Seventeenth Annual Conference

LOCAL CHURCH FINANCIAL

1.

We recommend that the Conference budget consists of 10% of all money raised by the local church and Sunday school except that raised for missions, United Stewardship Fund, revivals, building funds, and all funds raised for specified conference interests. Building fund purposes shall be interpreted to include rent on parsonage and church and money paid on contract of the same.

2.

We recommend that each church raise 10 cents per member per month for District Church Extension Work, money to be paid to the Conference Treasurer.

3.

We recommend any church with a monthly gross income of \$250.00 to \$500.00 shall pay 1% of the monthly gross receipts to the Frankfort Pilgrim College; be it further recommended that any church with a monthly gross income of \$500.00 or more pay at the rate of 2% of said receipts. Said payments to be made each month through the conference treasurer.

4.

Inasmuch as there is no special assessment for the support of the camp meeting, we recommend that the solicitation from the churches be made by the pastors. Be it further resolved that an amount equal to \$1.00 per member, per year be received from each church.

5.

We recommend that all churches be urged to pay the pastor's entire pension assessment and that this recommendation be included in the financial report sheet.

In Memoriam

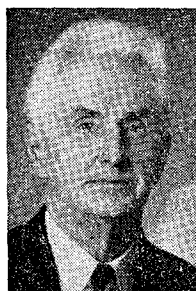

EDWARD W. KIRKPATRICK

Brother Kirkpatrick was born March 14, 1925 and went to be with the Lord on September 26, 1966 closing a short but thoroughly devoted life to the Christ he came to love and serve. He was converted in 1945, sanctified in 1953 and preached his first sermon in 1946. He united with the Pilgrim Holiness Church in 1949 and was ordained to the ministry in August of 1954. He was a graduate of Frankfort Pilgrim College, four year ministerial course.

He pastored at Alexandria, North Kokomo and at Evanston Ave., Indianapolis where his ministry came to a close. He also spent a short time in the field of evangelism.

FRANK BROWN

After a long and active life the ministry of Brother Brown came to a close on January 23, 1967. He was converted in Nebraska in 1922 and sanctified in 1923. In 1925 he united with the Pilgrim Holiness Church and was ordained to the gospel ministry in 1939. His ministerial training was in God's Bible School. His First sermon was in Kentucky where he also served his first pastorate. Other pastorates were in Frankfort, Indiana, Madrid and Ogallala, Nebraska, and Garden Grove, Iowa. During his ministry he launched one new church and constructed one parsonage. While his later years were not active in the ministry they were active in the service of his Lord.

JAMES PURSLEY

Another of our older ministers who devoted much of his life to the service of God and the Pilgrim Holiness Church, Brother James Pursley, closed his earthy pilgrimage in Florida on March 29, 1967. His ministry was in the pastorate and he served many of the churches of the Indiana District effectively. He attended 50 consecutive camp meetings at Frankfort and the camp of 1966 was the first he had missed. He will not only be remembered for his years of pastoral ministry but also for his victorious testimonies and the radiance of his life. He left no historical record so many of the details of his ministry are not available but we are sure that God has kept records of the many years of devotion and service.

May each part of the record be such that God shall bless in this sharing of His program.

The chairman asked for the roll call. The roll of ordained ministers and ordained deaconesses was read by the District Secretary, Rev. Carl R. Reed.

Rev. R. G. Flexon led the congregation in prayer.

A Scripture lesson from Ephesians 2 was read by Rev. Leroy M. Hines.

General Superintendent J. D. Abbott was presented to the Conference as chairman. His reading of I Thessalonians 4:1-8 and forceful comments set the tone for our attitudes in serving Christ. The Apostle realized he could not force people to live a holy life but stated, "I beseech you and exhort you." There is a price required if we are going to live a pure, dedicated, Christian life. Rev. Abbott gave ten meaningful beatitudes by an English writer, which portrayed the traits of the sanctified:

"They do much good and make little noise; they bring up the bottom of their life to the top of their light; they prefer the duty they owe to God to the danger they fear from man; they seek the public good of others above the private good of themselves; they choose the word 'sorrow' rather than commit the least sin; they become as fathers to all in charity and as servants to all in humility; they keep their hearts lowest when God raises their estates highest;

they seek to be better inwardly in their substance than outwardly in their appearance; they render the greatest good for the greatest evil; they take those reproofs best which they need most."

District Superintendent, Rev. D. W. Lacy, introduced Rev. Jason Felter to the Conference.

The chairman called for the minutes of the afternoon session.

The minutes were approved as read.

The chairman requested the report of the Resolutions Committee.

The recommendations of the Resolutions Committee were read by Rev. Leon Willoughby and action was taken as follows:

A motion prevailed to adopt Resolution No. 1.

A substitute motion was made that we ask the Council to plan for our conference next summer following the merger conference. The substitute motion carried.

A motion carried to delete Item No. 60 on page 41.

A motion carried to adopt Resolution No. 6.

A motion carried to delete Item No. 76 on page 43.

A motion to adopt Resolution No. 8 was carried.

The Ways and Means Committee offered recommendations to the conference as read by Rev. Cecil Bowker:

A motion prevailed to adopt recommendation No. 3.

A motion carried to adopt recommendation No. 8.

Prayer request was also made for Mrs. Faye Locke and other victims of a car accident near Indianapolis.

Rev. Abbott expressed his pleasure in the privilege of presiding during these sessions of the conference. Words of appreciation for the splendid services of Rev. J. D. Abbott, General Superintendent, in directing the conference for the first two sessions, were given on behalf of the conference by Rev. D. W. Lacy.

After various announcements, the conference was adjourned with prayer by Rev. Floyd Goins.

THIRD SITTING—THURSDAY 8:30 A.M., JUNE 22, 1967

The Third Sitting of the conference convened at 8:30 a.m. Rev. O. D. Williams was in charge of the Memorial Service.

Rev. Ronald McClung led the congregation in singing the old hymn of the church, "My Faith Looks Up to Thee."

Rev. Lester Henry read a Scripture lesson from II Corinthians 4:17 - 5:11.

Prayer was offered by Rev. Gilbert Noel.

Tribute was paid to Rev. James Pursley by Rev. Floyd Goins. He recalled the words of Jesus concerning Nathaniel, "in whom there is no guile". Surely this could be said of Rev. Pursley. He was noted for his great living and his great ministry. He was a victorious Christian in life and in death.

Rev. Thomas Manual spoke of the rich life of Rev. Frank Brown. He read the favorite Scripture verse of Brother Brown found in Psalms 16:11. He loved God very deeply and was a man of prayer and sweet spirit.

Rev. D. W. Lacy spoke of the wife of the pastor as the "Queen of the parsonage". Such a title fittingly portrayed the devoted wife of Rev. L. A. Singer. They were member of the Wesleyan Methodist Church and served pastorates in many areas of the denomination, including the College Church at Marion, Indiana. Even though afflicted with a paralyzing disease, a sweet kindness pervaded her life and was reflected in the lives of her children. As a saint, you do not have to say a great deal to be a source of blessing. She graced the parsonage with her godly life.

Rev. Guy Mowery paid fitting tribute to Rev. Edward Kirkpatrick, pastor of the Evanston Avenue Church at Indianapolis at the time of his home-going. He was a man of great prayer, of conviction, and a preacher of holiness. He was truly a victorious Christian.

Mrs. Myrtle Rice, wife of Rev. John A. Rice, went to her reward on June 5, 1967. Rev. Willis Snyder paid tribute to her godly and devoted life as a mother, wife and church worker. She and her husband served in Kentucky, West Virginia and the Northern Indiana Conference. God richly blessed her in musical talent, which she used for His glory.

Rev. Joseph C. Brown paid tribute to the far-reaching influence of the rich and devoted life of Madgel (Howard) Wilson. She was saved at the age of 11 and later sanctified. She received degrees at Owasso College, Frankfort Pilgrim College and Indiana University, and taught at Frankfort Pilgrim College. Her long years of missionary service in Africa with Rev. Ermal Wilson were blessed of God. She was loved by God's people around the world. "Blessed are the dead who die in the Lord."

General Superintendent Abbott concluded the Memorial Service with prayer, after a moment of silent prayer, in memory of those who have gone to their reward.

General Superintendent, J. D. Abbott, took the chair and called for the roll call. A motion to dispense with the roll call carried.

The chairman called for the reading of the minutes of the Second Sitting. The minutes were approved as read. Request was made that the ten traits of the sanctified, as given by Rev. Abbott in the previous Sitting, be included in the minutes. The Secretary stated these would be included as requested.

With the arrival of General Superintendent, Dr. Melvin Snyder, the chair asked that he preside during the remainder of the conference. Dr. Snyder requested that he be permitted to sit in on the conference until 10:00 a.m.

In deference to the request of Dr. Snyder, General Superintendent Abbott kept the chair.

District Superintendent D. W. Lacy presented the evangelists of the district to the chairman and conference: Rev. Dorsey Schenck, Rev. Vard Van Briggles, Rev. J. Maxey Walton, Rev. Guy Mowery, Rev. R. G. Flexon, Rev. Jason Felter, Rev. Cecil Sanders, Rev. Floyd Goins, Rev. Carl Reed and Rev. Dale G. Zeits. Rev. Lacy stated Rev. R. D. Perry was unable to be introduced to the conference with these gentlemen because of duties in the classroom.

The Northern Indiana Conference would have ten ministerial delegates and ten lay delegates to the International Conference, and nine ministerial and fourteen lay delegates to the Merger Conference. DISTRICT SUPERINTENDENT'S REPORT

General Superintendent, Dr. Melvin H. Snyder, delegates to the seventeenth annual conference of the Northern Indiana district of the Pilgrim Holiness Church, friends:

Greetings in the name of our wonderful Lord and Saviour Jesus Christ. Our hearts are filled with praise to God for His unspeakable love at this season of the year. In His good providence life has been extended, and we trust that in each life among us there is supreme desire to "occupy until He comes." How wonderful to think He could come today, and thus end all committee work, council sessions, labor and toil related to His commission.

This past year has been one of true christian endeavor by a most devoted core of "Workers together with Christ." It is a privilege to set forth some of the visible results of another years christian service. The conference of which you are a part represents a strong portion of the very heart of the Pilgrim Holiness church and you are entitled to hear and know how you stand in the body of Christ denominationally speaking.

Even though he last general conference imposed another dollar and half increase in the United Stewardship fund, your conference accepted this challenge through local church leadership and came through with good grace by moving from fifth place percentage wise a year ago to second place this year. Even so we were down 2.2%. A year ago our total contribution was \$18,013.23—81.3%. This year our total contribution was \$20,180.32—78.1%. The ministers and local church boards who worked conscientiously, and on the regular monthly basis are to be commended for a job well done. I see no real reason why the current year should not be even better.

Your district council has worked diligently to give the Northern Indiana Conference solid and achieving leadership, for this I am grateful. All departments of the work has been well, and justifiably represented. The District Treasurer's report will show that World Missions, General Sunday School, and General Church Extension work have all been equitably cared for within the frame work of our ability. On the district level and in the main, a spirit of faithfulness seems to prevail. In these days of upheaval and convulsion, with uncertainty and hearsay rampant almost everywhere; in the political, moral, social, and religious world, our leaders have held steady and have refused to be stampeded into unwholesome decisions or actions. Each unit of district leadership has appraisingly looked at the trends, asked questions and have been reassured that the church wants solid and scriptural leadership. With open hearts and ready minds our ministers have led the way to aggressive and spiritual achievement.

In many areas of the district, real and meaningful revivals have given the churches new zest and heart to move forward. The cry of the new born, the hungry, the frustrated has called for the best metal that can be found among the saints, and they have given it. As our laity are enlightened concerning the total outreach of the church, they become more efficient and aggressive in the projection of our Lord's claim upon the lives of individuals everywhere. We thank God for the faithful laity of the conference.

Not only has the district responded well to general church interests, but the district has shown firm strides in the direction of purposeful occupancy.

I herewith present a few highlights of district purpose. Three new church buildings have been added to our holdings this years. Our church at Tipton is nearing completion. This is a beautiful multi-purpose two story structure with adequate land area for future expansion and a new parsonage. The pastor and his committees have done a very commendable piece of work. The new church at Mishawaka is a small but beautiful building in a suburban area of the city. This work is a transplant from South Bend and is just getting well started in the new location. All furniture is new and the total plant has a fine community appeal. Pilgrim Chapel in Indianapolis is a very lovely two story structure and is a monument of sacrifice by the Pilgrims of this area. Most of the labor

was by pastor and people. The work here is in a very needy section of the city and is a real love gift to the community. Dedication services were held May 7.

A number of district churches have undertaken and completed major re-modeling programs. Frankfort First has been beautifully modified and presents a fine worship atmosphere.

Michigantown's addition and re-modeling program is now complete and presents a new setting for worship.

Noblesville Pilgrims have completely renovated the church and lowered the ceiling. A new lighting system and other incidentals add greatly to worship appeal.

Nappanee enjoys one of the very finest and most comprehensive remodelings in the district. Looks like a new church, and is beautifully furnished.

Wabash had a total Church basement re-alignment and decoration. The work makes departmentalization possible.

Fort Wayne has added a new entrance to the church proper, this work included double glass doors.

Our Chesterfield church has completed its first unit in their long range building program. This is a fine structure and represents hard work by the local body.

Our district has one beautiful new parsonage at Kokomo. This building was dedicated this year.

At least three of our parsonages have been remodeled, thus making for better home life for the minister.

Besides items mentioned here many of the churches have improved the facilities of the local churches by adding such items as Sunday School rooms, Church furniture, musical instruments, address systems, carpeting, hymnals, lighting systems, and parking facilities. The total picture of the district in its outlook as a striking force for Christ is good.

At this conference we can report that the first unit of the new dorm program is underway and it is hoped that the building can be far enough along that it can be utilized for camp purposes this year. Each year one or two new projects have been completed at the camp site. This is your camp and we trust that everything that is done on these grounds will be well done so that it will wear and endure for a long time to come.

NORTHERN INDIANA DISTRICT SUPERINTENDENT'S PERSONAL REPORT

The past year has been a season of varied activity and I present a resume of the same for your consideration. I made 123 church visits, ministered the word 143 times, met with church boards 79 times, had ten district council meetings, twelve committee meetings, five college board meetings, three general board meetings, one meeting with the two general boards of the merging churches. This is a polity group preparing for the merging conference next June. Dedicated one church and one parsonage. Participated in one ground breaking service, visited in nine zone meetings, conducted 13 annual meetings, served as delegate at the last general conference, served as chairman of our district camp meeting, attended one area leaders' meeting, one Sunday School promotional service, and Natives Missionary Convention in Indianapolis. I conducted the ministerial convention at Anderson, Indiana and was greatly encouraged by the inspirational ministry of Dr. Nicholson, ministerial guest speaker, from the Wesleyan Methodist Church. Many of the Wesleyan ministers were present for this time of heart searching and inspirational challenge. We felt this to be a time of real uplift and revival for all in attendance. Besides this report I have helped in many sessions of counseling with our ministers and local church

leaders in bringing valid information relative to the church merger. I have ministered in 3 revivals.

The committees of the district have given invaluable service in caring for the work committed to their trust, and all of their service has contributed to any and or all success in the district. From my heart I say, Thank you.

Rev. O. D. Williams, Assistant Superintendent of this district, has responded again and again when his services were called for, and he too, has helped to make the burden of leadership lighter. For his courageous spirit and encouragement I am grateful. His concern for the work is greatly appreciated.

Respectfully submitted,

D. W. Lacy

The Hospital Administrative Board (District Council) appointed a study committee to review our hospital insurance needs in view of growing medical expenses. This committee, Rev. Creston Eckart, Rev. Russell Wooten and myself, have reviewed four plans and would like to make a report to this conference and we would like for the conference to designate a time to be set aside to discuss the whole insurance situation.

REPORT OF THE CONFERENCE SUNDAY SCHOOL BOARD

The Conference Sunday School Committee submits the following report to the seventeenth Annual Conference of the Northern Indiana District of the Pilgrim Holiness Church.

The Sunday School Committee met in the first half of the conference year and formed plans for a Mid-Year Sunday School promotional service. Three locations were selected in the district for these services with our General Sunday School Secretary, Rev. O. D. Emery as speaker. These services were inspiring and challenging, assuring us there is no place in God's great work to slack the concern for the souls that are lost and awaits the reach of an aggressive Sunday School. The promotional secretary submitted a chart showing the yearly report of each church in the district covering an eight year period including the first six months of this conference year.

Along with keeping the record of each Sunday School for the year, a record has been kept of all reporting churches on the attendance for morning Worship and Sunday evening services.

Let us look at the attendance figures of 68 churches reporting. The average was 6017 for the district Sunday School attendance. This was a loss of 33 numerically or .5%. Showing the average attendance of 87 for each Sunday School reporting.

Twenty-seven churches in the District show a gain, some show exceptionally good gains.

Both Certificates of achievement numerically and percentage are awarded to Indianapolis Pilgrim Chapel with a percentage gain of 42.3% and a numerical gain of 33. It is a pleasure to award ribbons to the following 16 churches who had a gain of 10% or more.

REPORT OF THE SUNDAY SCHOOL PROMOTIONAL SECRETARY

I have counted it my privilege to serve with our District Superintendent and the members of the Sunday School Committee the past year.

I have endeavored to be on time with District Voice reports and record all reports that have come to us by each local Church, both of Sunday School and Sunday morning and evening services.

I have appreciated the help and information given by former S. S. Promotional leader and pastor to better acquaint me with this field of responsibility. May God's richest blessing rest upon each of our efforts as we see the near coming of the Lord at Hand.

Respectfully submitted,

G. R. Raney
Promotional Secretary

The sacrament of the Lord's Supper shall be observed at least once each quarter by our local churches. We further recommend that each church shall have a baptismal service each Conference year for those who qualify and desire the rite of baptism.

11.

Each church shall send the names of its lay delegates to the District Secretary not later than June 1.

12.

Whereas there has been no official method of tabulation of attendance of branch Sunday Schools and the mother churches, be it resolved that this method be adopted:

- a. The attendance of the mother church should be recorded in the usual manner.

- b. All persons attending the branch Sunday School shall be counted, including the members of the mother church.
- c. These figures of attendance shall be reported separately.

13.

No church board shall call an evangelist or other Christian worker from outside of our own denomination without the approval of the District Superintendent.

22.

A committee of three men, appointed by the District Superintendent, shall determine the boundaries of the zones; any changes made shall be verified by the Conference.

28.

The minister who fails to get his annual report to the Conference Statistician by May 25 shall be referred to the Examining Board.

29.

Because of the evil influence of obscene literature and many T. V. programs that promulgate vulgarity and hinder spiritually, be it resolved that we as a conference are opposed to the same, and that we strongly urge Pilgrims to use all possible legal and moral persuasion to curb such evil influences. Furthermore, we urge our ministers to faithfully warn against these evils without fear or favor.

We recommend that a copy of the unstationed ministers' report be filled out in duplicate and one copy sent along with recommendation to the secretary of the Education Board.

37.

The questionnaire prepared by the Examining Board must be filled in by each applicant for conference license and sent to the chairman of the Examining Board. A duplicate copy is to be sent to the District Superintendent.

Such records may be obtained from the school in which their work is being taken two weeks in advance.

39.

Ministerial candidates shall present to the educational board a clearance from the administrative office of their respective college or school before recommendation for license or ordination be considered.

40.

Whereas the Manual outlines the duties and prerogatives of the Educational and Examining Boards, and whereas commitments to candidates embarrass and hinder these Boards in the performances of their duties, be it therefore resolved that no such commitments be made.

41.

Let the church boards recommend only those for district license who are known to have completed the prescribed course for local ministers. See manual, Sec. 231 and Sec. 175, Par. 3.

BE IT RESOLVED that the minister's time on the present field be included in the report in the Conference Journal.

75.

Inasmuch as our District Superintendent has an increased load of correspondence and secretarial work, we recommend that he have the privilege of securing the services of a part-time secretary and the expense be borne by the District.

76.

We recommend that the District Superintendent be granted a three-week vacation with pay each year.

77.

Be it resolved: that there be a District CYC Committee to assist the District CYC Director; and further that the District CYC Director give an annual report to the district conference, which would include a statistical summary of the CYC work in our district.

78.

Whereas we have been given the opportunity to select a committee to represent our district in the forming of a plan for the future boundries of the districts which will be formed in the Wesleyan church;

Therefore be it resolved that the council appoint a committee to work with the committees of other districts in early planning for such proposed boundries and these proposals to be brought to the district conference.

REPORT OF THE WAYS AND MEANS COMMITTEE

Local Church Financial

1.

We recommend that the Conference budget consists of 10% of all money raised by the local church and Sunday school except that raised for missions, United Stewardship Fund, revivals, building funds, and all funds raised for specified conference interests. Building fund purposes shall be interpreted to include rent on parsonage and church and money paid on contract of the same.

2.

The District Budget shall be prorated as follows: Conference fund, 75%; Old Peoples' Home, 1%; Frankfort Pilgrim College, 10%; International Conference fund, 2%; Evangelists' Pension fund, 3%; Camp Meeting fund, 4%; District Home Missions, 5%.

3.

We recommend that each church raise 10 cents per member per month for District Home Missions Work, money to be paid to the Conference Treasurer.

4.

We recommend any church with a monthly gross income of \$250.00 to \$500.00 shall pay 1% of the monthly gross receipts to the Frankfort Pilgrim College; be it further recommended that any church with a monthly gross income of \$500.00 or more pay at the rate of 2% of said receipts. Said payments to be made each month through the conference treasurer.

5.

Whereas there seems to be a need of clarification as to the proper procedure for sending in funds to the District Treasurer, we recommend that

ALL funds raised in ALL departments of the local church for District and General interest must be:

1. Transferred to the account of the local church treasurer.
2. All money mailed in one check by the local treasurer to the district treasurer monthly.

6.

We recommend that our conference stenographer be paid \$40.00 and that the secretary be authorized to secure additional helpers at the same rate.

7.

We recommend that the District Superintendent's salary be \$140.00 per week, to include hospitalization insurance, plus utilities and traveling expense. Travel expense shall include overnight lodging and meals when traveling for District work.

8.

We recommend that our Assistant Superintendent be paid at the rate of \$20.00 per day plus mileage for each day's service, also district telephone expense.

9.

We recommend that the 2% pension payment of the District Superintendent be assumed by the District Conference.

10.

We recommend that the District Secretary be paid \$250.00 for his services for the year.

11.

We recommend that the District Treasurer be paid \$675.00 for his services for the year.

12.

We recommend that the District Statistician be paid \$125.00 for his services for the year.

13.

We recommend that the editor of the Pilgrim Voice be paid \$15.00 per issue for his services.

14.

We recommend our Secretary-Treasurer of our Group Insurance Program be paid \$100.00 for his services for the year.

15.

We recommend that the District Youth President be paid \$100.00 for his services for the year.

16.

We recommend that our Sunday School Promotional Secretary be paid \$150.00 for his services for the year.

17.

Inasmuch as we have a Home Missionary Loan Fund to aid with the establishing of new churches, and whereas there are some churches who are delinquent in payment of said loan, we urge those who have loans to bring their payments up to date.

We further recommend that each pastor with the assistance of the District Superintendent secure new pledges of \$5.00 per call, there will not be over two calls per conference year. One-half of the amount raised by each call shall be an outright gift to the church for which the call is made; the other half shall be made available as a loan which will be repaid to the conference. The payments made on the loan shall go into a loan fund which will be established and administered by the District Council. The rate of interest shall be 4%.

18.

We recommend that the standard mileage rate be fixed at six cents per mile.

19.

We recommend that all churches be urged to pay the pastor's entire pension assessment and that this recommendation be included in the financial report sheet.

20.

We recommend that the Treasurer's report, which is sent to the pastors, be a complete report of the giving of the local church, and shall include departmental offerings.

21.

We recommend that any lay person accepted as a worker by the camp committee shall be required to pay a registration fee for the camp meeting of \$1.00.

22.

We recommend that the Camp Meeting Board and District Council pass on all improvements or construction entailing an expense of \$1,000.00 or more.

23.

We recommend that the Conference retain Public Liability, (medical, and comprehensive) insurance for Camp.

24.

Inasmuch as there is no special assessment for the support of the camp meeting, we recommend that the solicitation from the churches be made by the pastors. Be it further resolve that an amount equal to \$1.00 per member, per year be received from each church.

25.

We recommend that the caretaker of the Camp Grounds shall receive a salary of \$100.00 per month, (house and utilities supplied) to be paid from the conference funds.

26.

We recommend that the local church be responsible for the expense of the pastor's wives to the Pastors' Wives Retreat, and that the District Treasurer bear the expense of the same for the District Superintendent's wife. The amount to be at least fifteen dollars.

REPORT OF THE DISTRICT YOUTH PRESIDENT

To our chairman, Rev. O. D. Emery, our District Superintendent and members of the District Youth Conference of the Northern Indiana Pilgrim Holiness Church, May 20, 1967:

Greetings:

For the past six years it has been my delightful pleasure to labor with our youth as their district president. I have appreciated so much the cooperation, helpfulness and understanding of the District Youth Council from year to year; the help of the District Superintendent and District Council in the search for and planning of activities that would aid our youth in their desire for

a closer walk and a deeper life in the Master; the many, many committee members who have worked long and hard to make these plans and desires come to pass; and last but definitely not least, the love, cooperation and fellowship of the youth themselves.

This past year has been a year of varied activities. One of the outstanding memories of the year to me, was the Youth Rally on the first Friday evening of camp meeting. Our hearts were thrilled and our spirits lifted as the tabernacle filled with the many youth and friends assembling together to worship God. Following this opening service, the young people were challenged each day by the ministry of Rev. Mitchell from the Kentucky District. A number of our teenagers took part in these services in the tent, singing, playing their instruments, etc.

Our youth camps were certainly blessed of the Lord as many of the boys and girls returned to their homes with a testimony they hadn't been able to give before. The activities, preaching and prayer services of the teen camp were an inspiration to all who were present.

Following camp meeting, plans were laid for a winter retreat which was held at the Winona Hotel at Winona Lake during the Christmas vacation from school. It was a most enjoyable time and fifty teenagers attended.

Our recent Senior Banquet at Anderson was the largest yet, and I'm sure all who attended felt like this was a blessed and profitable time for young people.

As I have visited over our zones, I have praised God many times for our churches and the youth God has entrusted to us. Our responsibility is great and we dare not ever fail them, but constantly strive to lift up the Master to them. It was a thrilling experience, in the fall, to attend a breakfast in Indianapolis, given by that zone for the members of the "YES CORPS" from Northern Indiana who had just returned from Texas and Mexico.

I am certain that whoever is chosen to serve as president this coming year can be assured of all our prayers and cooperation as they strive for the best that God has for our Youth. Again from my heart I say "Thank you" all and may God's richest blessings ever rest upon each of you.

Respectfully submitted,

William Babb

REPORT OF THE PROJECT COMMITTEE

Our project for the last year was the first \$1,000 toward a new dormitory. Our project month was March as it has been the past several years. Some of the churches have been very prompt in sending it in. Other churches have pro-rated the amount and sent it in monthly. Still others have not sent in their offerings yet.

We also still lack some funds for the flagpole project.

In order that we may get the money in the hands of the youth treasurer earlier and therefore able to start the project earlier we recommend that the project month be moved to September. As this moves it up six months and as some churches do not yet have their fair share in, we recommend that the project of last year be continued through this year. We also recommend that an offering be taken to help cover the deficit between the cost of the flagpole project and the amount actually sent in.

Yours in His service,

The Project Committee
Marlin Boss, chairman
Elvin Powers
Charles Campbell

REPORTS OF ZONE YOUTH CHAIRMEN

ZONE I

It has been a pleasure to serve as Youth leader of Zone No. 1 this past year. We were privileged to have some very outstanding services, which were blessed by God. We counted it a real joy to have our District Youth President

for the speaker in one of our services. Also, in our February rally, we were favored to have a special youth group from Frankfort Pilgrim College. For our closing zone rally, we had a singspiration in which several youth from the zone churches participated. It is with great anticipation that we of Zone No. 1 are looking forward to another year of spiritual blessings from God.

Eugene Huff

Zone I Youth Chairman

ZONE II

Three youth zone meetings were held in our zone this year.

The first, in October, was held at Fairmount with the Fairmount youth in charge. This included a chalk drawing by our zone youth leader Bob Cromer.

The second was at Marion South in January with approximately 170 in attendance. It was a singspiration featuring "The Good News Harmonettes," a ladies trio from Eighth Street Wesleyan Methodist Church of Marion. There were also special songs from the various churches.

The third meeting was held at Marion Grant Street, at which Rev. Ralph Hamilton was the guest speaker.

Marlin Boss, Jr.

Substituting for Bob Cromer

ZONE III

We had varied kinds of services in our Youth Zone meetings during the past year. In September we were privileged to have Brother Wayne Preusz to be with us to present the work of the YES Corps.

In December our Youth Rally consisted of a harvest home meeting for Frankfort Pilgrim College. Brother Blann was present with the choir and gave us a very good service.

For our March meeting, Brother Babb, our District Youth President, spoke concerning the work of our Youth on the district level. This was our last Youth Zone Meeting for the year.

Paul Gafford

Zone III Youth Chairman

ZONE IV

Zone Four had a good year of Youth Zone Rallies. Our first rally this year was in September and was held in the Pitts Memorial Building at Frankfort Pilgrim College. A report of the Texas-Mexico "YES Corps" team members from Zone Four was very interesting. The four members from Northern Indiana were from Zone Four.

Another service was about "The Bible," and was inspiring and informative.

The Frankfort Woodside Youth Society presented an excellent service for us.

The last youth rally was cancelled due to so much sickness. It is encouraging to note that our young people look forward to our rallies.

Joseph C. Brown

Zone IV Youth Chairman

ZONE V

As Youth Chairman for Zone V it is my privilege to report a good year in the Lord. It has been inspiring to work with the many fine, dedicated young people and pastors of our zone.

Rallies were held on alternate months with attendance ranging from 160 up to 300 on two different occasions.

At one of our rallies, Rev. Paul Voronaeff, a noted speaker and writer on communism addressed our youth, which proved to be a real challenge. The theme for another Rally was "Youth in Action" and we endeavored to involve some youth from each church in the zone.

Our last rally was held at the Tipton Church with a capacity crowd present and three speakers from different churches in the zone spoke concerning the Journey of Life. Each speaker was preceded by a character who dramatized the attitude of some people toward the journey of life. The three attitudes depicted were that of the bum, no aim, no goal, no purpose, that of the pleasure seeker, that life is all pleasure, and that of the prepared traveler.

Richard Carr

Zone V Youth Chairman

ZONE VI

I assumed my duties as youth leader of Zone 6 by appointment of the District Youth Council following the resignation of the elected leader.

Our first meeting was a breakfast on Labor Day week-end. Special guests were the four Northern Indiana members of the "YES CORPS TEAM" to Texas-Mexico. They had just returned and gave an enthusiastic report. Rev. O. D. Emery and Rev. Wayne Preusz of the General Youth Office were also present for the breakfast.

Observance of Youth Week by Zone 6 included a Saturday night rally featuring the Kline Trio and Rev. Richard Abraham, leader of Wesleyan Youth in Indiana. On Sunday afternoon we enjoyed an hour musical with the Kline Trio.

Highlights of other rallies included the ministry of the Winters Trio and District President William Babb.

Elvin Powers

Zone VI Youth Chairman

ZONE VII

The year 1966-1967 has proved to be a successful year for zone meetings in Zone VII. Our zone meetings ran from September through April with the youth and adult meetings alternating.

Our services were held on the second Friday night of each month. Our first youth zone meeting was held in October at the Knightstown Church. For this service, we invited Rev. O. D. Williams and the ladies trio from Frankfort Pilgrim College. October is always designated our College month in the Zone, in which we give a pounding to the school.

December meeting was held in Richmond First Church. Rev. Batman spoke to us giving an outline of the District and General Youth program, after which he brought a stirring message.

The March meeting was held at Muncie First Church. A group of inmates from Michigan City State Penitentiary presented their Crime Prevention Program which was most beneficial.

Our meetings were well attended by our youth, and most of all we are grateful for the presence of God that was felt time after time.

Zone VII Youth Chairman
