I. Pastor - His own first problem
   1. Must master his emotions
   2. Must master his schedule
   3. Must master his discipline

II. Pastor - Recognize your problem for what it is. Don't make a dollar fuss over a 25¢ problem. Every problem has creative power and many will solve themselves.

III. Pastor - Learn to deal with your problems. What is talked out will not be acted out. You cannot preach a problem out.

DISTRICT SUPERINTENDENT'S REPORT

To the 18th Annual Conference of the Pacific Northwest District, convened at Salem, Oregon, August 5th, 1957:

Greetings in our Saviour's name!

We wish to take this occasion to praise God for the wonderful way in which he has been pleased to bless us this year in sparing all our workers to us and prospering our work as he has. While this has been a trying year in many respects we are grateful, nonetheless, for token of God's blessings upon our work in general.

Spiritual Conditions

In our official visits to the churches of the district we have observed a good spiritual tone among our people in general. Our pastors are holding firmly to the Bible standard of full salvation and godly living and our people are rallying to this standard. Here and there will be found places where revival is needed and as always some are not enjoying complete victory among our membership. But by and large we are making steady progress toward higher goals of spiritual life. Several of the churches have experienced times of revival and many have been brought to God. In a number of places there have been people seeking the Lord for salvation or heart purity in the regular services as well.

This has not been an outstanding year in great spiritual outpourings of revival blessing but it is evident that we are upon the threshold of a year which will be marked by more of this. There is among our pastors and people a great hunger for revival and this we believe will be fulfilled in response to mighty, prevailing prayer.

Temporal Progress

We shall briefly note some of the improvements made in the various churches this year, for which we are all grateful.

Aurora has finished their parsonage very beautifully inside and has almost completed paying for same... Central Point has installed beautiful new pews which were built by the pastor and people, for which several hundred dollars in donations were given

by business firms and friends. They have also refinished the floors... Eugene has moved into the lovely new basement church there. It was finished inside last fall and the first service in the new auditorium was held on Sunday, November 18th. They have six fine classrooms besides the auditorium space for Sunday School. Some repairs were also made on the parsonage. Their indebtedness has been cut down to $750.00. They are to be commended for this excellent piece of work... Marysville has made some improvements in their parsonage... Medford has paid off their debt for the lots on which the new church will be built and substantially reduced other indebtedness. They have re-roofed part of the parsonage also. The architect has completed blueprints for the new church and several hundred dollars are now on hand toward the building. They plan to begin the building program this year, the Lord willing, and the building is expected to cost about $25,000.00, aside from all the donated labor they can get...

Portland First church has completed a nice nursery room just off the auditorium and another classroom in the basement of their church at a cost of over $1600.00 which is all paid for now... Port Angeles erected a Sunday school annex building, costing over $1000.00, which is also paid for in full and has made other improvements on the property... Raymond has made interior improvements on their church and Sunday school classrooms... Salem has cleared the indebtedness of their property and had the mortgage burning service this spring. Plans are being made to erect a new parsonage as funds come in... Seattle has completed their beautiful new parsonage which is valued at about $15,000.00 and has greatly reduced the indebtedness on it. They hope to clear all the debt within this conference year... Silverton re-roofed their parsonage and reduced their building indebtedness to $500.00. They are hoping to clear this within the conference year, also... Svenson is in process of erecting a new two story Sunday school classroom which will provide five new classrooms. They have also redecorated the interior of the parsonage and added a new room to it. The classrooms are expected to be in use by this fall and there will be very little indebtedness left on them... Tacoma has

secured a loan and paid off the Church of the Brethren from whom we purchased the property and have reduced their indebtedness to only a little over $4,300.00. This is remarkable progress for them and they are to be commended... Vancouver church is in process of being completed and will be moving into their lovely new auditorium within the conference year. It will be a beautiful church and another credit added to our district building program. They are erecting it on the pay-as-you-go basis.

Considerable improvement has been made on the camp grounds this conference year. The children's chapel has been almost finished, several buildings have been painted and other repairs made. We are in the process of building a lovely 18 room, one-story dormitory on the modern motel style. This is costing many hundreds of dollars and is being done by the donated labor of our faithful pastors and laymen. It is expected to be ready for next camp meeting.

Home Missionary Work

Grants Pass had made very good progress this year. A Fellowship has been organized there and the future looks much brighter for them. Plans for more building there are under way... Roseburg has steadily reduced its indebtedness this year and plans are being made for considerable improvement on the property there this year. We have a Fellowship there which we trust may bloom into a fully organized church within this conference year...

Just after conference last year, Rev. and Mrs. Roy Dworschak moved to Lebanon, Oregon to open a new work there. Brother William McGlasson and Brother Paul Carroll had succeeded in locating a suitable building which we leased. During the fall the superintendent held a meeting there during which time a Fellowship was organized and left to be fully organized later when more charter members could be received. When the Dworschaks had to leave the work because of ill health, Rev. and Mrs. Robert Sherwin came as the workers and have continued until now. This spring we had the organizational service with the election of officers for a fully organized church and are happy to present this new church to the conference this year.

Forward Movement

During last fall a group of councilmen journeyed to Fresno, California to meet with Rev. Melvin H. Snyder, Director of the Forward Movement, and Dr. Paul F. Elliott, a member of the Committee to receive instructions upon the committee's wishes as to how to promote this great work among us. Following this special emphasis was placed upon this work in the various zones by the zone chairmen. The District Council as district committee for the Forward Movement ordered a special booklet on prayer to be distributed among our people. Rev. Snyder made a special trip to the district and held rallies in Seattle, Medford, Salem and Portland churches. These were well attended and we believe much good was done by them. While we have not reached the goals set for the year in every respect, we have gone forward along every line. We have the one new church pledged to start this year and a branch Sunday School has been opened up by the Seattle church in southwest Seattle in a new housing project. Prospects seem good for a new work there. We shall hope to see this work developed during this year.

Sunday School Work

The report of the statistical committee and of the District Sunday School Promotional Secretary will show that this has been a rather hard year for us. We have made very little gain in the overall picture. This has not been because our pastors and people have not worked but rather because there has been an almost unavoidable slump in Sunday School attendance in several churches. In some instances a number of families out of a church would move away, leaving no one to take their places. We note, however, that we have made a slight gain in some places despite all the losses, and this is encouraging. We believe that the coming year will show considerable gains in Sunday School attendance.

To Rev. Leo Futrell we owe a debt of gratitude for the very fine, efficient service which he has rendered as Promotional Secretary. His work could have been so much more successful had he had the cooperation of every pastor each month. We trust this will be forthcoming during the coming year.

Youth Work

Rev. Jim Sheets has done an excellent work with the youth this year. He has visited the zone rallies where possible and spoken and has planned and executed the youth convention in mid-winter and the youth camp at camp time very acceptably. Plans for the youth camp were changed by circumstances beyond his control in not being able to secure the workers planned but Mrs. Eldon Fuhrman, wife of our evangelist, did a splendid work among our youth for which we are grateful. Brother Sheets was re-elected for another year but declined to accept and Rev. John Price was elected to serve as Executive Secretary for this year, with Rev. Sheets as Young Peoples' District Treasurer.

Camp Meeting

We have just come through a gracious camp meeting for which we are truly grateful to God. Our workers this year, Dr. and Mrs. Eldon Fuhrman, Mr. and Mrs. Paul Hamilton, and Rev. and Mrs. John R. Price, have certainly done an excellent piece of work as gospel workers and I am sure we all appreciated their ministry very much.

Plans for expanding our camp meeting by way of increasing facilities for service here, such as the new dormitory and other equipment, must keep pace with the increase in our attendance. This year we have had about the largest amount of campers we have had so far and it has been especially gratifying to see the fine number of young people staying throughout the camp. We shall hope to increase this in the coming year with the new dormitory ready to house a considerable number more people by next camp.

My Personal Report

It is with deep gratitude to God and a real sense of appreciation of the pastors and people of this district that I come to make this part of the report. We have been treated with every kind consideration by pastors and people. Thank you very kindly for all you have done for us as a family as well as for me personally.

This has been another busy year. I have visited the churches three times (except one), and some more times in the course of the year. Have attended two General Board meetings and the annual Church

Leader's Conference in Indianapolis, Indiana, conducted the ministerial meeting jointly with Idaho-Washington District and have held six revivals and at least two weekend meetings. We also held two Sunday School conventions and attended the annual College Board of Directors meeting at Western Pilgrim College and served as commencement speaker for Western Pilgrim College this spring.

I have preached 162 times, prayed with 32 for salvation, 19 for sanctification; made 65 calls on pastors, 64 official visits to churches; conducted 44 church board meetings and 23 church business meetings; conducted about 40 other services of various kinds. I have spent about 45 days or more in the office and around 20 days working on the conference grounds. I have officiated at two weddings and conducted eight council meetings. Have traveled 13,461 miles for the district, 9,533 for myself in gospel work and 10,910 miles for the general church and 4,998 miles for the Church Leader's Conference, making 38,902 miles in all traveled this conference year in the Lord's work. We have received our salary and traveling expense grant in full and have received from revival work $655.00. We have turned back to the district for revivals or conventions above the five granted to us $187.83 during the year. I have edited the Northwest Pilgrim and sent out over 600 pieces of district mail this year.

We are grateful to have been permitted to work for the Lord this year among you and trust the future year will be our best for the Lord. We covet earnestly your prayers and continued cooperation.

Respectfully submitted,
Wm. S. Deal

ASSISTANT DISTRICT SUPERINTENDENT'S REPORT

To the eighteenth Annual Conference of the Pacific Northwest District of the Pilgrim Holiness Church held in Salem, Oregon: To Him give the praise for His great love toward us, His marvelous grace that saves us, and His mighty power to keep. I have attended every District Council meeting, attended the Board of Directors meeting at El Monte, California, and performed the other tasks assigned to me by our District Superintendent.

Sincerely submitted, John Conner

Financial Report: Pacific Northwest District - $749.94

Prospects of next year:

The Lord has helped us secure one of the finest faculties we have ever had. All of our college teachers and most of our high school staff have masters degrees in the field in which they are teaching. We are expecting most of the students of last year to return and we trust we shall have many new ones join us. Let us all work together to this end.

(Editor's note: This is a condensation of the full report.)

To the Eighteenth Annual Conference of the Pacific Northwest District of the Pilgrim Holiness Church: Greetings!

We bring to you the Sunday School report for another year. We are truly grateful for the help of

the Lord through the past year and to Him belongs the praise for everything.

To the Svensen Sunday School (Rev. Verlie Arnett, Pastor) goes the award for the greatest numerical gain, which is 11. To the Tacoma Sunday School (Rev. J. L. Arnett, Pastor) goes the award for the greatest percentage gain, which is 29%.

We wish to report: 5 churches with complete reports, 2 churches with incomplete reports, a new Sunday School at Lebanon, a monthly loss of 6 over last year.

Respectfully submitted,
Leo Futrell

MISSIONARY PRESIDENT'S REPORT

To the 18th Annual Conference of the Pacific Northwest District of the Pilgrim Holiness, greetings:

We are happy to report that the missionary societies have again this year been busy. Many boxes have been sent to our foreign work as well as money given for various projects of the foreign missionary department. The societies have been very helpful in taking part in district and local projects also. New cooking utensils have been purchased for the dining room by the societies. Our district project for the coming year is the purchase of a larger hot water heater for the dining room.

We appreciate the missionary prayer meetings and special services which have been held through the year. We feel that our missionary societies have been a means of getting outsiders interested in attending and supporting our churches. I trust that God will give us even greater victories this year.

Respectively submitted,
Myrna A. Deal

YOUTH EXECUTIVE SECRETARY'S REPORT

To the eighteenth Annual Conference of the Pacific Northwest District of the Pilgrim Holiness Church: Greeting in the name of our Lord Jesus Christ! The past year has been a good one to our own soul, and we feel closer to the Lord than in any previous experience. The burden for the spiritual welfare of our Pilgrim Youth has increased with the progression of the year. May the Lord bless our youth!

By way of activities during the past year, we have attended seven youth rallies, conducted one mid-winter youth convention, traveled seven hundred miles, spent $75.00, and received $22.50. The places we have been privileged to attend have indicated a rise in the spiritual tide, for which we thank God.
