose of familiarizing his people with the actions of this conference.

2.

The annual business of the local church shall close on June 30 of each year and the district treasurer shall hold his books open until July 10.

3.

Each church shall provide a parsonage with telephone and, if possible, other utilities also shall be furnished as recommended by the local church board.

4.

In case the parsonage is not equipped with heating facilities, window shades, kitchen and bathroom floor coverings, provision shall be made for the same by the local church.

5.

Where churches and parsonages are located in cities the location of the church and parsonage shall appear in the Minutes, and where parsonages are equipped with phones, the name of the pastor and Pilgrim Holiness Church shall both be listed in the phone book.

6.

The Sacrament of the Lord's Supper shall be observed at least once each quarter by our local churches.

7.

Inasmuch as there seems to be considerable confusion in the placing and calling of pastors due to the diversity of methods and procedures being used and insisted upon by the churches, therefore be it resolved that a form of procedure to serve as a guide for the calling of pastors be established as follows:

- a. Let all of the meetings pertaining to the recalling of a pastor be held during the last full week in May.
- b. If the pastor resigns, or is not recalled, the result of the meeting should immediately be forwarded to the superintendent by the church secretary.
- c. If the pastor is recalled he can have the legal time established by the manual to accept or reject the call and he shall then immediately inform the superintendent of his decision.
- d. In the event the pastor is leaving, whatever the circumstances, the superintendent shall present either in person, writing, or through an authorized representative the list of available ministers with recommendations that naturally fall within the jurisdiction of the superintendent.
- e. It shall be the privilege of the local board and the church to immediately call a man on the basis of the superintendent's recommendation without having a trial message.
- f. In the event the board and church desire a trial message, the board shall make a choice of a candidate. If two or three candidates are chosen, they should be designated as first, second, and third choice.
- g. After the trial message of the first candidate, there shall be a vote on the candidate within a reasonable length of time, preferably immediately.

- h. If the first candidate is not called, or refuses to accept the call, the same procedure shall be followed with the second and third candidate.
- i. In no case shall a second candidate be called to preach a trial message until a vote has been taken by the board and the church on the first candidate.
- j. Let all ministers leaving their present charge consider their ministry to a church as ending according to the manual—the Sunday following conference or camp, and all moving shall take place the following week.

8.

Before new construction or major remodeling of church buildings or parsonages is begun, plans, specifications, and financial appraisalment must be approved by the District Council or by a committee appointed by the same.

9.

The District Superintendent, his assistant, the District Youth Leader, the Sunday School Promotional Secretary, and the Zone Chairmen shall be responsible for the promotion of the home missionary work and the Forward Movement in our District.

10.

Due to an increasing tendency toward religious etnertainment, this conference goes on record as opposed to the use of lantern slides and movies in our churches.

11.

The District Ministerial Convention shall convene on the third Thursday in April at 9:00 a. m. and continue through Friday.

12.

Any church calling a minister for a trial sermon shall pay, at least, his traveling expense.

13.

Whereas, the General Conference has set up a United Stewardship Fund to care for a part of the expense of operating the general church, and Whereas, the Manual states on Page 82, paragraph 8 that "Any pastor failing to raise the United Stewardship Fund without good reason shall be denied a voice in the Annual Conference" and

Whereas, this rule must be enforced beginning with our next Annual Conference, therefore:

We as a conference set the month of September of this year as United Stewardship Fund month.

An offering shall be taken in each church in this district sometime during said month to be applied on this fund, excepting those churches which now have an effective method for raising United Stewardship Funds.

Any local church wishing to do so may pay from unspecified foreign missionary money that part of the United Stewardship Fund which pertains to foreign missions which is 20% of the entire fund. Furthermore, any local church wishing to do so may pay from unspecified general church extension funds that pare of the United Stewardship Fund that pertains to General Church Extension which is 14% of that fund.

This is to be made effective only when the local church has made up the balance of the United Stewardship Fund for the current month.

14.

All funds raised by the local church for district and general interests are to be sent to the District Treasurer. These said funds are to be specified for the particular interests for which they are raised.

15.

Whereas there has been no official method of tabulation of attendance of branch Sunday Schools and the mother churches, be it resolved that this method be adopted:

- a. The attendance at the mother church should be recorded in the usual manner.
- b. All persons attending the branch Sunday School shall be counted, including the members of the mother church.

Whereas the district records indicate that several of our church properties are not deeded according to the manual, be it resolved that this conference request each local church board of the district to check the wording of their property deed and urge those churches whose deeds are faulty to have them recorded according to the requirements of the 1958 manual.

17.

Whereas the minister's wife makes a vital contribution to her husband's work, therefore we recommend that the wife of a candidate for ordination be given an honorary seat with the candidate during the ordination service.

18.

20.

This conference goes on record as being opposed to the legalizing liquor traffic in all its forms. We recommend that our ministers and lay members lend their support to encourage legislation in favor of prohibition by returning such questionnaires as they receive to proper legislators.

21.

Whereas it is difficult to grasp the full meaning of the propositions of the Resolutions and Ways and Means Committee when they are read from the platform and whereas much time is lost because of delegates debating under a misunderstanding of the proposition, therefore be it resolved that these committees prepare mimeographed copies to be given to the delegates prior to their report.

22.

Inasmuch as most ministers and pastors are present for Conference and the same responsible for the church's response to such appeals, and inasmuch as the Conference evening crowds, as a rule, are larger than the afternoon crowds during the departmental days of Camp: The departmental days (Foreign Missions, and Church Extension) are to be held on Wednesday and Thursday nights of Conference, and Frankfort Pilgrim College Day is at 2:30 p. m., the last Saturday of Camp.

3.

Since our General Conference has gone on record against obscene literature and has strongly urged all Pilgrims to use all possible legal and moral persuasion to curb this vicious traffic.

Be it resolved that at sometime during the period of instructions or immediately thereafter, the pastor of each church will organize in his or her church a group of soul-winning and lay visitation and set up files and records recommended by the committee, and that these be kept as permanent records of the church.

REPORT OF THE WAYS AND MEANS COMMITTEE

Local Church Financial

1.

We recommend that the Conference budget consist of 10% of all money raised by the local church and Sunday School and 5% from the Young People's Society, except that raised for missions, general budget, revivals, building funds, and all funds raised for specified conference interests. Build-

ing fund purposes shall be interpreted to include rent on parsonages and churches and money paid on contracts of the same.

2.

We recommend that the conference budget be prorated as follows: Conference Fund, 60%; Old People's Home, 2%; Frankfort Pilgrim College, 17%; Home Missions, 16%; General Conference, 4%, and Evangelists' Pension Plan, 1%.

3.

We recommend that each church raise five cents per member per month for Home Missionary Work and Church Extension, money to be paid to the Conference Treasurer.

4.

We recommend that each church pay the Frankfort Pilgrim College at the rate of 1% of the monthly gross receipts of the local church treasury where said gross receipts are less than \$250.00 per month, and those churches with a monthly gross income of \$250 or more shall pay an amount equal to 2% of such gross income. Said payments to be made each month through the Conference Treasury

District Financial

1.

We recommend that our conference stenographer be paid \$40.00 and that the secretary be authorized to secure additional helpers at the same rate.

2.

We recommend that our District Superintendent be paid a salary of \$100 per week plus utilities, not to exceed \$400 per year and traveling expense at the rate of six cents per mile.

3.

We recommend that our Assistant Superintendent be paid at the rate of \$12.50 per day plus mileage for each day's service, also District telephone expense.

4.

We recommend that the Conference Secretary be paid \$200.00 for his services for the year.

5.

We recommend that the Conference Treasurer be paid \$600 for his services for the year.

6.

We recommend that the Conference Statistician be paid \$100.00 for his services for the year.

7.

We recommend that the editor of the Pilgrim Voice be paid \$125.00 for his services for the year.

8.

Inasmuch as we have a Home Missionary Loan Fund to aid with the establishing of new churches and aid to needy older churches and interest in this fund seems to be lagging we urge those churches that have loans to bring their payments up to date and that each pastor endeavor to secure new pledges of \$1.00 or more per call. These pledges are to be secured and new ones added by the District Superintendent upon his first yearly visit. One-half of the amount raised by each call shall be an outright gift to the church for which the call is made; the other half shall be given as a loan which will be repaid to the conference. The payments made on the loan shall go into a loan fund which will be established and administered by the Conference Council. The rate of interest on the loans shall be 4%.

When such call is made each pastor shall call his people to prayer and give the congregation an opportunity to give an offering toward such call in addition to the pledges which are paid on the call.

9.
We recommend that our Sunday School Promotional Secretary be paid \$100.00 for his services for the year.

10.
We recommend that the standard mileage rate be fixed at six cents per mile.

11.
We recommend that each church raise fifty cents per member per year for the operating expense of the Old People's Home.

12.
We recommend that the District Council continue the drive in our churches to raise money for the indebtedness of the new tabernacle.

13.
We recommend that an offering be taken on Rally Day for General Sunday School and Youth Work.

14.
We recommend that the Treasurer's report, that is sent to the pastors, be a complete report of the giving of the local church, and shall include Departmental offerings.

Young People's Work

1
We recommend that each Young People's Society be requested to send an offering for the Young People's Rally to the Conference Young People's Treasurer; also that churches without organized societies be invited to send an offering for same.

We further recommend that said offering be sent in at least 30 days prior to the Conference Young People's Rally.

2.
We recommend that the district Young People's Officers be paid six cents per mile while traveling for District Young People's business, the same to be paid out of the Young People's Treasury.

3.
We recommend that all Young People's Societies send 10% of all money raised in the regular offerings to finance the work of the Conference Young People's Organization, we further recommend that all money raised be paid through the local church and district treasurer.

4.
We recommend that whenever the finance of the District Youth Work is not sufficient for the Young People's Convention, etc., that the district underwrite the youth work not to exceed \$250.00.

REPORT ON THE COMMITTEE ON MEMOIRS

We are grateful for the privilege of having our General Superintendent, Rev. R. G. Flexon to preside at our Conference. His admonition to the ministers and the laity should encourage each of us to strive in a greater way for the advancement of the Kingdom of God.

The leadership of our District Superintendent, Rev. R. E. Nibarger is greatly appreciated and we pray that God will continue to give him wisdom as he leads us on.

To God, be the glory for the gains that were shown by the report of the statistician in church membership, Sunday School attendance, and the advancement in every department of our District.

We feel that we should commend Merrill Spencer for keeping the Camp Grounds mowed, and Rev. Elton Call for planting and caring for the flowers in front of the tabernacle. Also the camp board should be commended for the revamping of the lunch stand and for providing the convenient new bookstand.

We feel that the Conference would like to join with us in giving thanks to God for all these things by standing and singing the Doxology.

Mrs. Dale Williams
Mrs. Ernest Carroll
Mrs. Carl Reed
