DISTRICT SUPERINTENDENT'S REPORT

To the 16th annual Conference of the Pacific Northwest District, convened
 at Salem, Oregon, August 8, 1955:
 Greetings in Christ!

It is with a deep sense of loss that we come to this conference in the
 absence of our beloved former general superintendent, Dr. L. W. Sturk,
 whose recent home-coming has made us all conscious of the need to be
 ever ready for that last great move. While the church has lost a great and
 noble leader and we all feel it keenly. God has raised up another outstand-
 ing man of unusual abilities of highest and finest qualities to lead us as
 our general superintendent in the person of Rev. Wm. H. Neff.

Turning now to the work of the district, let us praise God for His great
 mercy to us this year, by which our workers have all been spared and our
 work has been blessed with spiritual and temporal progress. There is
 hardly a church but what has been engaged in some type of construction,
 remodeling or in paying for that recently done. Of necessity reference to
 this work must be brief.

SPIRITUAL PROGRESS

Practically all our churches have experienced revival and spiritual uplift this year. There have been gains in some places in Sunday school and church membership, while others have not fared so well. But as a whole the general tenor of our people's devotional life, the attendance at services and the spiritual atmosphere so far as I have been able to judge it, is improving. Thank God for this manifestation. Financially, we have lost some ground this year, but it seems according to late reports to have pulled up so that we closed the year better than we thought we would be able to do.

Rev. H. James Kreider, Executive Secretary of Youth Work, has done a good work this year with the young people. The societies in general are to be commended for what they have accomplished. More information will appear in Brother Kreider's report concerning this work.

Rev. Sherman Moore has served us well as Sunday School Promotional Secretary. The loss in average Sunday School attendance which we must be prepared to accept this year is not his fault. Explanation will be made when the report is given. But our Sunday Schools must pull up this coming year. We are determined to show gain next year.

TEMPORAL PROGRESS

Aurora has built a lovely five room parsonage onto the rear of their church building . . . Central Point has re-roofed the church and redecorated it inside; painted the parsonage and made other repairs . . . Clatskanie has re-roofed their church and redecorated it as well as part of the parsonage . . . Eugene has almost completed its new basement church which is 36x70 feet and will make a fine plant when finished . . . Klamath Falls has installed a new furnace, redecorated the church and made other repairs . . . Marysville has redecorated part of the parsonage . . . Medford is purchasing property on which to build a new church . . . Portland (Alberta) has purchased a lovely four bed room parsonage . . . Portland First has completed a parsonage remodeling job and added two new rooms . . . Port Angeles has made some repairs and painted the church outside . . . Raymond has completed five new S. S. rooms and remodeled the interior of the church . . . Salem has finished some S. S. class rooms . . . Seattle had a mortgage burning service. They were out of debt until they started a new three bedroom parsonage which is well on toward ready for occupancy . . . Silverton has finished some S. S. class rooms and redecorated the parsonage . . . Svenson has purchased a four room building, for a parsonage, moved it onto the lot near the church and built utility and bath rooms onto it . . . Tacoma has made considerable improvement on their church building and repainted it . . . and Vancouver's new church is well on its way toward the day when it will be ready for services to be opened in it.

In addition to these many thousands of dollars of improvements considerable improvement has been made on the camp grounds this year also.

HOME MISSIONS

After prayerful consideration and trying to prove what was the best it seemed wise to close the Sunday School at Ruch, inasmuch as we were not making a success there. No one is to blame for this. It is simply one of those instances where we appeared to have a start but it did not come through and survive.

Grants Pass now has a neat little block building as the first unit of what is planned for a larger church. The struggle there has been difficult and our workers need prayer.

Roseburg has purchased a building which is being remodeled. It has a nice parsonage quarters in the back and a very nice auditorium. The people are responding well and the \$45.00 monthly payments are being met by them as well as other bills.

A splendid new Sunday School has been started at Keizer near Salem and a nice 26x40 foot chapel is in the process of being built. It looks as if there may be an opportunity here for a new church.

You will notice that names of pastors and workers have been omitted in all cases, but may we say here that we most deeply appreciate every worker and what he has done to make this good year possible.

MY PERSONAL REPORT

Personally, I have enjoyed my work this year with the pastors and churches very much. I regret that the nature of my work, having to hold extra revivals and camps for help in securing support, causes me to have less time to spend with the churches than I would like but hardly know how to remedy it. My heart is burdened for this work. We have prayed and written to many people and have done our best to secure more workers and open more new work. But so far we have not succeeded this year in opening any new place, except the new work at Keizer. But we hope this year to see more accomplished along this line.

Mrs. Deal and Evangeline join me in thanking everyone of you as pastors and churches for your gracious hospitality, your loyal support and your ardent prayers. Continue to pray for us, that we may prove the blessing which God has intended our lives to be.

ASSISTANT SUPERINTENDENT'S REPORT

To the annual Conference of the Pilgrim Holiness Church held in the Pacific Northwest District:

Greetings in the name of our Lord Jesus Christ!

This has been a good year to my own soul. A busy year in pastoral work and building a new addition to our church.

My work has been light as for assistant superintendent is concerned. Have attended every District Council meeting, also attended annual school meeting held at El Monte, California and other tasks ascribed by our District Superintendent.

Sincerely submitted,

JOHN CONNOR

REPORT OF PRESIDENT OF WESTERN PILGRIM COLLEGE

To the members of the sixteenth annual Conference of the Pacific Northwest District of the Pilgrim Holiness Church assembled at Salem, Oregon, Greetings!

It is with a deep sense of humility and gratitude to God that I come before you to report on the work of Western Pilgrim College and its high school and elementary departments for the 1954-1955 school years.

I rejoice in the progress that has been made during the past year; surely the Lord has been with us each step of the way. Our new Administration building has been a great help and blessing, and I am sure it will continue to be for many years to come, if the Lord tarries. The paved streets, sidewalks, and other improvements made during the past year have not only proven to be great assets in carrying on our work, but have greatly added to the beauty of the campus as well. We appreciate these physical assets greatly, but we appreciate much more the presence of the Lord in our midst as He has so graciously helped us throughout the entire year. In many ways, especially financially, this has been a very difficult year, but we have found God's grace sufficient for every need.

The prospects for the coming year are very encouraging. We will have

the strongest administrative staff we have ever had with Bro. Clinton Jones as Vice President, Dr. G. Arnold Hodgins, Dean of the College; Bro. Robert Simonds, Registrar, Bro. Daniel Chamberlain, High School Principal; Bro. Harvey Johnson, Elementary Principal. In addition to this fine group of godly, well qualified men who make up our staff, we have a fine faculty in each of the three departments of our school. Add to this the return of most all of our students of last year plus a fine group of prospective new students, and you see we have a wonderful group of God's people to work with to make next year a great one. As I contemplate the possibilities of this faculty and student body with the facilities God has provided us, and the continued prayers and support of the three districts that comprise our school zone, I feel like saying with the Apostle Paul, "If God be for us who can be against us!"

PERSONAL REPORT

This year completes my seventh year as President of this institution. I wish to express my appreciation to all of you who have helped us in this great work. It has been a pleasure to work with our fine Board of Directors, Faculty, Student-body and all our co-laborers throughout the school zone. I appreciate the confidence and cooperation that has been given me personally.

I have served as a full time teacher in addition to my administrative duties as president. I have attended all the Board and Faculty meetings throughout the year. I have also attended the Leadership Conference of our general Church, held in Indianapolis, Ind. I have visited all three of the conferences and camp-meetings and most of the churches in the school zone. I have traveled over 20,000 miles and have spoken in 52 different services in interest of Western Pilgrim College.

To God be all the glory for what may have been accomplished and may He forgive me for all my many errors and short-comings.

Respectfully submitted,

SUNDAY SCHOOL PROMOTIONAL SECRETARY'S REPORT

To the Sixteenth Annual Conference of the Pacific Northwest District:
Greetings!

We come to the close of another year and all that has been done is history. The gains, the losses, the efforts put forth are all written on the pages of time and cannot be changed.

There have been some good gains in some of our Sunday Schools but we show a loss over the district as a whole. This was caused by the fact that Portland Alberta Church had no pastor for several months and the same was true with Ruch. Ruch showed an average attendance of 30 for the year 1954 but closed her doors after several interested families moved from the community. This is one of the tragedies along the way.

Marysville, Washington, was the outstanding Sunday School on the district, receiving both district Sunday School awards—one for the greatest numerical gain, and one for the greatest percentage gain.

We have tried with limited means and time to promote this most important arm of the Church and trust this next year will be a year of victory.

Respectfully submitted,

SHERMAN MOORE

YOUNG PEOPLE'S EXECUTIVE SECRETARY'S REPORT

To the Sixteenth Annual Conference, Pacific Northwest District:
Greetings!

We would like to thank God for His presence in our midst, and for His blessing and help in enabling us to go forward as District Youth in this past year. We feel that God has given us a good year.

Our Mid-winter Youth Convention, conducted at Salem, Oregon, Dec. 29, 30, 31, will not be soon forgotten. The theme of our Convention was "Know Your Bible Better." Many young people received help and inspiration to study their Bibles. Dr. Eldon Furnam, Professor of Theology at Western Evangelical Seminary, brought to us some soul-searching and inspiring messages which God greatly used. There were 16 young people who bowed at an altar of prayer.

There have been wonderful youth services in all Zones with young people getting saved and going through with God.

Our heart was thrilled as we traveled over the District, visiting the Zones and working with the zone chairmen. We had wonderful services during our trip and many hearts were encouraged. We traveled 1000 miles. We have tried to create more of a zone spirit by promoting zone banners and zone mottoes. There has been progress made on this line.

We thank God for a gracious Youth Camp, July 28, 29, 30. Rev. Jason Felter, the Evangelist, spoke under the anointing of the Spirit and many young people bowed at an altar of prayer. Rev. Sherman Moore taught a class on false cults. Rev. H. James Kreider held a class on Personal Soul Winning. The classes were complimented very highly and we believe were very helpful. In this camp my heart was stirred to a greater burden and a new zeal for our District Youth.

We appreciate the co-operation of all young people and Pastors who have helped to make our Camp Meeting Youth Services successful.

We pray that God will continue to bless and take our Youth forward this next year Spiritually, Materially, and Numerically.

Respectfully submitted,

H. JAMES KREIDER

MEMOIRS COMMITTEE'S REPORT

IN LOVING MEMORY

"Blest be the tie that binds
Our hearts in Christian love."

This blessed spiritual tie cannot, and is not broken by the experience of death. While we acknowledge the passing of our dear fellow Pilgrims at the sacred moment, we do so, realizing that they are separated from us just a little while. They have been transported to the family of Pilgrims beyond the sunset, and await our coming. God has seen best to call unto Himself—

Mr. Frederick Rader, Aurora church; Mr. Oscar Diarmit, Salem church; Mr. Andrew Lanz, Portland First church.

These brethren left a number of relatives, and a host of friends who will always remember their fidelity to God and their keen interest in the souls of mankind.

Rev. and Mrs. John R. Price suffered the loss of their four-year-old son, Steven Connor Price. He was a very brilliant little lad, knew many Bible stories and songs for his tender age. He loved children's services and manifested love for Christ in his last hours.

A Tribute to Our Beloved General Superintendent

DR. L. W. STURK

With great love and tender compassion he served untiringly his world-wide flock, in the foreign as well as in the home work. Daily he prayed for the superintendents by name, and ever bore the whole work upon his noble heart. Despite his companion's failing health, of whom he often spoke solicitously, he gave himself unstintingly to God's work.. And doubtless, in the giving of service, he literally gave his life for the cause. He manifested heroic courage above and beyond the call of duty. His godly life and example will long be remembered and revered.

Rest in peace, O faithful servant of Christ, until we all gather in paradise by the side of the river that makes glad the city of God.

MISSIONARY PRESIDENT'S REPORT

To the Sixteenth Annual Conference of the Pacific Northwest District, Pilgrim Holiness Church, greetings:

The Missionary Societies of our district have been active this year and very zealous in various fields of missionary work. Boxes have been sent to our foreign fields and money given for foreign missionary projects. We have also assisted in home missionary efforts. District interests have not been neglected. The Societies have helped with work in the local churches and the District project has been well supported.

We deeply appreciate the Missionary prayer meetings which have been conducted and the spiritual emphasis which has been shown even on work days.

I wish to thank each and every Missionary Society for the interest and cooperation which has been so graciously shown. We look forward to even a better year in this field of the Lord's service.

Respectfully submitted,
