## DISTRICT SUPERINTENDENT'S REPORT

To the 14th annual conference of the Pacific Northwest District, Greetings in Christ.  
"Oh magnify the Lord with me, and let us exalt His name together," Psalms 34:4.

It is with abounding thanksgiving to God that we come to this conference. First, we are grateful for the spiritual blessings so graciously poured out upon us this year. Second, that He has spared all our workers' lives, and most of our people, to labor for Him, and finally, for the temporal progress which His grace has made possible on our district this year.

### OUR SPIRITUAL LIFE

At no time since we have known the work of this district does it seem to have been in as good condition as it is today. There are places, obviously, where spirituality should rise, but on the whole our spiritual status is exceedingly fine. Our people love the truth and want it preached to them. The standards of our church in general are well held and we are on our way to higher heights and deeper depths in spiritual things. Most of our churches have enjoyed times of revival under the ministries of Rev. Troy C. Vaughn, Rev. Frank B. Mills, Rev. Marion Hill and the District Superintendent. And we have just closed the greatest camp in our history, with over 200 seekers.

### MATERIAL PROGRESS

Materially there has been no standstill in our work. Considerable progress has been made in numbers of the churches. Aurora has fixed up a nice little parsonage for its pastor out of a trailer house. Central Point has made considerable improvements on its parsonage. Clatskanie has redecorated the church auditorium. Eugene is in an expansion program to provide for more Sunday School rooms. Klamath Falls has raised money for an interior decoration job. Mayrsville has spent several hundred dollars in a complete inside and outside overhauling of their church, and placed a nice sign on the lawn.

Medford has made improvements in its Sunday School department.

Portland First is raising money for a parsonage expansion project.

Portland Alberta has spent several hundred dollars in remodeling the Sunday School department and in making outside improvements. They have also purchased a 34 passenger bus at a cost of about 1,000. They have taken in the largest number of members of any church this year, eighteen.

Raymond has made considerable improvements on their church and plan to make new Sunday School rooms in the church by rearrangement of their space.

Salem has made Sunday School class room improvements and whittled its indebtedness down considerably, and erected a lovely lawn bulletin board.

Seattle has finally seen the end of its indebtedness this year and will be ready for a mortgage burning service this year. They have also erected a beautiful lawn sign. Silverton has done considerable work towards finishing the eight new Sunday School rooms they started some time ago and will plan to finish these this year. Svensen has about cancelled its indebtedness on the property. Vancouver is in the midst of building a large new auditorium with full basement. They hope to see the structure erected and roofed before the fall rains.

### OUR SUNDAY SCHOOLS

As the report of the S. S. Promotional Secretary will show, this has been a very good year in our Sunday Schools. Portland Alberta has hit an all time high record attendance for the entire district. Portland First lost some last fall, but made good gains this spring. Our new Sunday School at Ruch, in southern Oregon, has done nobly this year, closing the year with an average of about thirty. Central Point also hit an all time high in Sunday School attendance this year. Our newest Sunday School, Port Angeles, just got started June 14th, but has done fine work. Medford has also done an excellent job this year in Sunday School promotion, topping its previous records. Aurora has hit its all time high record during this year. We regret that some of our Sunday Schools have failed to make the progress they should have. We made only a five per cent gain this year. The Sunday Schools at Ruch and Port Angeles will pull our report up some above what it would be otherwise. We hope by next year to have two or three more to present. Our gain this year is too small, but we are grateful indeed for it.

### OUR NEW WORK

It is with great pleasure that we present to this conference our new church at Port Angeles, Washington. Last August Rev. Paul A. Bedinger and family moved from Illinois to this city of 11,000 population and he took up his work as pastor. Preceding him Mr. and Mrs. Ansen Densmore had moved there from Colorado. Mrs. Alice Norris and her husband, Mr. and Mrs. Arthur Rand already lived in the area.

Lots had been purchased and partially paid for by the local people. Church Extension funds made possible the erection of a nice cement block basement building, 28 x 40, with the donated labors of the members and friends of the work. The first revival was conducted by the district superintendent and family, June 10-21, and the work was organized during this time. In a gracious service on Sunday afternoon, June 21, the present unit was dedicated to the Lord, free of debt. It is beautifully finished inside and is a credit to our work. Brother Bedinger and the Port Angeles Pilgrims are to be highly commended.

During last summer Mr. and Mrs. Don Little asked for permission to open a new Sunday School in the Ruch community, some 15 miles from Medford, Oregon, back in the Apple Gate section of the mountains. After some consideration and looking the prospects over, the superintendent gave them the go signal. They were assisted by the Rev. John R. Price, then pastor of Medford. They rented a large store building, and during the year have conditioned it beautifully, supplied proper seating and equipment and have made a very successful go of it. The Sunday School is now averaging around 30 in attendance. They had no pastor for the first 10 months of their existence as a work.

After much prayer and waiting upon God, Rev. and Mrs. Leo Futrell, from Indiana, felt that God wanted them at Ruch. We went over this matter together back in Indiana last winter and they agreed to come. The Sunday School there sent them a gracious offering of 100.00 toward their moving expense. They arrived on the field early in June. He is a graduate of Frankfort Pilgrim College, Frankfort, Indiana. Mrs. Futrell also took work there. We are delighted to have them in our midst. Ruch is at present only in the fellowship stage, and will not be received into the conference as a fully organized work until next year. However, it will be given consideration and treated as all our churches this year, except it will not be required to pay budget.

Don and Helen Little should have honorable mention for the fine work they have done as Sunday School superintendent and secretary-treasurer. And proper recognition should also go to Jim and Imogene Johnson, without whose help this work could not have been what it is today. Here is an example of what spiritual, consecrated laymen can do in a community if they will only try.

With Brother and Sister Futrell now on the field, we are looking forward to a very successful year there.

This Spring Rev. and Mrs. James D. Rockholt, Fresno, California, contacted me about a possible work in this district. Arrangements were soon made for them to settle in Roseburg, Oregon and open a new work there. He comes to us from the California District, and is a graduate of Pacific Bible Institute, from which he holds the Th. B. and A. B. degrees. Mrs. Rockholt also took work from there. She will hold a business position to aid her husband in this work. He is also working at present.

They have made a complete survey of the city and we are well pleased with the

results. Many people have responded to their house to house canvass with definite interest. The general area has already been selected for the location of a church. At present they are worshipping in a rented hall, out of Roseburg a ways. It is the only thing available, but this year will tell a very different story there, we are sure.

Last fall Rev. and Mrs. Geo. R. Hobson moved to Grants Pass, Oregon, intending to open a new work there. He has had to build a home and make a living for his family.

Lots suitable have been found for a building but we have not been able yet to arrange for their purchase. But we are still encouraging rother Hobson to go ahead with this work as opportunity affords.

After about 2 years of prayer and waiting upon God it seems that the answer is on the way for a new work in Tacoma, Washington. Rev. and Mrs. Lindly Arnett, Muncie Indiana, pastors for 20 years in that district, have agreed to move to Tacoma this fall and take charge of a new work. The Church Extension Department is backing this project with considerable help, of which more will be said in the future.

For almost two years we have made contacts and been burdened for this work. Recently, we have found a fine Pilgrim family there. We also have some friends, spiritual, stable, people, who have already asked for our church manual. Others are definitely interested, also, and we have no doubt but what the future will reveal a good work in this thriving city of 146,000 population. There are only six orthodox holiness churches of any description in all this city! What a challenge to us to rise and build.

We have already selected the area, and will soon be getting closer to selection of the actual site for the new work.

Pray for these new works. It takes time, hard labor, prayer, tears, and sweat to build a new work for God. It cannot be done by mere well-wishing.

How we praise God for these faithful workers who have come to the various new fields of our district! Let us pray much for them and these new works.

Our first District Home Missionary service, held during camp, was a remarkable success. We were able to present five new works and a splendid group of new workers for our fields. Thank God!

This is the last year we will receive any aid from the Department of Church Extension. From now on we must battle our way alone, as indeed, a number of our churches have already done. We must redouble our efforts, reach out into new fields and reach new people. We must organize more new Sunday Schools and churches than ever before. These new works under way and now being planned, bring our organized churches and preaching points to 20. By next conference let us see how much we can increase this.

For five years Rev. Miss Betty Miller and co-worker Miss Evelyn Ritenburgh have labored faithfully as pastors at Eugene, Oregon. They have brought this work to its highest level, with a splendid Sunday School and fine membership. Lots have been purchased and paid for and some funds raise for a new church building. They are to be highly commended for their labors of love. Having felt led of the Lord that their work here is finished, they are moving to another field of labor. They have both accepted teaching positions with our Pilgrim Bible Institute at El Monte, Calif. We are happy to announce that they will still remain members of this district. Rev. and Mrs. Roy Dworschak will take their place as pastor.

We regret to have lost from our midst Rev. and Mrs. Omar K. Biddlingmeier, former pastor at Silverton. But they felt that God definitely led them to accept work with the Pilgrim Tract Society, Randleman, North Carolina, a work which turns out some 15 to 20 million tracts per year. May God bless them in their new work. They were beloved of their church and in the district.

#### CONFERENCE GROUNDS IMPROVEMENTS

Following conference last year Brother Story and the Deals completed the utility room and garage and gave the district parsonage a much needed coat of paint.

We have also improved the grounds considerably. Brother Story did most of the work. He also has taken excellent care of the large lots near the caretaker's cabin as you have witnessed.

A new roof was put on half the tabernacle by Brothers Canary and Connor, assisted by the superintendent. We have also put in a number of new seats this year. A new roof has been placed on the caretaker's cabin and other necessary repairs made on it

also. A new overhead ceiling was put in the dining hall just before camp this year, which adds greatly to its utility and attractiveness. The inserts for the steam table have been purchased and installed this year and have made serving much more convenient.

Brother William Iggulden, a fine brother and member of the Salem church has moved into the worker's cabin as caretaker for our conference grounds. This is a good step for us. He will be a blessing here by helping to keep up our grounds.

All these improvements have cost hundreds of dollars, but they are a necessary part of our program. During the year there was given to us 73 bed springs by a housing project in Portland, and also four refrigerators for camp use. We purchased 22 double decker all metal beds for camp. Now we need more tents and tent houses or a dormitory to care for the ever increasing attendance.

#### OUR FINANCES

The district has shown a steady rise in financial giving in all departments the past three years. For example, when we came to the district in 1950, the church Extension Department was paying \$100 per month on the superintendent's salary. This was reduced from year to year until this year the district has been able to entirely float itself financially. Although we were slightly in the red a few months ago, we have come to conference in the black!

If each church will do its best, we can STAY ahead, financially. This progress has required much hard work.

This writer has labored day and night, holding no less than 24 revivals and weekend meetings in the churches of this district in the past three years. Besides we have been compelled by circumstances to hold a number of outside meetings for support for himself and for the district. During this period over \$1,000 has been turned back into the district treasurer to help with finances. It has not been merely my desire to hold meetings off the district, it has been a necessity. But now with increased district budget as a result of the Sunday Schools giving 10 percent of their offerings this is whipping the necessity of outside meetings. I have been able this year to give considerable more time to work within the district proper. And it has paid well. As we develop more work, as we shall this year, there will be more and more time to work with the churches and new works and less in other meetings.

Not only has the district budget increased over \$1,000 per year since 1950, but our pastor's salaries have likewise increased. During the past three years we have increased pastoral support over \$8,500.00 per year, which amounts to over 40 per cent increase. Regular church giving has likewise gained in every department of the churches activities, to the tune of about \$20,000.00 in 1953 over 1950.

The debt on our conference grounds which three years ago stood at \$4,000.00 now stands at only \$1,500.00 plus interest. We have paid \$1500.00 on it this year, and pledges were made this camp to cover all this and more besides. Praise the Lord! Besides this, hundreds of dollars have been spent on the grounds and buildings to put them into proper shape for the service they are to render.

#### MY PERSONAL REPORT

I deeply appreciate the spirit of fellowship and faithfulness among our pastors and people. Their support has been most heartening. I have endeavored this year to spend more time with our churches and pastors. In a number of instances I spent two days or more with them during my visit to the churches last fall.

I have visited the churches of the district there times some four times, or more as necessity arose. I have held all the annual church meetings and organized one new church at Port Angeles, Washington and one fellowship at Ruch, Oregon. I attended the annual superintendent's conference at Indianapolis. We have edited four issues of the Northwest Pilgrim and have put out over 750 pieces of district mail, over 200 more than last year. This has been one of my busiest years in district work since coming on this district.

## ASSISTANT SUPERINTENDENT'S REPORT

To my fellow ministers and delegates of the fourteenth annual conference of the Pacific Northwest District, of the Plgrm Holness Church, Greetings:

During the past year I have enjoyed the blessed fellowship of the Holy Spirit, and at no time in my life have I given myself so wholeheartedly to the work of our beloved church and to the cause of God. I have appreciated beyond words the fellowship and association with my yoke-fellows in Gospel bonds. My life has been enriched and blessed by my association with and confidence in my good district superintendent. His kindness, his advice and his life have contributed much to my own welfare.

It is my heart burden that God's work in the Pacific Northwest District shall prosper abundantly. That each pastor and worker shall receive Divine help and encouragement; that each church shall take on new life, new blood, new members, and new fire; that somehow the smaller works shall take root, branch out and become strong, self-supporting churches; and that we shall be able to see the Pilgrim banner of, "Holiness Unto the Lord" planted in many places where the doors are now open. Under God the whole program of our District should be blessed and made a power unto righteousness. May we all move forward shoulder to shoulder as one man, our hearts beating as one and motivated by the same High and Holy purpose. May our good superintendent in every way be blessed of God with his every burden, his every heart concern that the whole district may bear him upon its heart in consideration, in love, in understanding and in co-operation, that his years among us may be long and blessed.

In any official way I have little to report. I am rejoicing to see the Futrells on the field and the Arnetts on their way. We have had correspondence with the Futrells concerning the work on our district for 3 years. The Arnetts were our pastors several years ago and have visited us in the Northwest twice in the last few years. We believe these good workers will be a real asset and blessing to our whole district. I pray God that His spirit may possess us in such a way that when we gather again to conference a year hence we can gratefully say, "What hath God wrought?"

Humbly and respectfully yours and His,

Ivan G. Canary

## REPORT OF THE COMMITTEE ON MEMORIALS

I. Whereas the growth of our church has created an increasing amount of work to be done by our general superintendent, and whereas there is a feeling among many people that one general superintendent cannot adequately serve the church,

THEREFORE BE IT RESOLVED: 1st. That this general conference shall elect three general superintendents;

2nd. That they shall constitute a Board of General Superintendents who shall plan their work in conjunction with the advice of the Executive Council and/or the General Board, as the general superintendent does now;

3rd. That their salaries shall be fixed by the general board, except that they shall be free to keep all remuneration from revivals, camps, conventions, etc., as partial support;

4th. That the Board of General Superintendents have supervision over all our work, both home and foreign, and shall preside at all conferences, both home and foreign, when possible.

5th. Be it further resolved, that all our districts be instructed to so arrange their conference dates as to accomodate the general supeintendents in arranging for their work.

II. Whereas our Sunday School and youth work have grown to the extent that one secretary cannot properly promote both of them, and whereas, for the best interest and further expansion of both of them there should be separate leadership,

THEREFORE BE IT RESOLVED: That this general conference elect a General Secretary of Youth Work who shall promote general youth interests and activities, similar to the manner in which it is being done by the present secretary of Sunday Schools and youth work.

Be it further resolved, that his salary shall be raised in the same manner as that of the present secretary of Sunday Schools and youth work is raised, and that he shall also be a member of the general board.

III. Whereas the exchange of conference minutes is often unsatisfactory and limited,

THEREFORE BE IT RESOLVED: That the General Secretary be instructed to compile each year from the various conference minutes a Ministerial Directory of the entire church, which shall be published by the general church and made available to all ministers at a nominal cost.

I. Whereas the present Pension Plan system of distribution to all pensionees, based upon the contributions of the local church to the 4 per cent pool, and distributed on a district basis, is not satisfactory to many ministers,

THEREFORE BE IT RESOLVED: That the method of collection be changed so that all local churches shall be required to contribute on the basis of four per cent of their pastor's salary to the Pension Fund;

Be it furthtr resolved, that all ministers engaged in full time gospel work, whether pastors, evangelists, district superintendents, administrative officers of the church, or teachers in our colleges, shall share equally in the distribution of the four per cent pool, without regard to what district in which they may labor, provided they are contributing members of the Pension Plan.

## **SUNDAY SCHOOL PROMOTIONAL SECRETARY'S REPORT**

To the Ministers, delegates and Sunday School workers of the Pacific Northwest District of the Pilgrim Holiness Church in session at Salem, Oregon: Greetings.

We are indeed grateful unto God for the part that the Pilgrim Sunday Schools of our district have had in His kingdom during the past year. As is the case in all phases of the Gospel work, our Sunay Schools have been borne upon the backs and hearts of the pastors and their faithful co-laborers. Without their efforts we could write no report.

### **IN RETROSPECT**

I am persuaded that no pastor nor church on our district shirked nor failed to give their best. In some places the circumstances militated against a reasonable progress. The unknown and problematic situations always confront us. God has recorded every toil and tear. Our district can be rightfully glad for the progress that has been made. Some of the churches have done well. Who can evaluate all that has gone into the work to make this possible. Our Sunay Schools are now at the highest ever recorded, (774). The advocate subscription list has come from ninety-two to two hundred and thirty-three. Almost every church is a Gold Star Church. This is remarkable.

I made ten different district recods and mailing which consumed a total of ten full days work. We received \$22.36 from the district. We spent a total of \$8.35 for supplies and stamps. We now have a balance of \$14.01.

## IN PROSPECT

I believe that we stand upon the thresh-hold of a great year. Port Angeles and Roseburg and possible others will be reporting for next year. We are confident that others are in position to go forward. I hope to see possible a district wide Sunday School Institute which will take in each church during the year. I also recommend that the Sunday School secretary's job be rotated from year to year. Whoever leads our Sunday Schools must have our full cooperation. Let it be said of each pastor, superintendent, teacher, and every Pilgrim "They have done what they could."

## Y. P. EXECUTIVE SECRETARY'S REPORT

To the Fourteenth Annual Conference, Pacific Northwest District, Pilgrim Holiness Church, greetings:

We are happy to report victory in our soul through Jesus Christ our Lord. We are glad that God is still blessing our fine Young People.

The past year we have visited the majority of the societies at least once, with a total mileage of 1050 miles, conducted the young people's service or preached at all of these except one. Offerings were given by the societies sufficient to cover the expenses of our trips.

I have attended three zone rallies, preaching at two, and had charge of the mid-winter convention and the summer youth camp. The latter two exceeded our expectations in numbers and success for which we praise God.

God has blessed us for every effort put forth and we feel as though He has done much for our Pacific Northwest Young People. We expect His leadership in the district Young People's work in the future.

Respectfully submitted,  
Roy L. Dworschak

## MISSIONARY SOCIETY PRESIDENT'S REPORT

To the 14th annual conference, Pacific Northwest District, Pilgrim Holiness Church, greetings:

We appreciate the splendid work done by our missionary societies. They have been busy and have accomplished much during the year.

Approximately 60 boxes have been sent to foreign fields, native workers supported and the postage furnished for mailing supplies. The societies have helped in district home missions and also in local church projects. Our district project for the year was purchasing of inserts for the steam table. Canned goods and bedding have also been furnished for the camp. Our missionary prayer meetings have proved a blessing to the societies as well as the local churches.

We thank God and our people for making this a successful year.

Respectfully submitted,

Myrna A. Deal.

We further recommend that two or more names for each office shall be nominated by the District Council.

24. Whereas the General Conference of the Pilgrim Holiness Church has set as objectives for the next four years that of bringing our membership up to 50,000, and the Advocate subscription up to 15,000: And whereas we as a Conference should strive mightily under God to fulfill our obligations to this great program: Therefore be it resolved that the Conference set as our objectives:

- (1) To triple our Sunday School attendance,
- (2) To double our church membership,
- (3) To quadruple the Advocate subscriptions,
- (4) To advocate and to teach loyalty to the Pilgrim Holiness Church.

25. Whereas the Pacific Northwest District is yet a young district, Be it resolved that those other than the delegates and workers at the Conference shall pay for meals the same as during camp. Ministers and their families shall be exempted.

26. Whereas the constitution of the United States provides for freedom of worship, Be it resolved that this Conference go on record as being opposed to any school system which violates the conscience of our children by any anti-Christian requirements which are contrary to the teaching of the Pilgrim Holiness Church.

27. Whereas there is a good opportunity for promoting the Camp interest by the formation of an association, and whereas the ministers and laymen at this recent Camp voted to recommend to the Conference that such an association be formed; Therefore be it resolved:

That this Conference authorize the formation of a Camp Association;

Be it further resolved that this association shall be known as the "Pilgrim Park Camp Meeting Association."

That it shall be under the direction of the District Council of this District, which body shall make the rules governing the Camp;

That membership in this Association shall be open to any Christian who believes in and wishes to help promote the doctrine and experience of holiness as this Camp

Meeting stands for it;

That the membership fee shall be \$1 per year, to be paid annually at the Camp Meeting time or prior thereto;

That there shall be a Secretary-Treasurer of this Association, who shall be a member of the Pilgrim Holiness Church;

That said Secretary-Treasurer shall be elected by the Conference annually upon nomination of one or more persons for this office by the District Council;

That said officer shall be charged with the responsibility of sending Camp Meeting literature, advertising, etc., to all members of the Association not less than 30 days prior to the Camp, together with the request that all members pay their \$1 fee of membership at this time;

That all monies coming from membership fees shall be used to promote the Camp interests, and shall be turned over to the District Treasurer at Camp time for this purpose.

28. Whereas many of our churches pay their pastors by a free-will offering method, and this method often works a handicap upon the pastor both in raising his church finances and in his personal plans; Therefore be it resolved: That each Church of our District begin to pay the pastor a stated amount per week.

29. Whereas our young people play an important part in our District work, and whereas, for the best interests of the promotion of our youth, we need district gatherings;

Therefore be it resolved: That we have one or more District-wide Young People's Rallies during each Conference year.

30. We recommend to the Editing Committee that all standing resolutions be dated. 1952.

31. Be it resolved that all cabins on Pilgrim Park grounds be constructed of same material as tabernacle and that council be empowered to appoint a committee to purchase same and resell to builders, and that all building plans be approved by said committee. 1952.

32. Be it resolved that the council be empowered to take care of the landscaping and maintenance of Pilgrim Park. 1952.
