DISTRICT SUPERINTENDENT'S REPORT

To our beloved chairman, General Superintendent John D. Abbott, delegates, and friends of the twenty-seventh annual conference of the Pacific Northwest District of the Pilgrim Holiness Church, greetings in the precious, matchless name of our risen Lord.

God has been good to us this year. Our church membership is up sixteen members over a year ago; our Sunday School is up an average of ten; our total giving is up nearly ten thousand dollars; per capita giving stands at \$245.83 per member for the year. District budget payments are up but still \$1,200.00 short. United stewardship fund contributions are up over \$400.00 above a year ago. The Pacific Northwest District stands seventh in the denomination with 87.5% of this budget paid. Our district is third in the denomination in percentage of Advocate subscriptions per membership. For these blessings and more we give Him the glory.

It has been a pleasure to work with our Assistant Superintendent, Rev. Walter Cole, for the past year. He has given invaluable assistance, helpful advice, as well as capable supervision of district affairs during two extended absences of the District Superintendent.

The District Council has been most cooperative especially in those areas directed to extending our Pilgrim witness in this great Northwest of ours. With their help 14,000 booklets have been purchased and distributed, or are available for distribution. Every pastor should plan if he or she has not already planned for a concentrated forward thrust in the area of personal evangelism and Sunday School enlargement beginning with the start of school in September. Our time is short, we must press now.

It was with the help of the Council that we were able to launch the "Dollar a Month" Club early this year. We pray with God's blessing and our consistent effort to be able to start new churches as the doors open. The Pacific Northwest is wide open now to evangelism. The population movement of the United States is northwest. We must do our utmost by God's grace to meet the challenge.

On April 4, 5, and 6 we enjoyed God's marked blessing on our joint ministerial meeting with the Oregon conference

ministers of the Wesleyan Methodist Church. These services were favored with God's presence from the beginning to the final "Amen".

With the cooperation and help of the Department of World Missions, we were able to conduct a series of zone and local missionary conventions. Reverends M. L. Peterson and Jack Duckworth accorded us a fine ministry with special insight into the operations of the various mission fields of the Church. The District Council has already approved the setting up of more conventions of this type for the coming year.

I must here confess that it has been the cooperation of a fine group of pastors that has made this a successful year in our Zion. We commend the laity for the fine help they have given. Without the support of all we can make little progress either temporally or spiritually. Someone has observed that there is no "I" in "team".

Let us not look back for the simple purpose of writing history; this is not our business. Our work is ahead of us. Let us use the past to plan for the future, and plan we must. God's whole universe, past, present, and future is operating according to a plan. We must fit our plan into His plan and "press toward the mark". To quote another "God's work done in God's way will never lack His support". Brethren, tomorrow lies ahead of us; let us vigorously occupy until He comes. Let us, as Isaiah says "take root downward and bear fruit upward". Isa. 37:31.

ASSISTANT DISTRICT SUPERINTENDENT'S REPORT

To the Twenty-seventh Annual Conference of the Pacific Northwest District of the Pilgrim Holiness Church, convened at Salem, Oregon, August 1, 1966:

"O Praise the Lord, all ye nations: praise Him all ye people. For His merciful kindness is great toward us; and the truth of the Lord endureth for ever. Praise ye the Lord." Ps. 117. I have attended each council meeting and assisted with the district business when and where needed, and have endeavored to perform the tasks assigned to me.

DISTRICT YOUTH PRESIDENT'S REPORT

Mr. Chairman, pastors and delegates to this conference: We thank God for the youth of our District. We feel some things were accomplished this year in a spiritual way.

Our project this year was the carpet for the district parsonage at Salem, Oregon. This project money has come in quite well. Also, we want to thank Duane Cole for the many hours he has worked on improving the lunch stand which was the 1964-65 project.

It was my privilege to visit and to speak in the following zones of our District: Southern, Central and the Northern. We appreciate the interest and the wonderful services.

The Portland First youth group was organized in February. A youth revival was conducted at Salem with the Youth President as speaker.

I would like to thank Rev. Briggs, our District Superintendent, for his advice and wonderful cooperation in the youth work.

The Mid-Winter Youth Convention was held at the Salem Pilgrim Holiness Church, December 28,29,30. Rev. Miss Betty Miller was the main speaker. Many young people were helped spiritually.

Respectfully submitted, Doyle Brannon

WAYS AND MEANS COMMITTEE REPORT

A survey of the financial records of the district churches reveals that there are some who, due to various reasons, do not pay all of their district budget. Since this condition seriously affects the district financial position, we recommend that the percentage of both the Sunday School and regular church offerings given to district needs be made 11%.

In order to bring our District Superintendent's income to a more acceptable level, we recommend his salary be raised to \$275.00 per month. This amount is insufficient and we would hope to see more upgrading as our financial situation improves.

We recommend that mileage expense for district officers be raised to 5¢ per mile.
