DISTRICT SUPERINTENDENT'S REPORT

To the District Assembly of the Oklahoma-Texas District in session at Hopeton, Oklahoma, July 16, 1940, I beg to submit the following report of my labors and the state of the District for the past year.

In many respects this has been the best year we have had on the district. We began the year by going to Hillsboro for a tent campaign with Brother Roy Davis. The Tongues people had put on an extensive campaign and as a result each church in town was doing all in its power to strengthen its forces. However, God gave us a good meeting. Brother Davis leaves Hillsboro this year for his life's great objective—missionary work in India under the Oriental Missionary Society. Brother Davis has done good work, and has cooperated in the program of the district, he has been a good pastor, and council member and we bid him Godspeed in the work to which he is called.

At the opening of the year several problems confronted us. Shamrock through weakness and adversity was nearly gone. The outlook was not encouraging. In August the district council sent Brother H. R. Hale to Shamrock with one of the district tents. A four weeks revival followed which broke through the lines of resistance. Brother Hale was called as pastor of the church and the revival continued. Twenty new members have been received into church membership during the year. These 20 new members for the most part are adults and heads of families. The Sunday School has made a gain from an average of 23 the first quarter of the year to an average of 57 the last quarter. The old church has been turned into a parsonage and the Presbyterian church rented for church services.

Our church at Tulsa entered the year with a struggle. Three pastors have labored here during the year. Brother Berkebile served the church from September to December. Brother Berkebile held a very successful revival which brought a splendid spirit among the people. Brother Wolcott from the Kansas District supplied from December until March when Brother Brannon took the pastorate and is now carrying on the work. This spring the Sunday School has had a good increase as well as new life in the services. We held a revival here in the winter but due to bad weather little was accomplished. The weatherman ordered rain for Tulsa this spring. All who have had experience with tents know what rain will do for a tent campaign. Sis. Baird from Argonia, Kansas, assisted in this meeting as also did Miss Gladys Billbe.

We began the year at Blackwell with 17 members uninstructed in the ways of the Pilgrim Holiness church. We have had a blessed time of victory. We have received 20 new members into church mem-

bership since last camp meeting and more are in line. The Sunday School has grown from an average of 37 the first quarter to an average of 64 the last quarter. The prospects are bright for the next year. Since going to Blackwell 11½ weeks of revival have been held which is just four days less than three full months. Of these nine and one-half have been held by wife and myself. We were assisted in the first meeting By Lois Cork, in the second by Jack Fitts, for a few days, then Sister Nelson gave us able assistance for 10 days, then Arminta Billbe gave us creditable help for 10 days.

Last year Sister Nelson felt the Lord calling her to preach at the Highland school house where there was a good Sunday School. This past year has been blessed of God as she has labored among this people. During the year Brother Burton held a revival here in which a number of souls sought the Lord. We appreciate this work that is being done here in reaching out to get the Gospel to other people.

Rob't McLain from Pleasant View has also carried on a Sunday School which has meant something. His Sunday School has also been a contributor to the Home Missionary interests of the district which is much appreciated.

Brother Roy Davis went out from Hillsboro to Woodbury to preach and hold a revival in a needy community. Brother and Sister Lutz also have a preaching point at Isabella where good attendance is had.

These preaching points should bring in good results by constant watering and care.

Newkirk is lifting a note of \$200.00 which has hung over them since enlarging the church. To do this they are painting the buildings of the man that holds the note. I have been told that they are half through with the pointing. They have also paid \$74.00 on their indebtedness.

Plainview, Texas, has made some much needed improvements amounting to \$125.00 and have also paid \$120.00 on their property.

These victories on the district have been made possible through the interest of our people and their prayers and the home missionary offerings.

We face problems this coming year as great if not greater than we did this past year. These problems can be solved on our knees and by the cooperation of ministry and laity to one common objective to the program as laid down by the General Church and the District Assembly.

Fairview must receive our help and prayers and come to the front as one of our churches. We have a small but loyal group of Pilgrims at Fairview and a field that is a challenge to us as a district. Let us be equal to this responsibility as well as opening up new fields which lie at our door.

The past year 18 revivals have been held on the district, five of these by the pastors themselves. If we hope to advance it must be on our krees and the evangelistic way. No pastor should be satisfied with less than two revivals a year in his local church. He needs this if for no other reason than to keep his own people from stagnation. If he can not get some evangelist or pastor to help him he should with himself and people go into the thing for all they are worth. Furthermore, we urge each church and pastor to plan at least two revivals, one this fall and one next spring in adjacent territory as feeder meetings for his church and Sunday School. Evangelistic plans should be well laid ahead of time and then adhered to.

10 MINUTES OF THE ANNUAL DISTRICT ASSEMBLY

Last year the District Assembly voted to comply with the General Assembly ruling to furnish a parsonage for the District Superintendent. We appreciate this very much from the district. We were able to secure a comfortable house in Blackwell for the reasonable sum of \$12.50 monthly. The district paid \$57.50 rent, we paid \$25.00 and in January the Blackwell church felt equal to the responsibility and assumed the rent which it has kept up.

We have a fine body of ministers who are equal to the responsibility before them and a splendid body of members who know the Lord and have prayed and supported the work. We have much appreciated working with our good Pilgrims on the Oklahoma-Texas field. We look forward to the day when this field shall be recognized as one of the strorger ones of the church.

The following is a statistical report of our labors:

Sermons 154, revivals 5, miles in district work 10,358, received for mileage \$139.07, miles for Bible School and General Board meetings 3,725. Received for stationery \$24.61. Salary from the district \$460.00, Salary from the general church \$410.00, parsonage rent \$37.50.

Respectfully submitted, D. R. CLOSE.
