#### DISTRICT SUPERINTENDENT'S REPORT

To the twelfth annual Conference of the Pacific Northwest District convened at Pilgrim Park camp grounds, Salem, Oregon, August 9, 1951, greetings in Christ.

We come with rejoicing and praise to God for His love and watchful care over us during this year. While some of our number have gone to be with Christ, all our workers have been spared us; however, Revs. Goss and Mansfield have gone to other fields of labor.

#### Spiritual Progress

Our churches have been blessed this year with revivals and times of spiritual refreshings from on high throughout the District. A good number of people have sought pardon or sanctification at our altars. There is a spiritual deepening going on among us.

There are signs here and there over the conference of progress in the spiritual realm, for which we are most grateful. On the whole, we are spiritually progressive, our people are loyal and on the march for higher and better things in spiritual living. This is one of the most important phases of our work. Above all, we must have a spiritual work if we are to win men to Christ and build up His kingdom.

#### Temporal Success

On this line there is considerable evidence of progress. Many of the Churches have made excellent gains in this realm. Since our news bulletin, "The Northwest Pilgrim", has kept you informed, my report on this line will be brief.

Central Point, under Brother Stanley Weber's leadership, has made improvements in the Sunday School department and on the grounds; Clatskanie, where Brother C. R. Bennett labors, has added several rooms for a parsonage, thus releasing the former parsonage for Sunday School rooms; Eugene, under Miss Miller's leadership, has caught a vision to enlarge the quarters and are raising money; At Klamath Falls Brother O. D. Weaver has made considerable repairs and improvements; Marysville, where Brother E. L. Larson pastors, has made considerable improvement on the parsonage; Brother John Connor installed rest rooms and added a Sunday School room at Medford; Brother Parker Huselson has witnessed the completion of the new church and its dedication at Portland First Church; Brother A. T. Williams has labored faithfully at Raymond, and has seen the Church debt there paid off; At Salem, Brother V. G. Story has seen the Church through to completion of the auditorium's interior, a furnace installed and the Church dedicated this year; Brother Floyd Morgan has reduced the indebtedness considerable on the Seattle Church and added greatly to the value of the property by building a house—the sale of which all indebtedness can be cleared from our property; At Silverton, Brother A. L. Watrous has worked hard to wipe out the indebtedness on the property—this has been accomplished; At Vancouver, Brother Goss began a building fund during the year and some money has been raised, looking toward a new building for the Church there.

#### Conference Grounds Improvements

On the Conference grounds we have made considerable improvements. During and since last Camp our District parsonage has been finished inside, a septic tank and bath room facilities have been installed. Lovely cabinets have been installed in the kitchen by the Women's Missionary Societies of the District. Also an electric range for the kitchen and an oil heater have been installed at District expense.

We have built the long needed rest rooms and put in a very large septic tank at a cost of approximately \$700.00. A pump house has also been built. Our streets have been greatly improved by having them graveled, oiled and covered thanks to a friend who donated the money for this. Brother Clark has donated a 16x16 tent house with a good tent and Sister Gault also has donated a very nice tent house.

#### Our New Church

Last year just prior to camp time, Brother I. G. Canary began services in a home in North Portland. The District Council backed this project in agreement with our First Church in Portland, as it was felt that in that city we needed more than one Church. The story of this Church is remarkable, but can be told here only in brief. Brother Canary went to work to help support the work. Early in the fall he began to look for a Church building and soon found one for sale in the Alberta section of North Portland. The price was \$6,000.00. We did not have it! Rev. R. A. Beltz, our good Secretary of Church Extension, came to our rescue by offering to aid us with a gift of \$1,000 and a loan of \$3,000.00 from the Department of Church Extension, provided we would raise the other \$2,000.00 by May 1, 1951.

Brother Canary and his faithful band got busy. By May 1st this spring our \$2,000.00 had all been raised and paid. In addition to this, the local group has put a new roof on the building, installed a new lighting system in the auditorium and completely finished the overhead and redecorated it at a cost of approximately \$700.00.

There has been a steady growth in the attendance and spirituality of the Church as the months have passed. Beginning with only a small group, they have grown to where the yearly average for their Sunday School shows 32, with the all time high attendance record standing at 75. The financial report at the recent organizational meeting showed that the local group has raised over \$5,000.00 for all purposes this year.

During the year, since the nucleus organization by appointment last fall, new members have constantly been added to the number. On Wednesday night, July 25, the church was fully organized with 37 charter members. Two have since joined, making

39 in all. 28 of these are members of voting age, with a number of good families with one or both parents members.

On Sunday, July 29, the board met and voted to give the pastor a regular salary and rent. Although this is not sufficient yet for full support, Brother Canary has quit work and expects to give full time to the Church this year. We are certainly happy for this new church which we are able to present to this conference for acceptance.

#### **Our Young People**

As the year has passed I have become better acquainted with our young people over the District. As Executive Secretary for this year, Mrs. Deal has often traveled with me and assisted in youth work over the District. We have been made very happy as we have watched the progress of our youth work. We have seen our young people increase in spirituality. This is the finest thing that we can report for them. In several of our churches the young people have also increased in number this year. We hope that this will be true in every Church this coming year.

Several of them have gone to Pilgrim Bible Institute at El Monte, California and made good progress. The report for the most part given to me by President Thomas for their work and deportment was very satisfactory. Several are returning for this year.

#### **The Missionary Societies**

The Women's Missionary Societies have done excellent work. Most of the churches now have such societies and we trust all will during the coming year. Money for various purposes has been raised and a healthy spiritual and missionary atmosphere seems to pervade them.

#### **The Northwest Pilgrim**

Our news bulletin has been well received this year and we believe that it has contributed very substantially to the unity of our people. It serves to keep us all informed as to what is going on and what to expect.

#### **Church Extension**

We regret that due to circumstances beyond our control the work at Waldport was closed during the year.

During this year we have had our attention called to the city of Port Angeles, Washington. Mrs. Alice Norris has lived here for several years. She has felt for sometime that we should have a work there. This spring the District Council appointed Brother Morgan and the Superintendent to investigate, and if it deemed advisable, to purchase lots pursuant to building a church in this city. After considerable investigation, we felt that we should venture to open a new work there. Accordingly, after bargaining as best we could we were able to purchase two lots with a total footage of 100 feet front by 150 feet depth on a corner. The total cost was \$850.00. \$400.00 down payment has been made and the small group of Pilgrims which we now have there has assumed the regular monthly payments of \$25.00 on the balance due.

Rev. R. W. Birch now plans to move to this field and start work about September 1, the Lord willing. Pray for this new work. This will be our project for this year. We trust that during the year we may see other openings for new work; however, for this time, please concentrate your prayers on this project of church extension. We are also happy to announce that Brother Beltz has again come to our aid by offering to help us with Church Extension funds.

#### **Our Finances**

Our churches have stood by the district work very nobly this year. Most of them have sent in their budget monthly, our treasurer reports, for which we are happy. There has been some increase in our over-all financial picture; however, this is not sufficient to meet the absolute necessities of our district expense. But the progress of our churches in this field of endeavor is certainly commendable. Our churches as a whole have reduced their indebtedness noticeably. This year we have been able to pay \$500.00 on our district grounds debt, and hope to do the same this year.

#### **New Workers**

It is a pleasure to welcome into our midst as new workers this year: Rev. and Mrs. John Price, from the California-Arizona District, who are taking the pastorate of the church at Medford; Rev. and Mrs. Arthur Comer, from the Michigan District, who are the new pastors at Svensen; and Rev. and Mrs. Omar K. Biddlingmeir, who come to us from the Southern Methodist Church, Greenville, S. C., and are accepting the pastorate of the Silvertown Church. We are thankful to God for these fine, capable workers which He has sent us in direct answer to prayer. We want them to know that we shall do

our best as a district to stand by them and help them in every way possible to promote the work they have come to do.

### Our Sunday Schools

Rev. Parker Husselton has been our efficient and hard working Promotional Secretary of Sunday Schools. He has worked faithfully at the task during the year. The district wide drive to promote the Sunday School attendance has met with very good success, for which we are thankful. If we work at the task faithfully during the coming year, we may be assured of very definite gains for the year.

### My Personal Report

I wish to express my deepest appreciation for the fine cooperation which I have had this year from both the ministers and laymen and our churches in general. It has been a delight to work with you. You have received our family most graciously and have made us happy among you.

During the year I have visited all the churches at least three times and some of them four or five times as occasion arose in an official capacity. I have held all the annual business meetings and many other board meetings during the year as I visited the churches. I have held a number of week-end revivals in the churches and several of longer duration. I have also spent several weeks working on the district parsonage and conference grounds.

## REPORT OF SUNDAY SCHOOL PROMOTIONAL SECRETARY

To the Ministers and Delegates and S. S. Workers of the Pacific Northwest District of the Pilgrim Holiness Church, Greetings in Jesus' name!

We praise God for His blessings and favor on the Sunday Schools of our District. While we have not accomplished all that we had desired or expected to accomplish, yet God has blessed us and this branch of the Church has been strengthened and advanced; to God be all the glory.

Several of our Sunday Schools have reported special times of blessing when children and young people have sought and found the Lord in the special Revival services as well as the regular Sunday School sessions.

We wish to thank our District Superintendent and his good wife, the latter being a member of the Sunday School Committee, for their splendid advice and cooperation in the work of promoting the S. S. in this needy field.

Special mention should be made and appreciation shown to all the faithful pastors, their wives, and all the consecrated S. S. officers and laymen for their fine cooperation and labors of love in carrying on the work of the S. S. in the past year.

Our records show 100 percent of the churches reporting, and the District annual average attendance gain of 36.

One item of District-wide interest was the Sunday School Crusade which was introduced January 1, 1951 by the S. S. Committee. This S. S. Crusade was an effort to increase attendance in all our S. S. and create a wholesome system of competition. The S. S. of the District were divided into two groups known as the Portland group and the Salem group.

The results are as follows: The total attendance from the Salem group was 8510. The total attendance from the Portland group was 8324. The Salem group leads by 186.

Something else new in our District is the classification of our Sunday Schools:

Diamond Sunday School - 125 to 150 (total attendance any one Sunday).

Gold Sunday School - 100 to 125 (total attendance any one Sunday).

Silver Sunday School - 75 to 100 (total attendance any one Sunday).

Bronze Sunday School - 50 to 75 (total attendance any one Sunday).

The results are as follows:

Portland First - Diamond .....	185
Seattle - Gold .....	103
Salem - Silver .....	89
Vancouver - Silver .....	81
Klamath Falls - Silver .....	75
Portland Alberta - Silver .....	75
Medford - Bronze .....	65
Eugene - Bronze .....	63
Silverton - Bronze .....	62
Central Point - Bronze .....	57
Swensen - Bronze .....	53
Clatskanie - Bronze .....	51

The Annual Report for 1950-1951 including the gains and the losses of each Sunday School are as follows:

With another year before us and Almighty God with us, and the faithfulness and integrity and experience of our present District workers and the coming of new laborers into this fertile gospel field we wish to set before this District a new challenge for better and bigger Sunday Schools--not only in number, but in spiritual life and depth. May God give us a revival in all our Sunday Schools.

#### REPORT OF Y. P. EXECUTIVE SECRETARY

To the twelfth annual Conference, Pacific Northwest District, Greetings:

This year I have tried to direct the work of this department to the best of my ability, since my appointment by the District Council last fall. We are thankful for the spiritual progress which has been made this year. We also appreciate the excellent spirit of co-operation from our young people and their pastors.

One zone rally was held in the Central Zone at Vancouver, Washington. A special Youth Night was also observed during the Ministerial Convention at Portland, Oregon this spring.

We had one District Youth Rally, May 11-13, at Salem, Oregon. These rallies were well attended and we feel that there was much good accomplished. The young people worked splendidly in helping to make them a success.

Our Youth Camp this year, August 2-4, was well attended by young people from all over the District. There was a good spiritual tide from the very first service. Numbers sought the Lord and obtained help. Our young people played an important part throughout the camp, both in the Y.P. services and regular camp services, as well as in the early morning prayer meetings and at the altar services. An excellent choir and good small orchestra were formed by them, which rendered very valuable service to the entire camp.

I have attended all the rallies, having had charge of most of them, and have visited and spoken to many of our Y. P. societies over the District. We have a splendid group of young people of which to be justly proud.

Respectfully submitted

Mrs. Wm. S. Deal

## REPORT OF WOMEN'S MISSIONARY SOCIETY PRESIDENT

To the twelfth annual Conference, Pacific Northwest District, Greetings:

It has been a pleasure to serve as President of the Women's Missionary Societies of our District for this past year, and the report is very gratifying.

We have four new societies to report this year: Marysville, Washington, Portland First, Eugene, and Alberta churches in Oregon.

We now have Societies in most all of our churches, and even in those churches where there is as yet no organized society, they are doing what they can for the causes we represent.

Our project for this year was the installation of kitchen cabinets in the District parsonage. These were completed last fall and have been paid for, with some money left over to be applied on screens for the parsonage. We have also purchased a considerable amount of new silverware for the camp dining hall.

The Societies reported many missionary boxes sent abroad, a number of quilts made and quite a bit of fruit canned for the camp.

We wish to thank everyone who has helped to make this report possible. The financial figures for our Societies are shown in the District Treasurer's report.

Respectfully submitted

Mrs. Wm. S. Deal

as to accomodate our General Superintendent and to better cooperate with the Idaho-Washington District, we recommend that the Conference shall grant the District Council the privilege of arranging and scheduling the Camp and Conference to the best advantage of all concerned.

31. Whereas there is need of promoting the work of our missionary societies on the district, we recommend that the Conference shall elect a missionary president and a missionary secretary-treasurer: We further recommend that two or more names for each office shall be nominated by the District Council.

32. Whereas the General Conference of the Pilgrim Holiness Church has set as objectives for the next four years that of bringing our membership up to 50,000, and the Advocate subscriptions up to 15,000; And whereas we as a Conference should strive mightily under God to fulfill our obligations to this great program: Therefore be it resolved that the Conference set as our objectives:

That all monies coming from membership fees shall be used to promote the Camp interests, and shall be turned over to the District Treasurer at Camp time, for this purpose.

36. Whereas many of our churches pay their pastors by a free-will offering method, and this method often works a handicap upon the pastor both in raising his church finances and in his personal plans; Therefore be it resolved: That each Church of our District begin to pay the pastor a stated amount per week.

37. Whereas the Camp Grounds must be prepared for the Camp Meeting; Therefore be it resolved: That we have a District-wide "Fourth-of-July Cleanup Day" at the Camp Grounds, and that this day be climaxed with a Young People's Rally. We recommend further that, when possible, the young people come prepared to remain over the fifth in order to put the grounds in proper condition for Camp.

38. Whereas our young people play an important part in our District work, and whereas, for the best interests of the promotion of our youth work, we need district gatherings;
