### DISTRICT SUPERINTENDENT'S REPORT

To the 13th annual conference, Pacific Northwest District, Pilgrim Holiness Church, held at the Conference grounds, August 18, 1952, Christian greetings.

We have much for which to praise the Lord at this time. He has graciously spared all our workers this year, helped us to make progress in the work and added new workers to our number.

#### OUR SPIRITUAL PROGRESS

Special revival services have been conducted in all our churches this year. A good many have sought God for pardon and purity and the saints have been edified greatly.

The Hamiltons, the Pratts and Brother Penny have rendered invaluable service as evangelistic workers in our district this year. We are grateful to them for their ser-

vice. Quite a number of new people have been reached and new members have joined our ranks.

There are signs of deepening spirituality among our people. It is quite evident among our younger people especially. And this is one of our chief aims. If we are to win men to Christ, we must be a spiritual church.

### TEMPORAL GAINS

We shall be brief here, as our Northwest Pilgrim has kept most of you informed of these gains.

Clatskanie has purchased a five room parsonage this year . . . Eugene has purchased extra lots and is raising money for a new church building some day. . . . Klamath Falls has done a remarkable interior redecorating job of their Sunday School department and made other outside repairs. . . . Medford has added a Sunday School room and made other improvements. . . . Portland Alberta has made outside improvements on their church and have some money toward a parsonage. . . . Salem has just completed and installed a most beautiful set of pews, valued at about \$3,500.00, had they been factory made. . . . Seattle has done excellent landscaping and gone far toward liquidating their indebtedness this year. . . . Silverton is in process of adding about eight new Sunday School rooms. . . . They have purchased the church at Svensen and they have already paid almost \$200.00 of the price of the building. . . . Vancouver is in a building program which when completed will afford them a new auditorium and several Sunday School rooms. Some of the other churches have made minor improvements on their property also.

We are grateful to all our pastors and their wives for their hard labors and sacrificing spirit in this forward move. We also are deeply indebted to our consecrated laymen who have made this progress possible.

### OUR CONFERENCE GROUNDS

Considerable change has been made on these grounds this year. After thorough discussion the District Council decided that due to the fact that our tall trees were dying and being blown over during the winters, it would be best to remove them before further damage was done. The task was committed to Brother V. G. Story and the writer. Accordingly, about 23,500 feet of timber was taken from the grounds for which we received approximately \$1,000.00. Most of this was spent for the felling and hauling of the timber and for the stump removing and preparations of the grounds in general as they are today. The work is not yet complete, for it is our hope to set trees in the area across the road from the tabernacle and to plant grass in this area all about the tabernacle. All the grounds are now free from stumps and ready for the master plan for the grounds to be set into operation. This will of course take several years for full development as it should be, but at least we are on the way. Plans are now drawn for the overall development and ready to be presented to this Conference for approval.

The erection of a new building to house our lunch stand, book room and information office has also added materially to the grounds. While this is not completed and not yet all paid for, we are sure that it will be carried through in the near future.

It is our hope to make these grounds a great spiritual center for Christ's cause and for our church's advancement in this district. We wish to here express our deepest gratitude to all the men who have labored so long and hard, especially this year, in helping toward a realization of this goal.

### OUR LOSSES

We have appreciated the splendid work done, both spiritually and materially, by Rev. Parker Huxseltun and family at our Portland First church. During the past four years of labors there they have made a great contribution to our work. We regret to lose such good workers from our district. But the Church Extension Department has chosen Brother Huxseltun to take the superintendency of our newly formed Texas District, to which work he will be going soon after Conference. While we shall miss all of them from our midst, we nevertheless bid them Godspeed, and send with them every good wish for success in this new field of labor.

Rev. Arthur Comer, pastor of our Svensen church for one year, has found it necessary to return to Michigan it seems due to conditions beyond his control. We regret to lose these good workers. They have done a very good work this year at Svensen. May God bless them as they go from us.

## NEW RECRUITS

Rev. and Mrs. E. W. Burton, Fredonia, Kansas, are coming to take the pastorate of the Portland First church. They are a fine family, quite talented, and will be an asset to our work there and in the district as well. He was formerly secretary of Kansas district.

Rev. and Mrs. D. H. Nettleton, El Monte, California, are taking the Svensen church this year as pastors. Rev. Bruce Chamberlain, a recent graduate of Upland College in southern California and the son of our missionary to the West Indies and Peru, So. America, has been selected as pastor of the Aurora church. Brother Woodruff is retiring from active ministry at the present because of his health. Rev. Sherman Moore of the Idaho-Washington district is coming to take the pastorate of our church at Medford. Rev. John Price, former pastor, is going to school this year.

## OUR GAINS

Portland First Church topped the list with 20 members being received into membership this year. Eugene followed with 15 new members, while Portland Alberta followed closely with 13 new members. Portland Alberta also headed the list with a Sunday School gain of 24 over last year's average.

Statistics will show that we have made a good gain in district wide Sunday School average attendance this year. There have also been gains in other departments of the work as will be indicated by the reports.

Rev. Parker Hesselton, S. S. Promotional Secretary for the district, and his board have done an excellent piece of work this year. We all appreciate it I am sure.

Rev. John R. Price, District Ex. Secretary of young people, has also done a good work this year. We have had a gracious youth camp and he has done fine work in youth services during the camp.

Our missionary societies likewise are to be commended for their noble work this year. They have contributed considerable to our work this year, as well as to foreign missions.

## NEW WORK

At long last God has sent us workers on our Port Angeles, Wash., work. The Densmores from Junction City, Colorado, moved there this spring. Rev. Paul A. Bedinger, Georgetown, Illinois, and family have just come to take the pastorate of the work. On my last visit to the churches just before camp, we organized the work there as provided for in the Manual p. 28, pa. No. 2. This is not a full organization and will not be received into conference this year. However, we look forward to receiving into conference next year a good church at this place. Plans are now under way for the erection of a building there soon. Our lots there are all paid for except about \$139.00.

In June of this year Mr. and Mrs. Don Little of the Medford church asked for permission to start a Sunday School about 15 miles from that city. Recent reports show that this Sunday School at Ruch has averaged about 20 per Sunday. They are using a rented building. It is being operated entirely without cost to the district. We trust that it may develop into a church.

We have also been working with an interdenominational group at Gleneden Beach, Oregon. Brother Don Johnson is the S.S. superintendent. We have supplied a pastor for several months. This work has showed marked spiritual development, but we cannot predict what its future will be yet. This work is not ours and should not be classed with the two above referred to.

Rev. George R. Hobson has been sent to Grants Pass to open a new work, if God opens the way.

## PERSONAL REPORT

I have been grateful for the help of our good assistant district superintendent, Rev. Ivan G. Canary, this year, and for the gracious and loyal support of all the pastors and churches.

I have visited all the churches at least three times, except Klamath Falls, where I was hindered by a snow storm. I have held all the annual business meetings; many board meetings; attended the annual superintendents' conference and have worked many ways on the camp grounds. I have edited four issues of the Northwest Pilgrim and have put out 513 pieces of district mail at a cost of only \$11.21.

## S. S. PROMOTIONAL SECRETARY'S REPORT

To the Ministers, Delegates and Sunday School Workers of the Pacific Northwest District of the Pilgrim Holiness Church; Greetings:

When we try to report the work of the church in any of its functions we realize that what can be, and many times reports are, far from the real picture. This is true of the Sunday School.

In some cases a report of numbers fail to depict the true condition of the school, while in other cases an increase in numbers means real spiritual advancement and progress.

The past year reveals that the Sunday Schools of our District have, with only a few exceptions, made some numerical gains. God has answered prayer and the people have a mind to work. Beginning last January of this year the Sunday Schools of this District engaged in a very wholesome and beneficial contest for attendance. The results of this contest were reported as total number attending our schools, and the total number of invitations given as follows:

Total attendance in all District Sunday Schools ..... 10,161  
Total number of invitations given by workers ..... 93,253

This three months revival effort in the Sunday Schools, resulted not only in many new people being contacted for the church and the Sunday School, but in some of our churches numbers were for the first time brought under the influence of the Gospel. Many of these children found the Lord in the pardon of their sins.

The total results of the efforts of the past year cannot be recorded. We wish to thank the pastors, Sunday School workers, our District Superintendent, and all those who have helped to make our Sunday Schools what they are, for their assistance and fine cooperation. We wish to thank God first and most for the vision and Divine help He has given.

## Y. P. EXECUTIVE SECRETARY'S REPORT

To the Thirteenth Annual Conference, Pacific Northwest District, Greetings:

I wish to thank God for victory in my soul today and for the privilege of having served the District this year as Young People's Executive Secretary. I have tried to direct this department to the best of my ability, and praise God for what has been done this year since my appointment at the last annual conference. We have enjoyed and appreciated the fine cooperation from the young people and pastors of the district.

Several zone rallies have been conducted over the district; we have been present at

three and have preached at two of these.

A District Youth Rally was conducted at Vancouver during the Christmas holidays, December 26-28. This rally was well attended and a beautiful spirit of cooperation was manifested throughout the entire rally. We planned and conducted the services and wish to thank each one who made the convention possible.

The District Youth Camp was conducted at Pilgrim Park and was well attended by young people from all over the district as well as by some from adjoining districts. This youth camp was highlighted with a Young People's Bible Conference.

Our young people have played an important part in all the services of the camp including the early morning prayer services. From the very first of the camp they have served in the choir and orchestra very acceptably.

I have traveled nearly 800 miles in the interest of the young people and have been reimbursed for most of this. We have witnessed the building of the lunch stand, book room and information booth, which project was sponsored by the District Young People's organization.

Two new Young People's Societies have been organized at Marysville, Washington, and at Central Point, Oregon.

Our young people have made good spiritual progress and we are justly proud of them.

Respectfully submitted,  
JOHN R. PRICE

## MISSIONARY SOCIETY PRESIDENT'S REPORT

To the 13th annual conference, Pacific Northwest District, Pilgrim Holiness Church, greetings:

We are indeed thankful to God and to our missionary societies of the district for the good work done this year.

Numbers of boxes have been sent to our foreign fields, native workers supported and postage furnished for mailing supplies. Help has been sent for our school in Barbados and to our Indian work in New Mexico.

The societies have also been active in helping with projects in the local churches of the district.

Our district project for the year was the purchasing of a washing machine, which has been paid for and installed in the utility room of the district parsonage. The screening of the district parsonage, which was begun last year, has been completed.

Canned vegetables, fruits and jams have been furnished for the camp, as well as some bedding. The Salem society provided two large plywood boxes for storing camp bedding.

Truly the splendid fellowship from the missionary meetings has been wonderful. The missionary prayer meetings have also provided a blessing.

Thanks to all who have helped to make this year a successful year for our missionary societies.

Respectfully submitted,  
MYRNA A. DEAL
