DISTRICT SUPERINTENDENT'S REPORT

To the 17th Annual Conference of the Pacific Northwest District, convened at Salem, Oregon, August 6, 1956:

Christian greetings!

We are deeply grateful to God for His blessings upon our work for another year. All our workers have been spared to us this year, and there are many signs of progress, despite the battles and discouragements along the way at several places.

Spiritual Status of the Work

So far as we can observe in official visits to churches and in revivals in a number of our churches this year there seems to be a good spiritual atmosphere and indications of progress all over the work. Several churches have enjoyed good revivals this year. Many have been saved and sanctified in these efforts as well as in the regular services. A good number of new members have been received into the churches, Portland First topping them all with 22 new ones. Sunday schools have gained in several places, also. While we have had to suffer the loss of some members from our rolls and a few Sunday Schools have not kept pace with the past year's record, yet we are thankful for the gains which will be shown in the reports.

It appears that we are on solid ground now so far as membership is concerned and this year should show considerable gains if we are as successful in soul-winning as we should be.

Grateful acknowledgement is hereby made to Rev. Sherman Moore, Sunday School Promotional Secretary; and Rev. James Kreider, District Young Peoples' Secretary for the past two years; for their good work in these two departments. Brother Kreider is also to be commended for his untiring and efficient services as director of youth camp services and activities.

Temporal Progress

There have been many improvements in church and parsonage properties this year. We shall note briefly some things which have been done.

Aurora has almost completed its parsonage... Central Point has refinished the floors and made improvements in some Sunday school rooms...

Clatskanie has remodeled its auditorium... Eugene was held up in its interior finishing program somewhat until recently when a loan was secured. The auditorium should be ready for occupancy soon... Klamath Falls has done some remodeling in their auditorium... Marysville has painted the parsonage and laid a new tile floor in the church... Medford is clearing its new lots of indebtedness preparatory to the new church building program... Portland Alberta has made repairs on the church and redecorated part of the parsonage and made other improvements on the property.

Portland First has redecorated the church inside and made other improvements. Plans are now under way to construct two new rooms at the front of the church, one for a nursery and the other for an extra class room... Port Angeles has greatly improved the church grounds by a much needed landscaping job... Raymond has made improvements in the parsonage part of the church... Salem has completed a large Sunday school departmental class room and a pastor's study... Plans are in process of formation for a new parsonage also near the church... Silverton has redecorated parsonage, did landscaping, erected a church sign and made other improvements. Svensen has made improvements in the church auditorium and plan to erect new Sunday School class rooms as soon as possible... Tacoma has made improvements on their church and reduced the debt considerably.

Special mention should be made of the fine new three bedroom parsonage erected at Seattle and almost finished now. Rev. Floyd Morgan and the Pilgrims there are to be commended for this excellent new building. It is valued at about \$12,500.00.

Honorable mention also goes to Rev. John Connor and those who have helped him for the hundreds of hours of work which he has done in bringing the Vancouver church nearer completion this year; also, to Mr. Ed Evans who has helped there for the past two years or so. Several Sunday school rooms are now in use and the main auditorium should be completed sometime this year if all goes well. They are working on the pay-as-you-go basis. This new church

will be a credit to the work of God and to our district.

And certainly Rev. Roy Dworschak, who has worked so hard and faithfully, sometimes against the odds of ill health, to bring so near to completion the Eugene basement church, should have a word of commendation as well as those who have assisted him from time to time. This building has five Sunday School rooms, a furnace room and other facilities, and will have a nice auditorium with a seating capacity of over 100. This auditorium space will leave room for several more Sunday School rooms when the main auditorium is erected. Brother Dworschak has done a fine piece of work there.

Camp Grounds Improvements

The Children's Memorial Chapel, erected in memory of little Steve Price, has progressed well toward completion, thanks to the hard work of Rev. John Connor, in charge of the building, and Rev. John Price and others who helped them. This building is proving very useful for a number of purposes besides the object -- children's meetings during camp. This year it was wonderful to see how the children enjoyed the services conducted there. It serves delightfully as a place of prayer and for smaller group meetings, also.

The ladies were grateful for laundry trays donated by a friend of the camp and installed in the ladies' rest room.

The upstairs of the district parsonage was almost completed this year, thanks to the ladies missionary societies and the work of several of our good brethren. Rev. V. G. Story did most of the finish work and will probably complete the task.

Several hundred dollars have been received by Brother Story, our good district treasurer, toward the proposed camp dormitory. There was not enough, however, to warrant the starting of the building. We hope the response may be sufficient for us to begin it this conference year sometime; or, that possibly the conference will grant the privilege of securing a loan to build it, to be repaid later. It constitutes just now our major need on the camp grounds.

Home Missions

We regret that we do not have a fully organized church to present to the conference this year. We are grateful, however, for the progress made by our unorganized works this year.

Roseburg has been prospered this year to pay off one of their main contracts on the property, leaving only one monthly payment of \$45.00 per month instead of about \$90.00 as previously. More adults have been attending the Sunday school, which speaks well for a more substantial prospect. Two new members were received into fellowship this spring. We hope for a full organization this year sometime if we make the hoped for progress. Brother Rockholt will have a teaching position nearby and can serve the work better now.

At Grants Pass Brother Hobson has seen at least one family saved and sanctified and they are working well with him. He has had a hard pull financially but the district home missionary fund has been used to aid some through the summer months and things look better for the future. Rev. and Mrs. Don Mack are coming up from California to assist in the work there this year. We hope to see an organization there this year by the Lord's help.

Keizer Sunday School has done well this year. Brother and Sister Don Johnson and their helpers have worked hard to produce what they have there. The chapel is about completed and is paid for and they are paying off the lots now. The Sunday School attendance has been very good this year. We do not yet have an organization there but it is possible that we may have within this year. Brother Johnson wishes to see the debt wiped out and a pastor invited to help with the work during this year. They have a nice group of young people and the community is beginning to respond to the work.

Lebanon, Oregon is next on our map. Plans are now under way to open a new work there this conference year. We already have some Pilgrims there and wish to get started this summer with a Sunday School and prayer meetings. Brother and Sister McGlasson have offered to assist us in Sunday School work there for awhile until we can get started. A

pastor will be secured in due season. Pray for this our newest attempted project.

Forward Movement

The Forward Movement is essentially a soul-winning effort within our church. Its chief purpose is to deepen our spiritual life, to increase our number of Sunday Schools and new churches and to encourage each district to endeavor to make at least a 25 percent gain in church membership by winning souls to Christ and encouraging them to unite with us. This calls for much prayer and sometimes fasting. We are in this great forward movement to advance the cause of Christ by all spiritual means. We in this district wish to put our shoulder to the wheel of spiritual progress and push with all our might.

As a district our goal for the year should be at least one newly organized church, one new Sunday School opened up and at least a 25 percent increase in church membership if the Lord so prospers us. To accomplish this every pastor and layman will have to pray more earnestly and work diligently, even more so than in the past. Our District Council, as the Forward Movement Committee for the Conference, is behind this soul-winning movement whole-heartedly and we will do all in our power to aid every pastor and church in its promotion.

Camp Meeting

We praise God for a most gracious camp meeting this year. Our workers were of the highest type and their ministry was deeply appreciated. We are also grateful to God for the financial response to all departments of the general church, the camp meeting interests and the district home missionary program. Thanks to everyone who helped to make the camp the success it was this year.

Personal Report

To every pastor, church and Sunday School officer and every layman who has helped to make this the good year it has been, we say thank you for your cooperation. We have thoroughly enjoyed working with you throughout the year and thank God for each of you and your labors in the gospel.

DISTRICT SUPERINTENDENT'S REPORT - Page 6

This has been one of our busiest years. Several pastoral changes have necessitated considerable extra travel and we have also conducted five full length revivals on the district because of the lack of evangelists available. I have attended two General Board meetings and the Annual Church Leaders Conference in Indianapolis, Indiana, conducted the ministerial meeting and held five revivals and one weekend meeting off the district, as well as attended the annual College Board of Directors' meeting at El Monte, California. A more complete report is listed below. Brethren, pray for us. It is our heart's desire to be of more and better service to the Lord and His cause as the years come on than we have in the past.

ASSISTANT DISTRICT SUPERINTENDENT'S REPORT

To the Annual Conference of the Pilgrim Holiness Church held in Pacific Northwest District: "Greetings in the Name of our Lord Jesus Christ." This has been a good year to my own soul. A busy year in pastoral work and building a new addition to our church.

My work has been light as far as Assistant Superintendent is concerned. I have attended every District Council meeting, also attended the annual school meeting at El Monte, California and other tasks ascribed to me by our District Superintendent.

Sincerely submitted,
John Connor

MEMOIRS COMMITTEE REPORT

Since God has so mercifully spared us the loss of any of our ministers or well known laymen during the past conference year, therefore be it resolved that we express our greatfulness to God by standing and giving unto Him our heartfelt thanks.

Respectfully submitted,

REPORT OF PRESIDENT OF WESTERN PILGRIM COLLEGE

To the members of the Seventeenth Annual Conference of the Pacific-Northwest District of the Pilgrim Holiness Church assembled at Salem, Oregon, August 6, 1956: Greetings! I deem it a privilege to report to you on your college and its affiliate organization, Western Pilgrim Schools.

Our educational interests are among the most important problems facing our church today, because the character and quality of our church college will be reflected in the ministry of our leaders in the immediate future. As a church, we have no surplus of leadership material and unless we give attention to preparing for this need, we shall be embarrassed in the tomorrows.

We have been fortunate in having a consecrated, Godly, and well prepared faculty in our school this part year. Most of our teachers, if they so desired, could double or triple their salaries by turning to secular education, but they have put the Christian education of our youth far above the matter of their personal monetary remuneration.

Our new administration building and campus improvements have proven to be a great asset. Our enrollment and financial situation is not encouraging. To come near to paying current expenses, our school must maintain a maximum enrollment; this we do not have at the present time. During the past year we have had the best faculty and equipment the school has ever had, but there has been little increase in the enrollment over the last five years. Can it be that our high degree of national material prosperity prevents our young people from feeling the urge to prepare themselves for Christian service?

I would like to challenge our District officers, pastors, parents, and other leaders to encourage our young people to enroll in Western Pilgrim College to train themselves for efficient service in God's kingdom as competent Sunday School teachers, youth leaders, ministers, and missionaries. It is the business of the church to discover, evangelize and help guide these young people to live useful Christian lives; it is the business of our Bible Colleges to educate, train, and establish these young people in Christian

Grace, so they may effectively take their places in the Church and make an impact for God.

Rev. H. T. Mills, Secretary of Education of the Pilgrim Holiness Church, has expressed the thinking of the majority of the educators in the church in his last report to the General Board, when he said, "We as a church are at the cross roads educationally and the turn of events in the next five years will largely determine the future course of our church. 'If' we haven't too many schools, one thing is certain, we have too few people seeking a Christian education with us. Are we reaching the young people in our area? If not, why not? Has the Lord ceased to call our sons and daughters into His service? This is not a problem that belongs to our college presidents, but to the whole church."

At the 1956 Annual Meeting of the Board of Directors of W.P.C., definite plans were made for a forward move for the college. The curriculum was enlarged to attract a larger number of students. In keeping with the requirements of the Bible College Accrediting Association, we have added a fifth year of seminary-type of work to our Th.B. Course. Curriculum of the type should attract many of the ministers in our zone. In addition to the courses we have been offering, we have also added a four year Bachelor of Arts Course giving a B.A. Degree in Bible and Religion, which we trust will attract many more of our young people who are interested in Christian Education, but who do not necessarily want to take the ministerial and theological courses.

To further enrich the regular curriculum offered, we are planning to make available, in various fields of study, Fall and Spring Seminars. These seminar courses will consist of one week of concentrated Bible study in vital interest areas of Religion, taught by our own faculty, and other great teachers who are specialists in these fields.

In regard to financial support the Board has recommended to each of the districts in our Western School Zone to pass legislation and put into action a policy of an offering for W.P.C. every month at a major Sunday service. It is hoped that by this regular free-will offering method that approximately \$10.00 per member

REPORT OF W.P.C. PRESIDENT - Page 3

per year can be raised. This amount of income from the churches of the zone and a maximum enrollment of 350 to 400 students will enable the school to operate on a sounder financial basis.

We are planning, praying, and working for a better and larger school in the coming year. With your co-operation and God's help we believe we shall see the desires of our heart in the regard.

Personal Report

This year completes my eighth year as President of the institution. I sincerely appreciate all who have prayed, worked, given, and stood by me during this time. The Administration covets your continued loyal support in this great work. Many times the load grows very heavy and we become extremely weary in well doing, but we take heart and become encouraged with the glorious fact that "If God be for us, who can be against us?"

I have served as a full-time teacher in addition to my administrative duties as president. I have attended all the Board and Faculty meetings throughout the year, as well as the Leadership Conference of our General Church, held in Indianapolis, Indiana. I have visited the conference and camp meeting of this district, the Idaho-Washington district, and the Pacific Northwest district, besides visiting almost all the local churches in the entire school zone. I have traveled over 20,000 miles and have spoken in 112 services in the interest of Western Pilgrim College.

Respectfully submitted,
Clifford W. Thomas

DISTRICT SUNDAY SCHOOL PROMOTIONAL SECRETARY'S REPORT

To the 17th Annual Conference of the Pacific Northwest District of the Pilgrim Holiness Church

Greeting! We have come to the close of another conference year with its efforts and records written on the pages of eternity. Some of the Sunday schools have made excellent gains, at least one having gained an even 100%. Several have made over 10%; at least two over 25%. We thank God for every gain but our hearts are heavy when we think of the losses sustained by some.

Port Angeles receives the award for the highest percentage gain; also for the highest attendance gain.

We have been able to do little in the way of Sunday School promotional work but believe that God has great things ahead for the Sunday Schools of the Pacific Northwest District.

Respectfully submitted,
Sherman Moore

MISSIONARY PRESIDENT'S REPORT

To the 17th Annual Conference of the Pacific Northwest District of the Pilgrim Holiness Church, greetings:

Our missionary societies have done excellent work this year. A good number of boxes have been prepared and sent to the foreign fields and money has been raised for other foreign missionary interests. Most societies have given liberally toward the district project as well as preparing things for the camp dining room and kitchen. Our societies are also active in helping in the local churches.

The missionary prayer meetings and study hours have been a great blessing. We deeply appreciate the good work which has been done along these lines. May God bless each one abundantly and give us greater victories in the future.

Respectfully submitted,
Myrna A. Deal

YOUNG PEOPLES EXECUTIVE SECRETARY'S REPORT

To the 17th Annual Conference, Pacific Northwest District: Greetings!

We would like to thank God first of all for His presence with us for another year. The reports which we received from each zone over the District indicates that the spiritual tide has risen, all of the Zone meetings were very well attended, and there were some new souls seeking the Lord.

Last September we attended the Y.P. Executive Secretary and Sunday School Leaders Conference at Indianapolis, Indiana traveling 6,500 miles. At this conference our heart was inspired with the program of the church in the interest of youth. We were unable to give a report of this meeting and to promote the program suggested because of providential hinderances. However we did try to promote the program as we could through the Northwest Pilgrim and letters.

We had a good program planned for the Mid-Winter Youth Convention to be held in the Salem Church. Scheduled for the Convention Speaker was Rev. Clinton Jones of El Monte, California. The Theme was to be "A Spirit-Filled Heart--A Consistent Life". Because of the floods this convention had to be cancelled.

We thank God for what we feel was a wonderful Youth Camp this year. Our Theme was "Beliefs That Matter". Our purpose was to give your young people something of the principles and doctrine of the church. For a text book we used "A Catechism on the Christian Religion." There were three classes held each day. The Doctrine of God was given by Dr. Clifford Thomas, the Doctrine of Christian Experience was taught by Mrs. Clifford Thomas, and the Practical Aspect of Christian Experience was taught by Mrs. H. L. Solter. The Youth Camp Evangelist was Rev. P. W. Thomas. We thank God for the soul searching and inspiring messages, and the young people who knelt at the altar.

We appreciate the cooperation of all the young people and pastors who have helped to make our Camp Meeting Youth Services successful.

Our prayer is that we will go forward this next year as never before under the direction of God and our new youth leaders.

Respectfully submitted,
H. James Kreider
